C. The penalties and fees specified in this section shall be in addition to any other penalty, fee, tax, or liability that may be imposed by law.

§ 46.2-613.4. Special seizure provisions for unpaid fees and penalties.

Any size and weight compliance agent authorized to serve process under the provisions of this chapter may hold a vehicle without an attachment summons or court order, but only for such time as is reasonably necessary to promptly petition for an attachment summons to attach the vehicle.

After finding reasonable cause for the issuance of an attachment summons, the judicial officer conducting the hearing shall inform the operator of the vehicle of his option to either pay the previously assessed fees and penalties due the Commonwealth or contest the charge through the attachment proceeding. If the operator chooses to make payment, he shall do so to the judicial officer, who shall transmit the citation along with the fees and penalties to the Department for distribution in accordance with subsection B of § 46.2-613.1.

The Commonwealth shall not be required to post bond in order to attach a vehicle pursuant to this section. The size and weight compliance agent authorized to hold the vehicle pending a hearing on the attachment petition shall also be empowered to execute the attachment summons if issued. Any bond for the retention of the vehicle or for release of the attachment shall be given in accordance with § 8.01-553 except that the bond shall be taken by a judicial officer. The judicial officer shall return the bond to the clerk of the appropriate court in place of the officer serving the attachment as otherwise provided in § 8.01-554.

In the event the fees and penalties are not paid in full, or no bond is given by, or for the person charged with the violation responsible for paying the fees and penalties, the vehicle involved in the violation shall be stored in a secure place, as may be designated by the owner or operator of the vehicle. If no place is designated, the officer or size and weight compliance agent executing the attachment summons shall designate the place of storage. The owner or operator shall be afforded the right of unloading and removing the cargo from the vehicle. The risk and cost of the storage shall be borne by the owner or operator of the vehicle.

Whenever an attachment summons is issued for unpaid fees and penalties the court shall forward to the Department both a copy of the order disposing of the case and the citation prepared by the size and weight compliance agent but not served.

Upon notification of the judgment or administrative order entered for such unpaid fees and penalties and notification of the failure of such person to satisfy the judgment or order, the Department, the Department of State Police, or any law-enforcement officer or size and weight compliance agent shall thereafter deny the offending person the right to operate a motor vehicle or vehicles on any highway of the Commonwealth until the judgment or order has been satisfied and a reinstatement fee of \$50 has been paid to the Department. Reinstatement fees collected under the provisions of this section shall be paid by the Commissioner into the state treasury and shall be set aside as a special fund to be used to meet the expenses of the Department.

When informed that the right to operate the motor vehicle has been denied, the driver shall drive the motor vehicle to a nearby location off the public highways and not move it or permit it to be moved until such judgment or order has been satisfied. Failure by the driver to comply with this provision shall constitute a Class 4 misdemeanor.

All costs incurred by the Commonwealth and all judgments, if any, against the Commonwealth due to action taken pursuant to this section shall be paid from the fund into which the civil penalties levied pursuant to § 46.2-613.1 are paid.

Officers of the Department of State Police and all other law-enforcement officers are vested with the same powers with respect to the enforcement of this chapter as they have with respect to the enforcement of the criminal laws of the Commonwealth.

§ 46.2-703. Reciprocal agreement with other states; assessment and collection of fees on an apportionment or allocation basis; registration of vehicles and reporting of road tax; violations; vehicle seizures; penalties.

A. Notwithstanding any other provision of this title, the Governor may, on the advice of the Department, enter into reciprocal agreements on behalf of the Commonwealth with the appropriate authorities of any state of the United States or a state or province of a country providing for the assessing and collecting of license fees for motor vehicles, tractor trucks, trucks, trailers, and semitrailers

179 on an apportionment or allocation basis, as outlined in the International Registration Plan developed by
180 the International Registration Plan, Inc.

