3. Committee: House Privileges and Elections

4. Title: House of Delegates Districts; technical adjustment.

5. Summary: HB 907 changes district assignments of certain census blocks between Districts 10 and 33 in Clarke County in order to eliminate a split of a new precinct. District 10 will have a deviation of 1.1 percent from the ideal district population.

6. Budget Amendment Necessary: No, see Item 8.

7. Fiscal Impact Estimates: See Item 8.

8. Fiscal Implications: Staff at the State Board of Elections report that the typical bill making technical adjustments to a single district would have a cost up to \$5,000 for re-issuing voter registration cards. The agency reports it can absorb the cost with the existing allocation for redistricting costs. However, there are currently five House and Senate bills amending 15 districts with a cumulative effect of about \$75,000. If several of the bills become law, the agency indicates it would need a budget amendment to cover the costs.

9. Specific Agency or Political Subdivisions Affected: State Board of Elections, local election districts.

10. Technical Amendment Necessary: No

11. Other Comments: None
