4. Title: Creation of new regulatory program; study by the Board for Professional and Occupational Regulation.

5. Summary: This legislation provides that any bill that would result in the creation of a new regulatory program or a change in the level of regulation of a profession or occupation shall not be considered in any session of the General Assembly unless the bill contains subsequent enactment clauses that (i) require the Board for Professional and Occupational Regulation (the Board) to determine the need for the new regulatory program or change in the level of regulation and (ii) provide that the bill shall not become effective unless reenacted by the next legislative session immediately following the legislative session in which the bill was first enacted. The Board is required to submit a report of its findings to the chairmen of the standing committees having subject matter jurisdiction on or before December 1 of the year in which the bill was first enacted. The provisions of this proposed bill only apply to a new regulatory program or a change in the level of regulation of a profession or occupation for which the Department of Professional and Occupational Regulation or a regulatory board within the department is or would be responsible.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: No fiscal impact. See item 8.

8. Fiscal Implications: It is anticipated that the Department of Professional and Occupation Regulation will be able to absorb any changes in workload associated with this proposed legislation.

9. Specific Agency or Political Subdivisions Affected: Department of Professional and Occupation Regulation.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