181 The Commissioner is authorized to audit the records of any owner, lessor, or lessee to verify the
182 accuracy of any information required by any jurisdiction to determine the registration fees due. Based on
183 this audit, the Commissioner may assess any owner, lessor, or lessee for any license fees due this
184 Commonwealth, including interest and penalties as provided in this section. In addition to any other
185 penalties prescribed by law, the Commissioner or the Reciprocity Board may deny the owner, lessor, or
186 lessee the right to operate any motor vehicle on the highways in the Commonwealth until the assessment
187 has been paid.

188 Trip permit registration may be issued for any vehicle or combination of vehicles that could be
189 lawfully operated in the jurisdiction if full registration or proportional registration were obtained. The
190 fee for this permit shall be \$15 and the permit shall be valid for 10 days.

191 Any person who operates or permits the operation of any motor vehicle, trailer, or semitrailer over
192 any highway in the Commonwealth without first having paid to the Commissioner the fees prescribed
193 and payable under this section shall be guilty of a Class 2 misdemeanor. Failure to display a license
194 plate indicating that the vehicle is registered on an apportionment or allocation basis or carry a trip
195 permit, as outlined in the International Registration Plan, shall constitute prima facie evidence the
196 apportioned or allocated fee has not been paid.

197 If the Commissioner ascertains that any fees that he is authorized to assess any owner, lessor, or
198 lessee for any license year have not been assessed or have been assessed for less than the law required
199 for the year because of failure or refusal of any owner, lessor, or lessee to make his records available
200 for audit as provided herein, or if any owner, lessor, or lessee misrepresents, falsifies, or conceals any of
201 these records, the Commissioner shall determine from any information obtainable the lawful fees at the
202 rate prescribed for that year, plus a penalty of five percent and interest at the rate of six percent per
203 year, which shall be computed on the fees and penalty from the date the fees became due to the date of
204 assessment, and is authorized to make an assessment therefor against the owner, lessor, or lessee. If the
205 assessment is not paid within 30 days after its date, interest at the rate of six percent per year shall
206 accrue thereon from the date of such assessment until the fees and penalty are paid. The notice of the
207 assessment shall be forthwith sent to the owner, lessor, or lessee by registered or certified mail to the
208 address of the owner, lessor, or lessee as it appears on the records in the office of the Department. The
209 notice, when sent in accordance with these requirements, shall be sufficient regardless of whether it was
210 received.

211 If any owner, lessor, or lessee fails to pay the fees, penalty, and interest, or any portion thereof,
212 assessed pursuant to this section, in addition to any other provision of law, the Attorney General or the
213 Commissioner shall bring an appropriate action before the Circuit Court of the City of Richmond for the
214 recovery of the fees, penalty, and interest, and judgment shall be rendered for the amount found to be
215 due together with costs. If it is found that the failure to pay was willful on the part of the owner, lessor
216 or lessee, judgment shall be rendered for double the amount of the fees found to be due, plus costs.

217 B. Notwithstanding any other provision of this title or Chapter 27 (§ 58.1-2700 et seq.) of Title 58.1,
218 the Governor, on the advice of the Department, may enter into reciprocal agreements on behalf of the
219 Commonwealth with the duly authorized representatives of other jurisdictions providing for the road tax
220 registration of vehicles, establishing periodic road tax reporting and road tax payment requirements from
221 owners of such vehicles, and disbursement of funds collected due to other jurisdictions based on mileage
222 traveled and fuel used in those jurisdictions as outlined in the International Fuels Tax Agreement.

223 Notwithstanding any statute contrary to the provisions of any reciprocal agreement entered into by
224 the Governor or his duly authorized representative as authorized by this title, the provisions of the
225 reciprocal agreement shall govern and apply to all matters relating to administration and enforcement of
226 the road tax. In the event the language of any reciprocal agreement entered into by the Governor as
227 authorized by this title is later amended so that it conflicts with or is contrary to any statute, the
228 Department shall consider the amended language of the reciprocal agreement controlling and shall
229 administer and enforce the road tax in accordance with the amended language of the reciprocal
230 agreement.

