manner in effect immediately before the effective date of Chapter 22, computed without regard to increases in the rates of taxes under Chapter 22 pursuant to enactments of the 2007 Session of the General Assembly. The portion to be deposited to the Fund shall be the moneys actually collected from such increase in revenues and allocated for highway and mass transit improvement projects as set forth in § 33.1-23.03:2, but not including any amounts that are allocated to the Commonwealth Port Fund and the Commonwealth Airport Fund under such section. There shall also be deposited into the Fund all additional federal revenues attributable to Chapter 22 (§ 58.1-2200 et seq.) of Title 58.1;

Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes enumerated in subsection B of this section. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller.

B. Notwithstanding the definitions in subsection A, to the extent that conformity to any remote collection authority legislation enacted by the Congress of the United States shall so require, the words and terms used in this chapter related to the minimum simplification requirements shall have the same meaning as provided in such federal legislation.

§ 58.1-604. Imposition of use tax.

There is hereby levied and imposed, in addition to all other taxes and fees now imposed by law, a tax upon the use or consumption of tangible personal property in this Commonwealth, or the storage of

429 such property outside the Commonwealth for use or consumption in this Commonwealth, in the amount
430 of three and one-half percent through midnight on July 31, 2004, and four percent beginning on and
431 after August 1, 2004:

432 1. Of the cost price of each item or article of tangible personal property used or consumed in this
433 Commonwealth. Tangible personal property ~~which~~ *that* has been acquired for use outside this
434 Commonwealth and subsequently becomes subject to the tax imposed hereunder shall be taxed on the
435 basis of its cost price if such property is brought within this Commonwealth for use within six months
436 of its acquisition; but if so brought within this Commonwealth six months or more after its acquisition,
437 such property shall be taxed on the basis of the current market value (but not in excess of its cost price)
438 of such property at the time of its first use within this Commonwealth. Such tax shall be based on such
439 proportion of the cost price or current market value as the duration of time of use within this
440 Commonwealth bears to the total useful life of such property (but it shall be presumed in all cases that
441 such property will remain within this Commonwealth for the remainder of its useful life unless
442 convincing evidence is provided to the contrary).

443 2. Of the cost price of each item or article of tangible personal property stored outside this
444 Commonwealth for use or consumption in this Commonwealth.

445 3. A transaction taxed under § 58.1-603 shall not also be taxed under this section, nor shall the same
446 transaction be taxed more than once under either section.

447 4. The use tax shall not apply with respect to the use of any article of tangible personal property
448 brought into this Commonwealth by a nonresident individual, visiting in Virginia, for his personal use,
449 while within this Commonwealth.

450 5. The use tax shall not apply to out-of-state mail order catalog purchases totaling \$100 or less
451 during any calendar year.

452 **§ 58.1-605. To what extent and under what conditions cities and counties may levy local sales**
453 **taxes; collection thereof by Commonwealth and return of revenue to each city or county entitled**
454 **thereto.**

455 A. No county, city or town shall impose any local general sales or use tax or any local general retail
456 sales or use tax except as authorized by this section.

457 B. The council of any city and the governing body of any county may levy a general retail sales tax
458 at the rate of one percent to provide revenue for the general fund of such city or county. Such tax shall
459 be added to the rate of the state sales tax imposed by §§ 58.1-603 and 58.1-604 and shall be subject to
460 all the provisions of this chapter and the rules and regulations published with respect thereto. No
461 discount under § 58.1-622 shall be allowed on a local sales tax.

462 C. The council of any city and the governing body of any county desiring to impose a local sales tax
463 under this section may do so by the adoption of an ordinance stating its purpose and referring to this
464 section, and providing that such ordinance shall be effective on the first day of a month at least 60 days
465 after its adoption. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so
466 that it will be received within five days after its adoption.

467 D. *Prior to any change in the rate of the local sales and use tax, the Tax Commissioner shall*
468 *provide remote sellers and single and consolidated providers with at least 30 days' notice. Any change*
469 *in the rate of local sales and use tax shall only become effective on the first day of a calendar quarter.*
470 *Failure to provide notice pursuant to this section shall require the Commonwealth and the locality to*
471 *hold the remote seller or single or consolidated provider harmless for collecting the tax at the*
472 *immediately preceding effective rate for any period of time prior to 30 days after notification is*
473 *provided.*

474 E. Any local sales tax levied under this section shall be administered and collected by the Tax
475 Commissioner in the same manner and subject to the same penalties as provided for the state sales tax.

476 ~~E. F.~~ All local sales tax moneys collected by the Tax Commissioner under this section shall be paid
477 into the state treasury to the credit of a special fund which is hereby created on the Comptroller's books
478 under the name "Collections of Local Sales Taxes." Such local sales tax moneys shall be credited to the
479 account of each particular city or county levying a local sales tax under this section. The basis of such
480 credit shall be the city or county in which the sales were made as shown by the records of the
481 Department and certified by it monthly to the Comptroller, namely, the city or county of location of
482 each place of business of every dealer paying the tax to the Commonwealth without regard to the city or
483 county of possible use by the purchasers. If a dealer has any place of business located in more than one
484 political subdivision by reason of the boundary line or lines passing through such place of business, the
485 amount of sales tax paid by such a dealer with respect to such place of business shall be treated for the
486 purposes of this section as follows: one-half shall be assignable to each political subdivision where two
487 are involved, one-third where three are involved, and one-fourth where four are involved.

488 ~~F. G.~~ As soon as practicable after the local sales tax moneys have been paid into the state treasury in
489 any month for the preceding month, the Comptroller shall draw his warrant on the Treasurer of Virginia
490 in the proper amount in favor of each city or county entitled to the monthly return of its local sales tax

money, and such payments shall be charged to the account of each such city or county under the special fund created by this section. If errors are made in any such payment, or adjustments are otherwise necessary, whether attributable to refunds to taxpayers, or to some other fact, the errors shall be corrected and adjustments made in the payments for the next two months as follows: one-half of the total adjustment shall be included in the payments for the next two months. In addition, the payment shall include a refund of amounts erroneously not paid to the city or county and not previously refunded during the three years preceding the discovery of the error. A correction and adjustment in payments described in this subsection due to the misallocation of funds by the dealer shall be made within three years of the date of the payment error.

~~G.~~ *H.* Such payments to counties are subject to the qualification that in any county wherein is situated any incorporated town constituting a special school district and operated as a separate school district under a town school board of three members appointed by the town council, the county treasurer shall pay into the town treasury for general governmental purposes the proper proportionate amount received by him in the ratio that the school age population of such town bears to the school age population of the entire county. If the school age population of any town constituting a separate school district is increased by the annexation of territory since the last estimate of school age population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such estimate and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.

