The Department may require such commercial driver's license applicant to take a road test administered by the Department before determining whether to grant a waiver. If a waiver is granted, the Department may subject the applicant's use of a commercial motor vehicle to reasonable restrictions, which shall be noted on the commercial driver's license. If a waiver is granted, the Department may also limit the validity period of the commercial driver's license, and the expiration date shall be noted on the commercial driver's license.