231 An agreement may provide for determining the base state for motor carriers, records requirements,
232 audit procedures, exchange of information, persons eligible for tax licensing, defining qualified motor
233 vehicles, determining if bonding is required, specifying reporting requirements and periods, including
234 defining uniform penalties and interest rates for late reporting, determining methods for collecting and
235 forwarding of motor fuel taxes and penalties to another jurisdiction, and other provisions as will
236 facilitate the administration of the agreement.

237 The Governor may, as required by the terms of the agreement, forward to officers of another member
238 jurisdiction any information in the Department's possession relative to the use of motor fuels by any
239 motor carrier. The Department may disclose to officers of another state the location of offices, motor

vehicles, and other real and personal property of motor carriers.

An agreement may provide for each state to audit the records of motor carriers based in the state to determine if the road taxes due each member jurisdiction are properly reported and paid. Each member jurisdiction shall forward the findings of the audits performed on motor carriers based in the member jurisdiction to each jurisdiction in which the carrier has taxable use of motor fuels. For motor carriers not based in the Commonwealth and which have taxable use of motor fuel in the Commonwealth, the Department may serve the audit findings received from another jurisdiction, in the form of an assessment, on the carrier as though an audit had been conducted by the Department.

Any agreement entered into pursuant to this chapter does not preclude the Department from auditing the records of any motor carrier covered by the provisions of this chapter.

The Department shall not enter into any agreement that would affect the motor fuel road tax rate.

The Department may adopt and promulgate such rules, regulations, and procedures as may be necessary to effectuate and administer this title. Nothing in this title shall be construed to affect the tax rate provisions found in Chapter 27 (§ 58.1-2700 et seq.) of Title 58.1.

C. Notwithstanding any other provision in this title or Title 56, the Governor, on the advice of the Department, may participate in the single state registration system as authorized under 49 U.S.C. § 14504 and 49 C.F.R. Part 367, and the Unified Carrier Registration System authorized under 49 U.S.C. § 14504a, enacted pursuant to the Unified Carrier Registration Act of 2005, and the federal regulations promulgated thereunder.

D. Notwithstanding any other provision of this title or Title 58.1, the following violations of laws shall be punished as follows:

1. Any person who operates or causes to be operated on any highway in the Commonwealth any motor vehicle that is not in compliance with the Unified Carrier Registration System authorized under 49 U.S.C. § 14504a, enacted pursuant to the Unified Carrier Registration Act of 2005, and the federal regulations promulgated thereunder shall be guilty of a Class 4 misdemeanor.

2. Any person who operates or causes to be operated on any highway in the Commonwealth any motor vehicle that is not in compliance with Chapter 27 (§ 58.1-2700 et. seq.) of Title 58.1 or the terms and provisions of the International Fuel Tax Agreement, as amended by the International Fuel Tax Association, Inc., shall be guilty of a Class 4 misdemeanor.

3. Any person who knowingly displays or uses on any vehicle operated by him any registration, license, identification marker or other identification or credential authorized to be issued pursuant to this title, Chapter 27 (§ 58.1-2700 et. seq.) of Title 58.1, or the reciprocal agreements entered into pursuant to this chapter that has not been issued to the owner or operator thereof for such vehicle and any person who knowingly assists him to do so shall be guilty of a Class 3 misdemeanor.

E. An officer charging a violation under subsection D shall serve a citation on the operator of the vehicle in violation. Such citation shall be directed to the owner, operator or other person responsible for the violation as determined by the officer. Service of the citation on the vehicle operator shall constitute service of process upon the owner, operator, or other person charged with the violation under this article, and shall have the same legal force as if served within the Commonwealth personally upon the owner, operator, or other person charged with the violation, whether such owner, operator, or other person charged is a resident or nonresident.