H. *I.* One-half of such payments to counties are subject to the further qualification, other than as set out in subsection ~~G~~ *above H*, that in any county wherein is situated any incorporated town not constituting a separate special school district which has complied with its charter provisions providing for the election of its council and mayor for a period of at least four years immediately prior to the adoption of the sales tax ordinance, the county treasurer shall pay into the town treasury of each such town for general governmental purposes the proper proportionate amount received by him in the ratio that the school age population of each such town bears to the school age population of the entire county, based on the latest estimate provided by the Weldon Cooper Center for Public Service. The preceding requirement pertaining to the time interval between compliance with election provisions and adoption of the sales tax ordinance shall not apply to a tier-city. If the school age population of any such town not constituting a separate special school district is increased by the annexation of territory or otherwise since the last estimate of school age population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such estimate and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.

~~F.~~ *J.* Notwithstanding the provisions of subsection ~~H~~ *I*, the board of supervisors of a county may, in its discretion, appropriate funds to any incorporated town not constituting a separate school district within such county which has not complied with the provisions of its charter relating to the elections of its council and mayor, an amount not to exceed the amount it would have received from the tax imposed by this chapter if such election had been held.

~~J.~~ *K.* It is further provided that if any incorporated town which would otherwise be eligible to receive funds from the county treasurer under subsection ~~G~~ *or H* ~~of this section~~ *or I* be located in a county which does not levy a general retail sales tax under the provisions of this law, such town may levy a general retail sales tax at the rate of one percent to provide revenue for the general fund of the town, subject to all the provisions of this section generally applicable to cities and counties. Any tax levied under the authority of this subsection shall in no case continue to be levied on or after the effective date of a county ordinance imposing a general retail sales tax in the county within which such town is located.

§ 58.1-606. To what extent and under what conditions cities and counties may levy local use tax; collection thereof by Commonwealth and return of revenues to the cities and counties.

A. The council of any city and the governing body of any county which has levied or may hereafter levy a city or county sales tax under § 58.1-605 may levy a city or county use tax at the rate of one percent to provide revenue for the general fund of such city or county. Such tax shall be added to the rate of the state use tax imposed by this chapter and shall be subject to all the provisions of this chapter, and all amendments thereof, and the rules and regulations published with respect thereto, except that no discount under § 58.1-622 shall be allowed on a local use tax.

B. The council of any city and the governing body of any county desiring to impose a local use tax under this section may do so in the manner following:

1. If the city or county has previously imposed the local sales tax authorized by § 58.1-605, the local use tax may be imposed by the council or governing body by the adoption of a resolution by a majority of all the members thereof, by a recorded yea and nay vote, stating its purpose and referring to this

section, and providing that the local use tax shall become effective on the first day of a month at least 60 days after the adoption of the resolution. A certified copy of such resolution shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption. The resolution authorized by this paragraph may be adopted in the manner stated notwithstanding any other provision of law, including any charter provision.

2. If the city or county has not imposed the local sales tax authorized by § 58.1-605, the local use tax may be imposed by ordinance together with the local sales tax in the manner set out in subsections B and C of § 58.1-605.

C. Any local use tax levied under this section shall be administered and collected by the Tax Commissioner in the same manner and subject to the same penalties as provided for the state use tax.

D. Prior to any change in the rate of the local sales and use tax, the Tax Commissioner shall provide remote sellers and single and consolidated providers with at least 30 days' notice. Any change in the rate of local sales and use tax shall only become effective on the first day of a calendar quarter. Failure to provide notice pursuant to this section shall require the Commonwealth and the locality to hold the remote seller or single or consolidated provider harmless for collecting the tax at the immediately preceding effective rate for any period of time prior to 30 days after notification is provided.

E. The local use tax authorized by this section shall not apply to transactions to which the sales tax applies, the situs of which for state and local sales tax purposes is the city or county of location of each place of business of every dealer paying the tax to the Commonwealth without regard to the city or county of possible use by the purchasers. However, the local use tax authorized by this section shall apply to tangible personal property purchased without this Commonwealth for use or consumption within the city or county imposing the local use tax, or stored within the city or county for use or consumption, where the property would have been subject to the sales tax if it had been purchased within this Commonwealth. The local use tax shall also apply to leases or rentals of tangible personal property where the place of business of the lessor is without this Commonwealth and such leases or rentals are subject to the state tax. Moreover, the local use tax shall apply in all cases in which the state use tax applies.

F. Out-of-state dealers who hold certificates of registration to collect the use tax from their customers for remittance to this Commonwealth shall, to the extent reasonably practicable, in filing their monthly use tax returns with the Tax Commissioner, break down their shipments into this Commonwealth by cities and counties so as to show the city or county of destination. If, however, the out-of-state dealer is unable accurately to assign any shipment to a particular city or county, the local use tax on the tangible personal property involved shall be remitted to the Commonwealth by such dealer without attempting to assign the shipment to any city or county.

G. Local use tax revenue shall be distributed among the cities and counties for which it is collected, respectively, as shown by the records of the Department, and the procedure shall be the same as that prescribed for distribution of local sales tax revenue under § 58.1-605. The local use tax revenue that is not accurately assignable to a particular city or county shall be distributed monthly by the appropriate state authorities among the cities and counties in this Commonwealth imposing the local use tax upon the basis of taxable retail sales in the respective cities and counties in which the local sales and use tax was in effect in the taxable month involved, as shown by the records of the Department, and computed with respect to taxable retail sales as reflected by the amounts of the local sales tax revenue distributed among such cities and counties, respectively, in the month of distribution. Notwithstanding any other provision of this section, the Tax Commissioner shall develop a uniform method to distribute local use tax. Any significant changes to the method of local use tax distribution shall be phased in over a five-year period. Distribution information shall be shared with the affected localities prior to implementation of the changes.

H. All local use tax revenue shall be used, applied or disbursed by the cities and counties as provided in § 58.1-605 with respect to local sales tax revenue.

§ 58.1-612. (Contingent expiration date) Tax collectible from dealers; "dealer" defined; jurisdiction.

A. The tax levied by §§ 58.1-603 and 58.1-604 shall be collectible from all persons who are dealers, as hereinafter defined, and who have sufficient contact with the Commonwealth to qualify under subsections B and C hereof.

B. The term "dealer," as used in this chapter, shall include every person who:

1. Manufactures or produces tangible personal property for sale at retail, for use, consumption, or distribution, or for storage to be used or consumed in this Commonwealth;

3. Sells at retail, or who offers for sale at retail, or who has in his possession for sale at retail, or for

use, consumption, or distribution, or for storage to be used or consumed in this Commonwealth, tangible personal property;

4. Has sold at retail, used, consumed, distributed, or stored for use or consumption in this Commonwealth, tangible personal property and who cannot prove that the tax levied by this chapter has been paid on the sale at retail, the use, consumption, distribution, or storage of such tangible personal property;

5. Leases or rents tangible personal property for a consideration, permitting the use or possession of such property without transferring title thereto;

6. Is the lessee or rentee of tangible personal property and who pays to the owner of such property a consideration for the use or possession of such property without acquiring title thereto;

7. As a representative, agent, or solicitor, of an out-of-state principal, solicits, receives and accepts orders from persons in this Commonwealth for future delivery and whose principal refuses to register as a dealer under § 58.1-613; or

8. Becomes liable to and owes this Commonwealth any amount of tax imposed by this chapter, whether he holds, or is required to hold, a certificate of registration under § 58.1-613.

