C. Every applicant intending to drive a motorcycle, when applying for a classification to authorize the driving of a motorcycle, shall submit to and pass the examination provided for in § 46.2-337. A classification on any license to drive a motorcycle shall indicate that the license is classified for the purpose of authorizing the licensee to drive only motorcycles. However, if the applicant has a valid license at the time of application for a classification to drive a motorcycle, or if the applicant, at the time of such application, applies for a regular driver's license and submits to and passes the examination provided for in § 46.2-325, he shall be granted a classification on his license to drive motorcycles in addition to any other vehicles his driver's license or commercial driver's license may authorize him to operate.

A valid Virginia driver's license issued to a person 19 years of age or older shall constitute a driver's license with a temporary motorcycle classification for the purposes of driving a motorcycle if the driver's license is accompanied by either (i) documentation verifying his successful completion of a motorcycle rider safety training course offered by a provider licensed under Article 23 (§ 46.2-1188 et seq.) of Chapter 10 shall constitute a driver's license with a temporary motorcycle classification for the purposes of driving a motorcycle or (ii) documentation that the license holder is a member, the spouse of a member, or a dependent of a member of the United States Armed Services and that the license holder has successfully completed a basic motorcycle rider course approved by the United States Armed Services. Any person who holds a valid Virginia driver's license and is a member, the spouse of a member, or a dependent of a member of the United States Armed Services shall be issued a motorcycle classification by mail upon documentation of (i) (a) successful completion of a basic motorcycle rider course approved by the United States Armed Services and (ii) (b) documentation of his assignment outside the Commonwealth.

**§ 46.2-337. Examination and road test required for license to operate motorcycle; regulations.**

No person shall drive any motorcycle on a highway in the Commonwealth unless he has passed a special examination, including written material and a road test, pertaining to his ability to drive a motorcycle with reasonable competence and with safety to other persons using the highways. The Department shall adopt regulations as may be necessary to provide for the special examination under § 46.2-325 of persons desiring to qualify to drive motorcycles in the Commonwealth and for the granting of licenses or permits suitably endorsed for qualified applicants.

No person applying for a classification to authorize the driving of a motorcycle who fails the road test portion of the special examination two times shall be eligible for such classification until he successfully completes a motorcycle rider safety training course offered by a provider licensed under Article 23 (§ 46.2-1188 et seq.) of Chapter 10.

If the Commissioner is satisfied that a person intending to operate a motorcycle has demonstrated the same proficiency as required by the special examination through successful completion of a motorcycle rider safety training course offered by a provider licensed under Article 23 (§ 46.2-1188 et seq.) of Chapter 10, he may waive the written material or road test portion or both portions of the special examination. *The Commissioner may also waive the written material or road test portion or both portions of the special examination if the person intending to operate a motorcycle holds a valid Virginia driver's license and is a member, the spouse of a member, or a dependent of a member of the United States Armed Services, and the license holder has successfully completed a basic motorcycle rider course approved by the United States Armed Services.*

**§ 46.2-646.1. Deactivation and reactivation of registration; fees.**

A. *The owner of a motor vehicle that has been registered in the Commonwealth may apply to the Commissioner to deactivate the registration of such vehicle. The owner of a motor vehicle who has voluntarily deactivated the vehicle's registration pursuant to this section shall not be required, with respect to such vehicle, to carry bodily injury liability insurance or property damage insurance, or to pay the uninsured motor vehicle fee as provided under § 46.2-706.*

*It shall be unlawful to operate any motor vehicle whose registration has been deactivated on any highway in the Commonwealth.*

B. *Any person having a motor vehicle for which registration has been deactivated under subsection A may apply to the Commissioner to reactivate the registration of such vehicle. Every applicant for reactivation of registration shall furnish the Commissioner with such evidence as is required under § 46.2-649 and shall either (i) execute and furnish to the Commissioner his certificate that the motor vehicle for which registration is to be reactivated is an insured motor vehicle as defined in § 46.2-705, or that the Commissioner has issued to its owner, in accordance with § 46.2-368, a certificate of self-insurance applicable to the vehicle or (ii) pay the uninsured motor vehicle fee required by § 46.2-706, which shall be disposed of as provided by § 46.2-710. The fee to be paid to the Department for the reactivation of a motor vehicle's registration shall be \$10 unless the vehicle's registration has expired or the vehicle is registered under the International Registration Plan.*

**§ 46.2-707. Operating uninsured motor vehicle without payment of fee; verification of insurance; false evidence of insurance.**

Any person who owns an uninsured motor vehicle (i) licensed in the Commonwealth, (ii) subject to registration in the Commonwealth, or (iii) displaying temporary license plates provided for in § 46.2-1558 who operates or permits the operation of that motor vehicle without first having paid to the Commissioner the uninsured motor vehicle fee required by § 46.2-706, to be disposed of as provided by § 46.2-710, shall be guilty of a Class 3 misdemeanor.

