§ 22.1-212.2:4. STEM Summer Learning Center Fund established.

A. *There is hereby created in the state treasury a special nonreverting fund to be known as the STEM Summer Learning Center Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. All funds as may be appropriated for this purpose and any gifts, donations, grants, bequests, and other funds as may be received on its behalf shall be paid into the state treasury and credited to the Fund. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Superintendent of Public Instruction.*

B. *Moneys in the Fund shall be used solely for the purpose of awarding grants on a competitive basis to any local school division in the Commonwealth to establish science, technology, engineering, and mathematics (STEM) Summer Learning Centers to provide professional development to public high school teachers in STEM education and project-based learning so that such teachers may implement STEM summer workshops to engage students in hands-on, project-based learning in science, technology, engineering, and mathematics.*

C. *The Board of Education shall establish criteria for making distributions from the Fund and may issue guidelines governing the Fund as it deems necessary and appropriate.*