C. A dealer shall be deemed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 if he:

1. Maintains or has within this Commonwealth, directly or through an agent or subsidiary, an office, warehouse, or place of business of any nature;

2. Solicits business in this Commonwealth by employees, independent contractors, agents or other representatives;

3. Advertises in newspapers or other periodicals printed and published within this Commonwealth, on billboards or posters located in this Commonwealth, or through materials distributed in this Commonwealth by means other than the United States mail;

4. Makes regular deliveries of tangible personal property within this Commonwealth by means other than common carrier. A person shall be deemed to be making regular deliveries hereunder if vehicles other than those operated by a common carrier enter this Commonwealth more than ~~twelve~~ 12 times during a calendar year to deliver goods sold by him;

5. Solicits business in this Commonwealth on a continuous, regular, seasonal, or systematic basis by means of advertising that is broadcast or relayed from a transmitter within this Commonwealth or distributed from a location within this Commonwealth;

6. Solicits business in this Commonwealth by mail, if the solicitations are continuous, regular, seasonal, or systematic and if the dealer benefits from any banking, financing, debt collection, or marketing activities occurring in this Commonwealth or benefits from the location in this Commonwealth of authorized installation, servicing, or repair facilities;

7. Is owned or controlled by the same interests which own or control a business located within this Commonwealth;

8. Has a franchisee or licensee operating under the same trade name in this Commonwealth if the franchisee or licensee is required to obtain a certificate of registration under § 58.1-613; or

9. Owns tangible personal property that is rented or leased to a consumer in this Commonwealth, or offers tangible personal property, on approval, to consumers in this Commonwealth.

D. Notwithstanding any other provision of this section, the following shall not be considered to determine whether a person who has contracted with a commercial printer for printing in the Commonwealth is a "dealer" and whether such person has sufficient contact with the Commonwealth to be required to register under § 58.1-613:

1. The ownership or leasing by that person of tangible or intangible property located at the Virginia premises of the commercial printer which is used solely in connection with the printing contract with the person;

2. The sale by that person of property of any kind printed at and shipped or distributed from the Virginia premises of the commercial printer;

3. Activities in connection with the printing contract with the person performed by or on behalf of that person at the Virginia premises of the commercial printer; and

4. Activities in connection with the printing contract with the person performed by the commercial printer within Virginia for or on behalf of that person.

E. In addition to the jurisdictional standards contained in subsection C of this section, nothing contained herein (other than subsection D) shall limit any authority which this Commonwealth may enjoy under the provisions of federal law or an opinion of the United States Supreme Court to require the collection of sales and use taxes by any dealer who regularly or systematically solicits sales within this Commonwealth. Furthermore, nothing contained in subsection C shall require any broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher which broadcasts, publishes, or displays or distributes paid commercial advertising in this Commonwealth which is intended to be

675 disseminated primarily to consumers located in this Commonwealth to report or impose any liability to
676 pay any tax imposed under this chapter solely because such broadcaster, printer, outdoor advertising
677 firm, advertising distributor, or publisher accepted such advertising contracts from out-of-state advertisers
678 or sellers.

679 *F. Pursuant to any federal legislation that grants states the authority to require remote sellers to*
680 *collect sales and use tax, the Commonwealth is authorized, as permitted by such federal legislation, to*
681 *require collection of sales and use tax by any remote seller, or a single or consolidated provider acting*
682 *on behalf of a remote seller. If the federal legislation has an exemption for sellers whose sales are less*
683 *than a minimum amount, then in determining such amount, the sales made by all persons related within*
684 *the meanings of subsections (b) and (c) of § 267 or § 707(b)(1) of the Internal Revenue Code of 1986*
685 *shall be aggregated.*

686 **§ 58.1-612. (Contingent effective date) Tax collectible from dealers; "dealer" defined;**
687 **jurisdiction.**

688 A. The tax levied by §§ 58.1-603 and 58.1-604 shall be collectible from all persons who are dealers,
689 as hereinafter defined, and who have sufficient contact with the Commonwealth to qualify under
690 subsections (i) B and C or (ii) B and D hereof.

691 B. The term "dealer," as used in this chapter, shall include every person who:

692 1. Manufactures or produces tangible personal property for sale at retail, for use, consumption, or
693 distribution, or for storage to be used or consumed in this Commonwealth;

694 2. Imports or causes to be imported into this Commonwealth tangible personal property from any
695 state or foreign country, for sale at retail, for use, consumption, or distribution, or for storage to be used
696 or consumed in this Commonwealth;

697 3. Sells at retail, or who offers for sale at retail, or who has in his possession for sale at retail, or for
698 use, consumption, or distribution, or for storage to be used or consumed in this Commonwealth, tangible
699 personal property;

700 4. Has sold at retail, used, consumed, distributed, or stored for use or consumption in this
701 Commonwealth, tangible personal property and who cannot prove that the tax levied by this chapter has
702 been paid on the sale at retail, the use, consumption, distribution, or storage of such tangible personal
703 property;

704 5. Leases or rents tangible personal property for a consideration, permitting the use or possession of
705 such property without transferring title thereto;

706 6. Is the lessee or rentee of tangible personal property and who pays to the owner of such property a
707 consideration for the use or possession of such property without acquiring title thereto;

708 7. As a representative, agent, or solicitor, of an out-of-state principal, solicits, receives and accepts
709 orders from persons in this Commonwealth for future delivery and whose principal refuses to register as
710 a dealer under § 58.1-613; or

711 8. Becomes liable to and owes this Commonwealth any amount of tax imposed by this chapter,
712 whether he holds, or is required to hold, a certificate of registration under § 58.1-613.

