Any increase in jail population will increase costs to the state. The Commonwealth presently pays the localities \$4.00 a day for each misdemeanant or otherwise local responsible prisoner held in a jail. It also funds most of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's FY 2010 Jail Cost Report (November 1, 2011), the estimated total state support for local and regional jails averaged \$29.98 per state inmate, per day in FY 2010.

9. Specific Agency or Political Subdivisions Affected: Virginia Marine Resources Commission; state and local courts, jails, correctional facilities.
