2. **Bill Number** HB 1148

3. **Committee** Passed by House and Senate

House of Origin:

☐ Introduced

☐ Substitute

☐ Engrossed

4. **Title** Tangible Personal Property Tax; Separate
Classification for Vehicles Owned or Leased
by Volunteer Deputy Sheriffs

Second House:

☐ In Committee

☐ Substitute

☒ Enrolled

5. **Summary/Purpose:**

This bill would allow motor vehicles owned or leased by volunteer deputy sheriffs to be separately classified for purposes of the Tangible Personal Property Tax. Localities would be permitted to tax such property at a rate not to exceed the rate applicable to the general class of tangible personal property.

Under current law, motor vehicles owned or leased by persons who serve as auxiliary, reserve, or special deputy sheriffs are separately classified for purposes of the Tangible Personal Property Tax, and may be taxed at a lower rate than that of the general class of tangible personal property.

This bill would be effective for tax years beginning on or after January 1, 2013.

6. **Budget amendment necessary:** No.

7. **Fiscal Impact Estimates are:** Not available. (See Line 8.)

8. **Fiscal implications:**

This bill would have no impact on state revenues. To the extent that a locality has reduced its tax rate for deputy sheriffs and would need to include volunteer sheriffs in the classification, this bill would result in a decrease in local tax revenues.

9. **Specific agency or political subdivisions affected:**

All localities

10. **Technical amendment necessary:** No.

Background

Currently, there are forty-one categories of property that are separately classified for purposes of the Tangible Personal Property Tax, thirty-six of which can be taxed at a rate not to exceed the general rate imposed on tangible personal property, four of which can be taxed at a rate not to exceed the general rate imposed on machinery and tools, and one that may be taxed at a rate equal to the general rate imposed on real property. Under current law, there are 16 different classifications of tangible personal property for motor vehicles for rate purposes. Motor vehicles owned or leased by persons who serve as auxiliary, reserve, or special deputy sheriffs are included among the list of vehicles that are separately classified, and that can be taxed at a rate not to exceed the general rate imposed on tangible personal property.

Proposal

This bill would allow motor vehicles owned or leased by volunteer deputy sheriffs to be separately classified for purposes of the Tangible Personal Property Tax. Localities would be permitted to tax such property at a rate not to exceed the rate applicable to the general class of tangible personal property.

This bill would be effective for tax years beginning on or after January 1, 2013.

Similar Legislation

Senate Bill 534 is identical to this bill.

House Bill 743 would add motor vehicles that are used exclusively for agricultural purposes, for which the owner is not required to obtain a registration certificate, license plate, and decal or pay a registration fee; and trucks or tractor trucks that are exclusively used by farmers in their farming operations to transport farm animals or other farm products to the list of farm property that a locality may exempt or tax at a different rate than that applicable to the general class of tangible personal property.
