H. If any part, section, subsection, paragraph, clause, or phrase of this Item or the application thereof is declared by the United States Department of Health and Human Services or the Centers for Medicare and Medicaid Services to be in conflict with a federal law or regulation, such decisions shall not affect the validity of the remaining portions of this Item, which shall remain in force as if this Item had passed without the conflicting part, section, subsection, paragraph, clause, or phrase. The department shall have authority to promulgate emergency regulations to implement this amendment effective July 1, 2010.