713 C. A dealer shall be deemed to have sufficient activity within the Commonwealth to require
714 registration under § 58.1-613 if he:

715 1. Maintains or has within this Commonwealth, directly or through an agent or subsidiary, an office,
716 warehouse, or place of business of any nature;

717 2. Solicits business in this Commonwealth by employees, independent contractors, agents or other
718 representatives;

719 3. Advertises in newspapers or other periodicals printed and published within this Commonwealth, on
720 billboards or posters located in this Commonwealth, or through materials distributed in this
721 Commonwealth by means other than the United States mail;

722 4. Makes regular deliveries of tangible personal property within this Commonwealth by means other
723 than common carrier. A person shall be deemed to be making regular deliveries hereunder if vehicles
724 other than those operated by a common carrier enter this Commonwealth more than 12 times during a
725 calendar year to deliver goods sold by him;

726 5. Solicits business in this Commonwealth on a continuous, regular, seasonal, or systematic basis by
727 means of advertising that is broadcast or relayed from a transmitter within this Commonwealth or
728 distributed from a location within this Commonwealth;

729 6. Solicits business in this Commonwealth by mail, if the solicitations are continuous, regular,
730 seasonal, or systematic and if the dealer benefits from any banking, financing, debt collection, or
731 marketing activities occurring in this Commonwealth or benefits from the location in this
732 Commonwealth of authorized installation, servicing, or repair facilities;

733 7. Is owned or controlled by the same interests which own or control a business located within this
734 Commonwealth;

735 8. Has a franchisee or licensee operating under the same trade name in this Commonwealth if the
736 franchisee or licensee is required to obtain a certificate of registration under § 58.1-613; or

9. Owns tangible personal property that is rented or leased to a consumer in this Commonwealth, or offers tangible personal property, on approval, to consumers in this Commonwealth.

D. A dealer is presumed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 (unless the presumption is rebutted as provided herein) if any commonly controlled person maintains a distribution center, warehouse, fulfillment center, office, or similar location within the Commonwealth that facilitates the delivery of tangible personal property sold by the dealer to its customers. The presumption in this subsection may be rebutted by demonstrating that the activities conducted by the commonly controlled person in the Commonwealth are not significantly associated with the dealer's ability to establish or maintain a market in the Commonwealth for the dealer's sales. For purposes of this subsection, a "commonly controlled person" means any person that is a member of the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of 1954, as amended or renumbered, as the dealer or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the dealer as a corporation that is a member of the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of 1954, as amended or renumbered.

E. Notwithstanding any other provision of this section, the following shall not be considered to determine whether a person who has contracted with a commercial printer for printing in the Commonwealth is a "dealer" and whether such person has sufficient contact with the Commonwealth to be required to register under § 58.1-613:

1. The ownership or leasing by that person of tangible or intangible property located at the Virginia premises of the commercial printer which is used solely in connection with the printing contract with the person;

2. The sale by that person of property of any kind printed at and shipped or distributed from the Virginia premises of the commercial printer;

3. Activities in connection with the printing contract with the person performed by or on behalf of that person at the Virginia premises of the commercial printer; and

4. Activities in connection with the printing contract with the person performed by the commercial printer within Virginia for or on behalf of that person.

F. In addition to the jurisdictional standards contained in subsections C and D, nothing contained herein (other than subsection E) shall limit any authority which this Commonwealth may enjoy under the provisions of federal law or an opinion of the United States Supreme Court to require the collection of sales and use taxes by any dealer who regularly or systematically solicits sales within this Commonwealth. Furthermore, nothing contained in subsection C shall require any broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher which broadcasts, publishes, or displays or distributes paid commercial advertising in this Commonwealth which is intended to be disseminated primarily to consumers located in this Commonwealth to report or impose any liability to pay any tax imposed under this chapter solely because such broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher accepted such advertising contracts from out-of-state advertisers or sellers.

G. Pursuant to any federal legislation that grants states the authority to require remote sellers to collect sales and use tax, the Commonwealth is authorized, as permitted by such federal legislation, to require collection of sales and use tax by any remote seller, or a single or consolidated provider acting on behalf of a remote seller. If the federal legislation has an exemption for sellers whose sales are less than a minimum amount, then in determining such amount, the sales made by all persons related within the meanings of subsections (b) and (c) of § 267 or § 707(b)(1) of the Internal Revenue Code of 1986 shall be aggregated.

§ 58.1-615. Returns by dealers.

A. Every dealer required to collect or pay the sales or use tax shall, on or before the twentieth day of the month following the month in which the tax shall become effective, transmit to the Tax Commissioner a return showing the gross sales, gross proceeds, or cost price, as the case may be, arising from all transactions taxable under this chapter during the preceding calendar month, and thereafter a like return shall be prepared and transmitted to the Tax Commissioner by every dealer on or before the twentieth day of each month, for the preceding calendar month. In the case of dealers regularly keeping books and accounts on the basis of an annual period which varies 52 to 53 weeks, the Tax Commissioner may make rules and regulations for reporting consistent with such accounting period. The Tax Commissioner shall not require that more than one return per month be used or filed by any remote seller, single provider, or consolidated provider subject to the sales or use tax.

Notwithstanding any other provision of this chapter, a dealer may be required by the Tax Commissioner to file sales or use tax returns on an accounting period less frequent than monthly when, in the opinion of the Tax Commissioner, the administration of the taxes imposed by this chapter would be enhanced. If a dealer is required to file other than monthly, each such return shall be due on or before the twentieth day of the month following the close of the period. Each such return shall contain

798 all information required for monthly returns.

799 A sales or use tax return shall be filed by each registered dealer even though the dealer is not liable
800 to remit to the Tax Commissioner any tax for the period covered by the return.

801 B. [Expired.]

802 C. Any return required to be filed with the Tax Commissioner under this section shall be deemed to
803 have been filed with the Tax Commissioner on the date that such return is delivered by the dealer to the
804 commissioner of the revenue or the treasurer for the locality in which the dealer is located and receipt is
805 acknowledged by the commissioner of the revenue or treasurer. The commissioner of the revenue or the
806 treasurer shall stamp such date on the return, and shall mail the return to the Tax Commissioner no later
807 than the following business day. The commissioner of the revenue or the treasurer may collect from the
808 dealer the cost of postage for such mailing.

809 D. Every dealer who elects to file a consolidated sales tax return for any taxable period and who is
810 required to remit payment by electronic funds transfer pursuant to subsection B of § 58.1-202.1
811 beginning on and after July 1, 2010, shall file his monthly return using an electronic medium prescribed
812 by the Tax Commissioner. A waiver of this requirement may be granted if the Tax Commissioner
813 determines that it creates an unreasonable burden on the dealer.

814 **§ 58.1-625. (Effective until July 1, 2017) Collection of tax.**

815 A. The tax levied by this chapter shall be paid by the dealer, but the dealer shall separately state the
816 amount of the tax and add such tax to the sales price or charge. Thereafter, such tax shall be a debt
817 from the purchaser, consumer, or lessee to the dealer until paid and shall be recoverable at law in the
818 same manner as other debts. No action at law or suit in equity under this chapter may be maintained in
819 this Commonwealth by any dealer who is not registered under § 58.1-613 or is delinquent in the
820 payment of the taxes imposed under this chapter.

