Any statements made by any voter applying for transfer are subject to felony penalties for making a false statement pursuant to § 24.2-1016.

B. If the voter has moved within the same county or city, on receipt of the notification, the general registrar for that county or city shall (i) enter the new address on the registration record; (ii) if satisfied that the registered voter has moved into another precinct within the same county or city, transfer the registration of the voter to that precinct; and (iii) issue the voter a new voter registration card. C. Any request for transfer or change of address within the Commonwealth delivered to any registrar shall be forwarded to the general registrar for the city or county in the Commonwealth where the voter now resides. In this instance only, the registrar of the locality in which the voter now resides shall copy the voter's record from the Virginia voter registration system and use that record in lieu of the original voter registration application. Any complete voter registration application on a form previously authorized for use in Virginia shall be valid for the purposes of continuing or transferring a voter's registration within the Commonwealth.
