4. Title: Senate Districts; technical adjustments.

5. Summary: SB 636 makes technical changes in Senate Districts 1, 2, 3, 4, 10, 13, 14, 15, 16, 17, 18, 19, 20, 21, 23, 25, 28, 29, 30, 33, 36, 37, and 39 in order to eliminate split voting precincts and otherwise facilitate administration of legislative elections by local officials. All districts remain within two percent deviation of the ideal population.

6. Budget Amendment Necessary: No, see Item 8.

7. Fiscal Impact Estimates: Tentative, see Item 8.

8. Fiscal Implications: Staff at the State Board of Elections report that the typical bill making technical adjustments to a single district would have a cost up to \$5,000 for re-issuing voter registration cards. The agency reports it can absorb the cost with the existing allocation for redistricting costs. However, there are currently eight House and Senate bills amending 33 districts with a cumulative effect of about \$133,000. If several of the bills become law, the agency indicates it would need a budget amendment to cover the costs.

9. Specific Agency or Political Subdivisions Affected: State Board of Elections, local election districts.

10. Technical Amendment Necessary: No

11. Other Comments: Live bills making adjustments to districts at this time are: HB 808, HB 838, HB 907, SB 490, SB 491, SB600, SB 635, and SB 636