F. Any police officer or size and weight compliance agent of the Commonwealth authorized to serve process may hold a motor vehicle owned or operated by a person against whom an order or penalty has been entered pursuant to this section, §§ 46.2-613.3 and 46.2-1133, the International Registration Plan, the International Fuel Tax Agreement, or the Unified Carrier Registration System authorized under 49 U.S.C. § 14504a, enacted pursuant to the Unified Carrier Registration Act of 2005, and the federal regulations promulgated thereunder, but only for such time as is reasonably necessary to promptly petition for a writ of fieri facias. The Commonwealth shall not be required to post bond in order to hold and levy upon any vehicle held pursuant to this section. Upon notification of the order, judgment, or penalty entered against the offending person and notice to such person of the failure to satisfy the order, judgment or penalty, any investigator, special agent, officer, or size and weight compliance agent of the Commonwealth shall thereafter deny the offending person the right to operate a motor vehicle or vehicles on the highways of the Commonwealth until the order, judgment, or penalty has been satisfied and a reinstatement fee of \$50 has been paid to the Department. Reinstatement fees collected under the provisions of this section shall be paid by the Commissioner into the state treasury and shall be set aside as a special fund to be used to meet the expenses of the Department.

§ 46.2-725.2. Special license plates for certain business entities with fleets of vehicles registered in the Commonwealth.

A. Notwithstanding the provisions of §§ 46.2-725 and 46.2-726, upon application by certain business entities with vehicle fleets registered in the Commonwealth, the Commissioner may develop and issue special license plates bearing the logos of such businesses in accordance with policies and procedures

established by the Commissioner for the issuance of license plates and in accordance with the following provisions:

1. Any business wishing to obtain these special license plates must (i) have a fleet of at least 100 vehicles registered in the Commonwealth, (ii) utilize one of the Department's online electronic fleet titling and registration systems to obtain title and registration documents for its vehicles, and (iii) enter into an agreement with the Department for the use of the business's logo.

2. Any business that enters into an agreement with the Department for the issuance of license plates under this section thereby waives any royalty fees to which it might otherwise be entitled for use of its logo.

3. Any initial request for license plates under this section shall be accompanied by an administrative fee as follows: (i) for 100-199 vehicles in a fleet, a fee of \$4,500; (ii) for 200-349 vehicles in a fleet, a fee of \$4,200; or (iii) for more than 349 vehicles in a fleet, a fee of \$4,000.

4. For each set of license plates issued under this section without reserved numbers or letters, the Commissioner shall charge, in addition to the prescribed fee for state license plates, a one-time fee of \$5. The fee for a replacement set of license plates issued under this section without reserved numbers or letters shall be \$5.

5. For each set of license plates issued under this section with reserved letters or numbers as provided for in § 46.2-726, in lieu of the fees prescribed by that section, the Commissioner shall charge, in addition to the prescribed fee for state license plates, a one-time fee of \$15. The fee for a replacement set of license plates issued under this section with reserved numbers or letters shall be \$15.

B. License plates may be issued under this section to vehicles of any type registered by the Department, including those registered under the International Registration Plan.

C. 1. Subsequent to the development of license plates for a business pursuant to subsection A, a business may agree to permit the use of such plates on vehicles not in the company fleet. Written authorization from the business shall be required to obtain or retain any license plates issued pursuant to this subsection. The business may withdraw any such authorization at any time.

2. Upon receipt of written authorization and an application, the Commissioner shall issue to the applicant license plates bearing the logo of the business. The annual fee for each set of license plates issued under this subsection shall be \$10 plus the prescribed fee for state license plates. For each set of license plates issued under this subsection bearing reserved numbers or letters, the annual fee shall be the same as for those issued under § 46.2-726.

3. The fee for a replacement set of license plates issued under this subsection shall be as required by § 46.2-692.

4. License plates issued under this subsection shall not be issued through one of the Department's online electronic fleet titling and registration systems.

5. The provisions of subdivisions 1 and 2 of subsection B of § 46.2-725 shall not apply to license plates issued under this subsection.