821 B. Notwithstanding any exemption from taxes which any dealer now or hereafter may enjoy under
822 the Constitution or laws of this or any other state, or of the United States, such dealer shall collect such
823 tax from the purchaser, consumer, or lessee and shall pay the same over to the Tax Commissioner as
824 herein provided.

825 C. Any dealer collecting the sales or use tax on transactions exempt or not taxable under this chapter
826 shall transmit to the Tax Commissioner such erroneously or illegally collected tax unless or until he can
827 affirmatively show that the tax has since been refunded to the purchaser or credited to his account.

828 D. Any dealer who neglects, fails, or refuses to collect such tax upon every taxable sale, distribution,
829 lease, or storage of tangible personal property made by him, his agents, or employees shall be liable for
830 and pay the tax himself, and such dealer shall not thereafter be entitled to sue for or recover in this
831 Commonwealth any part of the purchase price or rental from the purchaser until such tax is paid.
832 Moreover, any dealer who neglects, fails, or refuses to pay or collect the tax herein provided, either by
833 himself or through his agents or employees, shall be guilty of a Class 1 misdemeanor.

834 E. *Notwithstanding subsection D, any remote seller, single provider, or consolidated provider who*
835 *has collected an incorrect amount of sales or use tax shall be relieved from liability for such additional*
836 *amount, including any penalty or interest, if collection of the improper amount is a result of the remote*
837 *seller, single provider, or consolidated provider's reasonable reliance upon information provided by the*
838 *Commonwealth, including, but not limited to, any information obtained from software provided by the*
839 *Department of Taxation pursuant to subsection B of § 58.1-601.*

840 F. All sums collected by a dealer as required by this chapter shall be deemed to be held in trust for
841 the Commonwealth.

842 Notwithstanding the foregoing provisions of this section, any dealer is authorized during the period
843 of time set forth in §§ 58.1-611.2 and 58.1-611.3 or subdivision 18 of § 58.1-609.1 not to collect the tax
844 levied by this chapter or levied under the authority granted in §§ 58.1-605 and 58.1-606 from the
845 purchaser, and to absorb such tax himself. A dealer electing to absorb such taxes shall be liable for
846 payment of such taxes to the Tax Commissioner in the same manner as he is for tax collected from a
847 purchaser pursuant to this section.

848 **§ 58.1-625. (Effective July 1, 2017) Collection of tax.**

849 A. The tax levied by this chapter shall be paid by the dealer, but the dealer shall separately state the
850 amount of the tax and add such tax to the sales price or charge. Thereafter, such tax shall be a debt
851 from the purchaser, consumer, or lessee to the dealer until paid and shall be recoverable at law in the
852 same manner as other debts. No action at law or suit in equity under this chapter may be maintained in
853 this Commonwealth by any dealer who is not registered under § 58.1-613 or is delinquent in the
854 payment of the taxes imposed under this chapter.

855 B. Notwithstanding any exemption from taxes which any dealer now or hereafter may enjoy under
856 the Constitution or laws of this or any other state, or of the United States, such dealer shall collect such
857 tax from the purchaser, consumer, or lessee and shall pay the same over to the Tax Commissioner as
858 herein provided.

859 C. Any dealer collecting the sales or use tax on transactions exempt or not taxable under this chapter

shall transmit to the Tax Commissioner such erroneously or illegally collected tax unless or until he can affirmatively show that the tax has since been refunded to the purchaser or credited to his account.

D. Any dealer who neglects, fails, or refuses to collect such tax upon every taxable sale, distribution, lease, or storage of tangible personal property made by him, his agents, or employees shall be liable for and pay the tax himself, and such dealer shall not thereafter be entitled to sue for or recover in this Commonwealth any part of the purchase price or rental from the purchaser until such tax is paid. Moreover, any dealer who neglects, fails, or refuses to pay or collect the tax herein provided, either by himself or through his agents or employees, shall be guilty of a Class 1 misdemeanor.

E. Notwithstanding subsection D, any remote seller, single provider, or consolidated provider who has collected an incorrect amount of sales or use tax shall be relieved from liability for such additional amount, including any penalty or interest, if collection of the improper amount is a result of the remote seller, single provider, or consolidated provider's reasonable reliance upon information provided by the Commonwealth, including, but not limited to, any information obtained from software provided by the Department of Taxation pursuant to subsection B of § 58.1-601.

F. All sums collected by a dealer as required by this chapter shall be deemed to be held in trust for the Commonwealth.

Notwithstanding the foregoing provisions of this section, any dealer is authorized during the period of time set forth in § 58.1-611.2 not to collect the tax levied by this chapter or levied under the authority granted in §§ 58.1-605 and 58.1-606 from the purchaser, and to absorb such tax himself. A dealer electing to absorb such taxes shall be liable for payment of such taxes to the Tax Commissioner in the same manner as he is for tax collected from a purchaser pursuant to this section.

§ 58.1-635. Failure to file return; fraudulent return; civil penalties.

A. When any dealer fails to make any return and pay the full amount of the tax required by this chapter, there shall be imposed, in addition to other penalties provided herein, a specific penalty to be added to the tax in the amount of six percent if the failure is for not more than one month, with an additional six percent for each additional month, or fraction thereof, during which the failure continues, not to exceed ~~thirty~~ 30 percent in the aggregate. In no case, however, shall the penalty be less than ~~ten~~ dollars \$10 and such minimum penalty shall apply whether or not any tax is due for the period for which such return was required. If such failure is due to providential or other good cause shown to the satisfaction of the Tax Commissioner, such return with or without remittance may be accepted exclusive of penalties. In the case of a false or fraudulent return where willful intent exists to defraud the Commonwealth of any tax due under this chapter, or in the case of a willful failure to file a return with the intent to defraud the Commonwealth of any such tax, a specific penalty of ~~thirty~~ 50 percent of the amount of the proper tax shall be assessed. All penalties and interest imposed by this chapter shall be payable by the dealer and collectible by the Tax Commissioner in the same manner as if they were a part of the tax imposed.

B. It shall be prima facie evidence of intent to defraud the Commonwealth of any tax due under this chapter when any dealer reports his gross sales, gross proceeds or cost price, as the case may be, at ~~fifty~~ 50 percent or less of the actual amount.

C. Interest at a rate determined in accordance with § 58.1-15, shall accrue on the tax until the same is paid, or until an assessment is made, pursuant to § 58.1-15, after which interest shall accrue as provided therein.

D. Notwithstanding any other provision of this section, any remote seller, single provider, or consolidated provider who collects an incorrect amount of sales or use tax shall be relieved of any liability, including penalties and interest, if collection of the improper amount is the result of the remote seller, single provider, or consolidated provider's reasonable reliance on information that has been provided by the Commonwealth.

§ 58.1-638. Disposition of state sales and use tax revenue; localities' share; Game Protection Fund.