Any person who is the operator of such an uninsured motor vehicle and not the titled owner, who knows that the required fee has not been paid to the Commissioner, shall be guilty of a Class 3 misdemeanor.

The Commissioner or his duly authorized agent, having reason to believe that a motor vehicle is being operated or has been operated on any specified date, may require the owner of such motor vehicle to verify insurance in a method prescribed by the Commissioner as provided for by § 46.2-706. The refusal or neglect of the owner who has not, prior to the date of operation, paid the uninsured motor vehicle fee required by § 46.2-706 as to such motor vehicle, to provide such verification shall be prima facie evidence that the motor vehicle was an uninsured motor vehicle at the time of such operation.

Any person who falsely verifies insurance to the Commissioner or gives false evidence that a motor vehicle sought to be registered is an insured motor vehicle, shall be guilty of a Class 3 misdemeanor.

However, the foregoing portions of this section shall not be applicable if it is established that the owner had good cause to believe and did believe that such motor vehicle was an insured motor vehicle, in which event the provisions of § 46.2-609 shall be applicable.

Any person who owns an uninsured motor vehicle (i) licensed in the Commonwealth, (ii) subject to registration in the Commonwealth, or (iii) displaying temporary license plates provided for in § 46.2-1558, and who has not paid the uninsured motor vehicle fee required by § 46.2-706, shall immediately surrender the vehicle's license plates to the Department, *unless the vehicle's registration has been deactivated as provided by § 46.2-646.1*. Any person who fails to immediately surrender his vehicle's license plates ~~shall be as required by this section~~ is guilty of a Class 3 misdemeanor.

Abstracts of records of conviction, as defined in this title, of any violation of any of the provisions of this section shall be forwarded to the Commissioner as prescribed by § 46.2-383.

The Commissioner shall suspend the driver's license and all registration certificates and license plates of any titled owner of an uninsured motor vehicle upon receiving a record of his conviction of a violation of any provisions of this section, and he shall not thereafter reissue the driver's license and the registration certificates and license plates issued in the name of such person until such person pays the fee applicable to the registration of an uninsured motor vehicle as prescribed in § 46.2-706 and furnishes proof of future financial responsibility as prescribed by Article 15 (§ 46.2-435 et seq.) of Chapter 3 of this title. However, when three years have elapsed from the date of the suspension herein required, the Commissioner may relieve such person of the requirement of furnishing proof of future financial responsibility. When such suspension results from a conviction for presenting or causing to be presented to the Commissioner false verification as to whether a motor vehicle is an insured motor vehicle or false evidence that any motor vehicle sought to be registered is insured, then the Commissioner shall not thereafter reissue the driver's license and the registration certificates and license plates issued in the name of such person so convicted for a period of 180 days from the date of such order of suspension, and only then when all other provisions of law have been complied with by such person.

The Commissioner shall suspend the driver's license of any person who is the operator but not the titled owner of a motor vehicle upon receiving a record of his conviction of a violation of any provisions of this section and he shall not thereafter reissue the driver's license until thirty days from the date of such order of suspension.

**§ 46.2-752.1. One-time, one-month registration extension to allow for satisfaction of requirements of counties, cities, and towns.**

A. On request of an applicant, the Commissioner may grant a one-month extension of the registration period of a vehicle if the vehicle registration has been withheld pursuant to § 46.2-752 and the current registration period will expire within the calendar month. No extension may be granted for an expired vehicle registration and only one extension may be granted for any one vehicle registration period.

For each extension granted, the Commissioner shall collect (i) a \$10 administrative fee and (ii) a fee sufficient for a one-month registration period for the vehicle, as calculated under subsection B of § 46.2-694. *Neither fee shall apply, however, if the applicant has been granted an extension under § 46.2-1183.1 with respect to the same registration period and has paid the fees pursuant to that section.*

On receipt of such fees, the Commissioner shall issue a registration card and, if applicable, decals indicating the month of expiration of the vehicle registration. Upon satisfaction of the requirements of § 46.2-752, the applicant may elect to renew the vehicle registration. For such renewal, the Commissioner shall collect the appropriate registration renewal fee and issue a registration card and, if applicable, decals. The renewal shall take effect the first day succeeding the month in which the registration extension expires. When offered by the Commissioner, the applicant may elect to renew the vehicle registration for multiple years, pursuant to § 46.2-646.

B. All administrative fees imposed and collected by the Commissioner under this section shall be paid into the state treasury and set aside as a special fund to be used to meet the expenses of the Department.
