[H 38]

Approved

Be it enacted by the General Assembly of Virginia:**1. That § 24.2-706 of the Code of Virginia is amended and reenacted as follows:**

§ 24.2-706. Duty of general registrar and electoral board on receipt of application; statement of voter. On receipt of an application for an absentee ballot, the general registrar shall enroll the name and address of each registered applicant on an absentee voter applicant list that shall be maintained in the office of the general registrar with a file of the applications of the listed applicants. The list shall be available for inspection and copying and the applications shall be available for inspection only by any registered voter during regular office hours. Upon request and for a reasonable fee, the State Board of Elections shall provide an electronic copy of the absentee voter applicant list to any political party or candidate. Such list shall be used only for campaign and political purposes. Any list made available for inspection and copying under this section shall contain the post office box address in lieu of the residence street address for any individual who has furnished at the time of registration or subsequently, in addition to his street address, a post office box address pursuant to subsection B of § 24.2-418.

No list or application containing an individual's social security number, or any part thereof, or the individual's day and month of birth, shall be made available for inspection or copying by anyone. The State Board of Elections shall prescribe procedures for local electoral boards and general registrars to make the information in the lists and applications available in a manner that does not reveal social security numbers or parts thereof, or an individual's day and month of birth.

The completion and timely delivery of an application for an absentee ballot shall be construed to be an offer by the applicant to vote in the election.

The general registrar shall note on each application received whether the applicant is or is not a registered voter and notify the secretary of the electoral board. In reviewing the application for an absentee ballot, the general registrar and electoral board shall not reject the application of any individual because of an error or omission on any record or paper relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

If the application has been properly completed and signed and the applicant is a registered voter of the precinct in which he offers to vote, the electoral board shall, at the time when the printed ballots for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate of *either first-class or expedited mailing or delivery from the United States Postal Service or other commercial delivery provider*, or deliver to him in person in the office of the secretary or registrar, the following items and nothing else:

1. An envelope containing the folded ballot, sealed and marked "Ballot within. Do not open except in presence of a witness."

2. An envelope, with printing only on the flap side, for resealing the marked ballot, on which envelope is printed the following:

"Statement of Voter."

83 registrar or the secretary may send the items set forth in subdivisions 1 through 4 to the applicant by
84 mail, obtaining a certificate of mailing.

85 If the applicant states as the reason for his absence on election day any of the reasons set forth in
86 subdivision 2 of § 24.2-700, the electoral board, at the time when the printed ballots for the election are
87 available, shall mail by the deadline set forth in § 24.2-612 or deliver in person to the applicant in the
88 office of the secretary or general registrar the items as set forth in subdivisions 1 through 4 and, if
89 necessary, an application for registration. A certificate of mailing shall not be required. The electoral
90 board, at the time when the printed ballots for the election are available, shall send by the deadline set
91 forth in § 24.2-612 the blank ballot, the form for the envelope for returning the marked ballot, and
92 instructions to the voter by electronic transmission if the voter so requests. The voted ballot shall be
93 returned to the electoral board as otherwise required by this chapter.