A. The Comptroller shall designate a specific revenue code number for all the state sales and use tax revenue collected under the preceding sections of this chapter.

1. The sales and use tax revenue generated by the one-half percent sales and use tax increase enacted by the 1986 Special Session of the General Assembly shall be paid, in the manner hereinafter provided in this section, to the Transportation Trust Fund as defined in § 33.1-23.03:1. Of the funds paid to the Transportation Trust Fund, an aggregate of 4.2 percent shall be set aside as the Commonwealth Port Fund as provided in this section; an aggregate of 2.4 percent shall be set aside as the Commonwealth Airport Fund as provided in this section; and an aggregate of 14.7 percent shall be set aside as the Commonwealth Mass Transit Fund as provided in this section. The Fund's share of such net revenue shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

921 2. There is hereby created in the Department of the Treasury a special nonreverting fund which shall
922 be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Port Fund.

923 a. The Commonwealth Port Fund shall be established on the books of the Comptroller and the funds
924 remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in
925 the Fund. Interest earned on such funds shall remain in the Fund and be credited to it. Funds may be
926 paid to any authority, locality or commission for the purposes hereinafter specified.

927 b. The amounts allocated pursuant to this section shall be allocated by the Commonwealth
928 Transportation Board to the Board of Commissioners of the Virginia Port Authority to be used to
929 support port capital needs and the preservation of existing capital needs of all ocean, river, or tributary
930 ports within the Commonwealth.

931 c. Commonwealth Port Fund revenue shall be allocated by the Board of Commissioners to the
932 Virginia Port Authority in order to foster and stimulate the flow of maritime commerce through the
933 ports of Virginia, including but not limited to the ports of Richmond, Hopewell and Alexandria.

934 3. There is hereby created in the Department of the Treasury a special nonreverting fund which shall
935 be part of the Transportation Trust Fund and which shall be known as the Commonwealth Airport Fund.
936 The Commonwealth Airport Fund shall be established on the books of the Comptroller and any funds
937 remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in
938 the Fund. Interest earned on the funds shall be credited to the Fund. The funds so allocated shall be
939 allocated by the Commonwealth Transportation Board to the Virginia Aviation Board. The funds shall
940 be allocated by the Virginia Aviation Board to any Virginia airport which is owned by the
941 Commonwealth, a governmental subdivision thereof, or a private entity to which the public has access
942 for the purposes enumerated in § 5.1-2.16, or is owned or leased by the Metropolitan Washington
943 Airports Authority (MWAA), as follows:

944 Any new funds in excess of \$12.1 million which are available for allocation by the Virginia Aviation
945 Board from the Commonwealth Transportation Fund, shall be allocated as follows: 60 percent to
946 MWAA, up to a maximum annual amount of \$2 million, and 40 percent to air carrier airports as
947 provided in subdivision A 3 a. Except for adjustments due to changes in enplaned passengers, no air
948 carrier airport sponsor, excluding MWAA, shall receive less funds identified under subdivision A 3 a
949 than it received in fiscal year 1994-1995.

950 Of the remaining amount:

951 a. Forty percent of the funds shall be allocated to air carrier airports, except airports owned or leased
952 by MWAA, based upon the percentage of enplanements for each airport to total enplanements at all air
953 carrier airports, except airports owned or leased by MWAA. No air carrier airport sponsor, however,
954 shall receive less than \$50,000 nor more than \$2 million per year from this provision.

955 b. Forty percent of the funds shall be allocated by the Aviation Board for air carrier and reliever
956 airports on a discretionary basis, except airports owned or leased by MWAA.

957 c. Twenty percent of the funds shall be allocated by the Aviation Board for general aviation airports
958 on a discretionary basis.

959 3a. There is hereby created in the Department of the Treasury a special nonreverting fund that shall
960 be a part of the Transportation Trust Fund and that shall be known as the Commonwealth Space Flight
961 Fund. The Commonwealth Space Flight Fund shall be established on the books of the Comptroller and
962 the funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall
963 remain in the Fund. Interest earned on such funds shall remain in the Fund and be credited to it.

964 a. The amounts allocated to the Commonwealth Space Flight Fund pursuant to § 33.1-23.03:2 shall
965 be allocated by the Commonwealth Transportation Board to the Board of Directors of the Virginia
966 Commercial Space Flight Authority to be used to support the capital needs, maintenance, and operating
967 costs of any and all facilities owned and operated by the Virginia Commercial Space Flight Authority.

968 b. Commonwealth Space Flight Fund revenue shall be allocated by the Board of Directors to the
969 Virginia Commercial Space Flight Authority in order to foster and stimulate the growth of the
970 commercial space flight industry in Virginia.

971 4. There is hereby created in the Department of the Treasury a special nonreverting fund which shall
972 be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Mass
973 Transit Fund.

974 a. The Commonwealth Mass Transit Fund shall be established on the books of the Comptroller and
975 any funds remaining in such Fund at the end of the biennium shall not revert to the general fund but
976 shall remain in the Fund. Interest earned on such funds shall be credited to the Fund. Funds may be
977 paid to any local governing body, transportation district commission, or public service corporation for
978 the purposes hereinafter specified.

979 b. The amounts allocated pursuant to this section shall be used to support the public transportation
980 administrative costs and the costs borne by the locality for the purchase of fuels, lubricants, tires and
981 maintenance parts and supplies for public transportation at a state share of 80 percent in 2002 and 95
982 percent in 2003 and succeeding years. These amounts may be used to support up to 95 percent of the

local or nonfederal share of capital project costs for public transportation and ridesharing equipment, facilities, and associated costs. Capital costs may include debt service payments on local or agency transit bonds. The term "borne by the locality" means the local share eligible for state assistance consisting of costs in excess of the sum of fares and other operating revenues plus federal assistance received by the locality.

c. Commonwealth Mass Transit Fund revenue shall be allocated by the Commonwealth Transportation Board as follows:

(1) Funds for special programs, which shall include ridesharing, experimental transit, and technical assistance, shall not exceed 1.5 percent of the Fund.

(2) The Board may allocate these funds to any locality or planning district commission to finance up to 80 percent of the local share of all costs associated with the development, implementation, and continuation of ridesharing programs.

(3) Funds allocated for experimental transit projects may be paid to any local governing body, transportation district commission, or public corporation or may be used directly by the Department of Rail and Public Transportation for the following purposes:

(a) To finance up to 95 percent of the capital costs related to the development, implementation and promotion of experimental public transportation and ridesharing projects approved by the Board.

(b) To finance up to 95 percent of the operating costs of experimental mass transportation and ridesharing projects approved by the Board for a period of time not to exceed 12 months.

