

1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 *An Act to amend and reenact § 2.2-1837 of the Code of Virginia, relating to Division of Risk*
 3 *Management; risk management plans for public liability; indemnification agreements for public*
 4 *institutions of higher education.*

5 [H 764]

6 Approved

7 **Be it enacted by the General Assembly of Virginia:**8 **1. That § 2.2-1837 of the Code of Virginia is amended and reenacted as follows:**

9 § 2.2-1837. Risk management plan for public liability.

10 A. Subject to the approval of the Governor, the Division shall establish a risk management plan,
 11 which may be purchased insurance, self-insurance or a combination of self-insurance and purchased
 12 insurance to provide:

13 1. Protection against liability imposed by law for damages resulting from any claim:

14 a. Made against any state department, agency, institution, board, commission, officer, agent, or
 15 employee for acts or omissions of any nature while acting in an authorized governmental or proprietary
 16 capacity and in the course and scope of employment or authorization;

17 b. Made against participants, other than professional counsel, in student disciplinary proceedings at
 18 public institutions of higher education for nonmalicious acts or omissions of any nature in the course
 19 and scope of participation in the proceedings; or

20 c. Resulting from an authorized indemnification agreement entered into by a Virginia public
 21 institution of higher education; *which agreements the institutions in accordance with this subsection.*

22 A *Virginia public institution of higher education* may execute *an indemnification agreement* if the
 23 Governor (i) considers in advance of execution (a) the institution's analysis of the relevant public benefit
 24 and risk of liability, (b) the Division's charge to be assessed against the institution for providing
 25 insurance or self-insurance coverage for the claims resulting from the indemnification agreement, and (c)
 26 the Office of the Attorney General's comments; and (ii) determines that execution is necessary to further
 27 the public's best interests.

28 The indemnification agreement shall limit the institution's total liability to a stated dollar amount and
 29 shall notify the contractor that the full faith and credit of the Commonwealth are not pledged or
 30 committed to payment of the institution's obligation under the agreement. *However, no such institution*
31 shall be authorized to enter into an indemnification agreement in accordance with this subsection to
32 indemnify any person or entity against damages arising from a sponsored project conducted by such
33 institution. For the purposes of this section, a "sponsored project" is a research, instruction, or service
34 project conducted at a Virginia public institution of higher education pursuant to a grant, cooperative
35 agreement, or other contract;

36 2. Protection against tort liability and incidental medical payments arising out of the ownership,
 37 maintenance or use of buildings, grounds or properties owned or leased by the Commonwealth or used
 38 by state employees or other authorized persons in the course of their employment;

39 3. For the payment of *attorneys' attorney fees* and expenses incurred in defending such persons and
 40 entities concerning any claim that (i) arises from their governmental employment or authorization, that
 41 (ii) arises from their participation in such student disciplinary proceedings, or (iii) is described in any
 42 such indemnification agreement, where the Division is informed by the Attorney General's office that it
 43 will not provide a defense due to a conflict or other appropriate reason; and

44 4. For the payment of *attorney's attorney fees* and expenses awarded to any individual or entity
 45 against the Commonwealth, or any department, agency, institution, board, commission, officer, agent, or
 46 employee of the Commonwealth for acts or omissions of any nature while acting in an authorized
 47 governmental or proprietary capacity, or in reliance upon any constitutional provision, or law of the
 48 Commonwealth. It is the obligation of the Division to provide for such indemnification regardless of
 49 whether there is a request for or an award of damages associated with the award of such fees and
 50 expenses.

51 a. As a condition of coverage for the payment of *attorney's attorney fees* and expenses, the
 52 department, agency, institution, board, commission, officer, agent, or employee of the Commonwealth
 53 shall (i) promptly notify the Division of the commencement of any claim, suit, action or other
 54 proceeding prior to its settlement, (ii) provide the Division with full nonprivileged information on the
 55 matter as requested, and (iii) permit the Division to participate in the investigation of such claim, suit,
 56 action or other proceeding. Failure to promptly notify the Division or to reasonably cooperate may, at

HB764ER

57 the Division's discretion, result in no payment or a reduced payment being made.

58 b. The Division shall set the premium and administrative costs to be paid to it for providing payment
59 of attorney fees and expenses awarded pursuant to this section. The premiums and administrative costs
60 set by the Division shall be payable in the amounts, at the time and in the manner that the Division in
61 its sole discretion requires. Premiums and administrative costs shall be set to best ensure the financial
62 stability of the plan.

63 B. Any risk management plan established pursuant to this section shall provide for the establishment
64 of a trust fund or contribution to the State Insurance Reserve Trust Fund for the payment of claims
65 covered under the plan. The funds shall be invested as provided in § 2.2-1806 and interest shall be
66 added to the fund as earned. The trust fund shall also provide for payment of administrative costs,
67 contractual costs, and other expenses related to the administration of such plan.

68 C. The risk management plan for public liability shall be submitted to the Governor for approval
69 prior to implementation.

70 D. The risk management plan established pursuant to this section shall provide protection against
71 professional liability imposed by law as provided in § 24.2-121, resulting from any claim made against a
72 local electoral board, any of its members, any general registrar, or any employee of or paid assistant to a
73 registrar for acts or omissions of any nature while acting in an authorized governmental or proprietary
74 capacity and in the course and scope of employment or authorization, regardless of whether or not the
75 civil action requests monetary damages, subject to the limitations of the risk management plan.

76 E. The risk management plan established pursuant to this section shall provide protection against any
77 claim made against any soil and water conservation district, director, officer, agent or employee thereof,
78 (i) arising out of the ownership, maintenance or use of buildings, grounds or properties owned, leased or
79 maintained by any such district or used by district employees or other authorized persons in the course
80 of their employment; or (ii) arising out of acts or omissions of any nature while acting in an authorized
81 governmental or proprietary capacity and in the course and scope of employment or authorization.

82 F. The risk management plan established pursuant to this section shall provide protection against
83 professional liability imposed by law for damages resulting from any claim made against a local school
84 board selection commission or local school board selection commission members for acts or omissions
85 of any nature while acting in an authorized governmental or proprietary capacity and in the course and
86 scope of authorization, subject to the limitations of the risk management plan.

87 G. The risk management plan established pursuant to this section shall provide coverage for any
88 matter that involves or could involve an action or proceeding against a judge, the nature of which is
89 designed to determine whether discipline or other sanction of the judge for malfeasance or misfeasance
90 is appropriate or to otherwise determine the fitness of the judge to hold office or to continue his
91 employment. No coverage or indemnification shall be made pursuant to this subsection when the
92 Supreme Court of Virginia finds that the judge should be censured or removed from office pursuant to
93 Section 10 of Article VI of the Constitution of Virginia or statutes enacted pursuant thereto.

94 H. The risk management plan established pursuant to this section shall provide protection against
95 claims made against chaplains by persons incarcerated in a state correctional facility, a juvenile
96 correctional center, or a facility operated pursuant to the Corrections Private Management Act
97 (§ 53.1-261 et seq.) arising out of services provided by the chaplains to such incarcerated persons,
98 regardless of whether such services were provided on a volunteer basis or for compensation. For the
99 purposes of this subsection, chaplains shall include only those persons, who, at the time any claim may
100 arise, were acting pursuant to, and in compliance with, an agreement between the chaplain or an
101 organization to which the chaplain belongs, and the Department of Corrections, the Department of
102 Juvenile Justice, or an operator of a facility operated pursuant to the Corrections Private Management
103 Act.
