Patron-Cosgrove

Referred to Committee on General Laws

Be it enacted by the General Assembly of Virginia:

10 1. That § 55-369 of the Code of Virginia is amended and reenacted as follows:

§ 55-369. Developer control in time-share estate program.

A. The time-share instrument for a time-share estate program shall provide for a period of time, to 12 be called the "developer control period," during which the developer or a managing agent selected by 13 14 the developer shall manage and control the time-share estate project and the common elements and 15 units, or portions thereof, comprising it. All costs associated with the control, management, and 16 operation of the time-share estate project during the developer control period shall belong to the developer, except for time-share estate occupancy expenses that shall, if required by the developer in the 17 time-share instrument, be allocated only to and paid by time-share estate owners other than the developer. "Time-share estate occupancy expenses" means all costs and expenses incurred in (i) the formation, organization, operation and administration, including capital contributions thereto, of the 18 19 20 21 association and both its board of directors and its members and (ii) all owners' use and occupancy of the 22 time-share estate project including without limitation its completed and occupied time-share estate units 23 and common elements available for use. Such costs and expenses include but are not limited to 24 maintenance and housekeeping charges; repairs; refurbishing costs; insurance premiums, including the 25 premium for comprehensive general liability insurance required by subdivision 8 of § 55-368; taxes; properly allocated labor, operational, and overhead costs; general and administrative expenses; managing 26 27 agent's fee; utility charges and deposits; the cost of periodic repair and replacement of walls and window 28 treatments and furnishings, including furniture and appliances; filing fees and annual registration charges 29 of the State Corporation Commission and the Board; counsel fees and accountant charges; and reserves 30 for any of the foregoing. Nothing shall preclude the developer, during the developer control period and 31 at any time after the lapse of a purchaser's right of cancellation, and without regard to the recordation of 32 the deed, provided the deed has been delivered to the purchaser or the purchaser's agent, from collecting 33 an annual or specially assessed charge from each time-share estate owner for the payment of the 34 time-share estate occupancy expenses by way of a "maintenance fee." However, any such funds received 35 and not spent or any other funds received and allocated to the benefit of the association shall be 36 transferred to the association by the developer at the termination of the developer control period.

37 B. Fee Except to the extent the time-share instrument expressly provides otherwise, fee simple title to 38 the common elements, shall be transferred to the time-share estate owners' association, free of charge, no 39 later than at such time as the developer either (i) transfers to purchasers legal or equitable ownership of 40 at least ninety 90 percent of the time-share estates or completes, excluding any reacquisition by the 41 developer; (ii) is no longer the beneficiary on deeds of trust secured of at least 10 percent of the time-share estates; or (iii) has completed all of the promised common elements and facilities comprising 42 the time-share estate project, whichever occurs later. The developer may, but shall not be required to, 43 make such transfer when the period has ended for a phase or portion of the time-share estate project. 44 The transfer herein required of the developer shall not exonerate it the developer from the responsibility 45 46 of completion of the promised and incomplete common elements once the transfer occurs. Upon transfer of the time-share project or portion to the association, the developer control period for such project or 47 48 portion thereof shall terminate.
