5. Summary: This bill changes the expiration date of a boat registration from the first day of the month in which the registration was issued to the last day of the month. Currently, boat registrations are valid for three years and expire three years on the first day of the month in which the registration was issued.

6. Budget Amendment Necessary: No.

7. No Fiscal Impact. See item 8.

8. Fiscal Implications: It is anticipated that this bill will have no fiscal impact. According to the Department of Game and Inland Fisheries, the agency may incur some information technology programming expenses, although the extent of these expenses is indeterminate at this time. This bill may also result in a delay in collection of revenue from re-registration of boats, as the expiration would now be at the end of the month rather than the beginning of the month; however, this impact is negligible.

9. Specific Agency or Political Subdivisions Affected: Department of Game and Inland Fisheries.

10. Technical Amendment Necessary: No.