(c) To finance up to 95 percent of the cost of the development and implementation of any other project designated by the Board where the purpose of such project is to enhance the provision and use of public transportation services.

d. Funds allocated for public transportation promotion and operation studies may be paid to any local governing body, planning district commission, transportation district commission, or public transit corporation, or may be used directly by the Department of Rail and Public Transportation for the following purposes and aid of public transportation services:

(1) At the approval of the Board to finance a program administered by the Department of Rail and Public Transportation designed to promote the use of public transportation and ridesharing throughout Virginia.

(2) To finance up to 50 percent of the local share of public transportation operations planning and technical study projects approved by the Board.

e. At least 73.5 percent of the Fund shall be distributed to each transit property in the same proportion as its operating expenses bear to the total statewide operating expenses and shall be spent for the purposes specified in subdivision 4 b.

f. The remaining 25 percent shall be distributed for capital purposes on the basis of 95 percent of the nonfederal share for federal projects and 95 percent of the total costs for nonfederal projects. In the event that total capital funds available under this subdivision are insufficient to fund the complete list of eligible projects, the funds shall be distributed to each transit property in the same proportion that such capital expenditure bears to the statewide total of capital projects. Prior to the annual adoption of the Six-Year Improvement Program, the Commonwealth Transportation Board may allocate up to 20 percent of the funds in the Commonwealth Mass Transit Fund designated for capital purposes to transit operating assistance if operating funds for the next fiscal year are estimated to be less than the current fiscal year's allocation, to attempt to maintain transit operations at approximately the same level as the previous fiscal year.

g. There is hereby created in the Department of the Treasury a special nonreverting fund known as the Commonwealth Transit Capital Fund. The Commonwealth Transit Capital Fund shall be part of the Commonwealth Mass Transit Fund. The Commonwealth Transit Capital Fund subaccount shall be established on the books of the Comptroller and consist of such moneys as are appropriated to it by the General Assembly and of all donations, gifts, bequests, grants, endowments, and other moneys given, bequeathed, granted, or otherwise made available to the Commonwealth Transit Capital Fund. Any funds remaining in the Commonwealth Transit Capital Fund at the end of the biennium shall not revert to the general fund, but shall remain in the Commonwealth Transit Capital Fund. Interest earned on funds within the Commonwealth Transit Capital Fund shall remain in and be credited to the Commonwealth Transit Capital Fund. Proceeds of the Commonwealth Transit Capital Fund may be paid to any political subdivision, another public entity created by an act of the General Assembly, or a private entity as defined in § 56-557 and for purposes as enumerated in subdivision 4c of § 33.1-269 or expended by the Department of Rail and Public Transportation for the purposes specified in this subdivision. Revenues of the Commonwealth Transit Capital Fund shall be used to support capital expenditures involving the establishment, improvement, or expansion of public transportation services through specific projects approved by the Commonwealth Transportation Board. Projects financed by the Commonwealth Transit Capital Fund shall receive local, regional or private funding for at least 20 percent of the nonfederal

1044 share of the total project cost.

1045 5. Funds for Metro shall be paid by the Northern Virginia Transportation Commission (NVTC) to the
1046 Washington Metropolitan Area Transit Authority (WMATA) and be a credit to the Counties of
1047 Arlington and Fairfax and the Cities of Alexandria, Falls Church and Fairfax in the following manner:

1048 a. Local obligations for debt service for WMATA rail transit bonds apportioned to each locality
1049 using WMATA's capital formula shall be paid first by NVTC. NVTC shall use 95 percent state aid for
1050 these payments.

1051 b. The remaining funds shall be apportioned to reflect WMATA's allocation formulas by using the
1052 related WMATA-allocated subsidies and relative shares of local transit subsidies. Capital costs shall
1053 include 20 percent of annual local bus capital expenses. Hold harmless protections and obligations for
1054 NVTC's jurisdictions agreed to by NVTC on November 5, 1998, shall remain in effect.

1055 Appropriations from the Commonwealth Mass Transit Fund are intended to provide a stable and
1056 reliable source of revenue as defined by Public Law 96-184.

1057 B. The sales and use tax revenue generated by a one percent sales and use tax shall be distributed
1058 among the counties and cities of the Commonwealth in the manner provided in subsections C and D.

1059 C. The localities' share of the net revenue distributable under this section among the counties and
1060 cities shall be apportioned by the Comptroller and distributed among them by warrants of the
1061 Comptroller drawn on the Treasurer of Virginia as soon as practicable after the close of each month
1062 during which the net revenue was received into the state treasury. The distribution of the localities' share
1063 of such net revenue shall be computed with respect to the net revenue received into the state treasury
1064 during each month, and such distribution shall be made as soon as practicable after the close of each
1065 such month.

1066 D. The net revenue so distributable among the counties and cities shall be apportioned and
1067 distributed upon the basis of the latest yearly estimate of the population of cities and counties ages five
1068 to 19, provided by the Weldon Cooper Center for Public Service of the University of Virginia. Such
1069 population estimate produced by the Weldon Cooper Center for Public Service of the University of
1070 Virginia shall account for persons who are domiciled in orphanages or charitable institutions or who are
1071 dependents living on any federal military or naval reservation or other federal property within the school
1072 division in which the institutions or federal military or naval reservation or other federal property is
1073 located. Such population estimate produced by the Weldon Cooper Center for Public Service of the
1074 University of Virginia shall account for members of the military services who are under 20 years of age
1075 within the school division in which the parents or guardians of such persons legally reside. Such
1076 population estimate produced by the Weldon Cooper Center for Public Service of the University of
1077 Virginia shall account for individuals receiving services in state hospitals, state training centers, or
1078 mental health facilities, persons who are confined in state or federal correctional institutions, or persons
1079 who attend the Virginia School for the Deaf and the Blind within the school division in which the
1080 parents or guardians of such persons legally reside. Such population estimate produced by the Weldon
1081 Cooper Center for Public Service of the University of Virginia shall account for persons who attend
1082 institutions of higher education within the school division in which the student's parents or guardians
1083 legally reside. To such estimate, the Department of Education shall add the population of students with
1084 disabilities, ages two through four and 20 through 21, as provided to the Department of Education by
1085 school divisions. The revenue so apportionable and distributable is hereby appropriated to the several
1086 counties and cities for maintenance, operation, capital outlays, debt and interest payments, or other
1087 expenses incurred in the operation of the public schools, which shall be considered as funds raised from
1088 local resources. In any county, however, wherein is situated any incorporated town constituting a school
1089 division, the county treasurer shall pay into the town treasury for maintenance, operation, capital outlays,
1090 debt and interest payments, or other expenses incurred in the operation of the public schools, the proper
1091 proportionate amount received by him in the ratio that the school population of such town bears to the
1092 school population of the entire county. If the school population of any city or of any town constituting a
1093 school division is increased by the annexation of territory since the last estimate of school population
1094 provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this
1095 section, be added to the school population of such city or town as shown by the last such estimate and a
1096 proper reduction made in the school population of the county or counties from which the annexed
1097 territory was acquired.

1098 E. Beginning July 1, 2000, of the remaining sales and use tax revenue, the revenue generated by a
1099 two percent sales and use tax, up to an annual amount of \$13 million, collected from the sales of
1100 hunting equipment, auxiliary hunting equipment, fishing equipment, auxiliary fishing equipment,
1101 wildlife-watching equipment, and auxiliary wildlife-watching equipment in Virginia, as estimated by the
1102 most recent U.S. Department of the Interior, Fish and Wildlife Service and U.S. Department of
1103 Commerce, Bureau of the Census National Survey of Fishing, Hunting, and Wildlife-Associated
1104 Recreation, shall be paid into the Game Protection Fund established under § 29.1-101 and shall be used,
1105 in part, to defray the cost of law enforcement. Not later than 30 days after the close of each quarter, the

Comptroller shall transfer to the Game Protection Fund the appropriate amount of collections to be dedicated to such Fund. At any time that the balance in the Capital Improvement Fund, established under § 29.1-101.01, is equal to or in excess of \$35 million, any portion of sales and use tax revenues that would have been transferred to the Game Protection Fund, established under § 29.1-101, in excess of the net operating expenses of the Board, after deduction of other amounts which accrue to the Board and are set aside for the Game Protection Fund, shall remain in the general fund until such time as the balance in the Capital Improvement Fund is less than \$35 million.

F. 1. Of the net revenue generated from the one-half percent increase in the rate of the state sales and use tax effective August 1, 2004, pursuant to enactments of the 2004 Special Session I of the General Assembly, the Comptroller shall transfer from the general fund of the state treasury to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund established under § 58.1-638.1 an amount equivalent to one-half of the net revenue generated from such one-half percent increase as provided in this subdivision. The transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund under this subdivision shall be for one-half of the net revenue generated (and collected in the succeeding month) from such one-half percent increase for the month of August 2004 and for each month thereafter.

2. For the purposes of the Comptroller making the required transfers under subdivision 1, the Tax Commissioner shall make a written certification to the Comptroller no later than the twenty-fifth of each month certifying the sales and use tax revenues generated in the preceding month. Within three calendar days of receiving such certification, the Comptroller shall make the required transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund.

G. *Beginning July 1, 2013, of the remaining sales and use tax revenue, an amount equal to the following percentages of the revenue generated by a one-half percent sales and use tax, such as that paid to the Transportation Trust Fund as provided in subdivision A 1, shall be paid to the Highway Maintenance and Operating Fund:*

1. *For fiscal year 2014, an amount equal to 10 percent;*
2. *For fiscal year 2015, an amount equal to 20 percent;*
3. *For fiscal year 2016, an amount equal to 30 percent;*
4. *For fiscal year 2017, an amount equal to 40 percent; and*
5. *For fiscal year 2018 and thereafter, an amount equal to 50 percent.*

The Highway Maintenance and Operating Fund's share of the net revenue distributable under this section shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

H. If errors are made in any distribution, or adjustments are otherwise necessary, the errors shall be corrected and adjustments made in the distribution for the next quarter or for subsequent quarters.

~~H.~~ I. The term "net revenue," as used in this section, means the gross revenue received into the general fund or the Transportation Trust Fund of the state treasury under the preceding sections of this chapter, less refunds to taxpayers.

§ 58.1-638.2. Disposition of state and local sales tax revenue collected pursuant to federal legislation granting remote collection authority.

Notwithstanding any provisions of § 58.1-605, 58.1-606, or 58.1-638 to the contrary, any state and local sales and use tax revenue collected pursuant to federal legislation granting the Commonwealth authority to compel remote sellers to collect the tax for sales made into the Commonwealth shall be paid in the manner provided in this section:

1. *The sales and use tax revenue generated by a one percent sales and use tax shall be distributed among the counties and cities of the Commonwealth in the manner provided in subsections F and G of §§ 58.1-605 and 58.1-606. Each locality shall be required to designate an amount equal to 50 percent of the local sales and use tax distribution to transportation needs.*

2. *The sales and use tax revenue generated by a one percent sales and use tax shall be distributed among the counties and cities of the Commonwealth in the manner provided in subsections C and D of § 58.1-638.*

3. *The sales and use tax revenue generated by a 0.125 percent sales and use tax shall be distributed among the counties and cities of the Commonwealth in the manner provided in § 58.1-638.1.*

4. *The Comptroller shall transfer annually to each locality that levied the local tax on fuels for domestic consumption pursuant to the former § 58.1-609.13 as of the date of enactment of the federal legislation described in this section an amount to compensate the locality for the locality's revenue loss resulting from cessation of the local authority to impose tax on the sale of fuel for domestic consumption due to the repeal of § 58.1-609.13. The amount paid to the locality shall be an amount equal to the locality's revenue from its tax on fuels for domestic consumption in the calendar year prior to the repeal of § 58.1-609.13, but the aggregate amount of such revenue paid to all localities shall not*

1167 exceed \$7.5 million per year. If the total aggregate amount exceeds \$7.5 million, then each locality shall
1168 receive a pro rata portion based on the proportion that the locality's revenue from its tax on fuels for
1169 domestic consumption in the calendar year preceding the repeal of § 58.1-609.13 is to the total amount
1170 of such revenue in all localities that levied such tax.

1171 5. From such remaining revenue collected pursuant to this section, \$50 million shall be transferred
1172 annually to the Intercity Passenger Rail and Operating and Capital Fund established pursuant to
1173 § 33.1-221.1:1.3.

1174 5. All remaining revenue collected pursuant to this section, as estimated by the Department, shall be
1175 transferred to the Transportation Trust Fund to be allocated pursuant to § 33.1-23.03:2.

1176 **§ 58.1-2217. Taxes levied; rate.**

1177 A. There is hereby levied a tax at the rate of seventeen and one-half cents per gallon on gasoline and
1178 gasohol as follows:

1179 1. Prior to January 1, 2014, the rate shall be seventeen and one-half cents per gallon;

1180 2. On and after January 1, 2014, the rate shall be established pursuant to subsection D.

1181 B. (Contingent expiration date) There is hereby levied a tax on diesel fuel at the rate of seventeen
1182 and one-half cents per gallon on diesel fuel levied on gasoline.

1183 B. (Contingent effective date) There is hereby levied a tax on diesel fuel at the a rate of sixteen
1184 cents per gallon on diesel fuel that is one and one-half cents less than the rate levied on gasoline.

1185 C. Blended fuel that contains gasoline shall be taxed at the rate levied on gasoline. Blended fuel that
1186 contains diesel fuel shall be taxed at the rate levied on diesel fuel.

1187 D. 1. The tax imposed under subsection A shall be imposed at a cents-per-gallon rate determined by
1188 the Commissioner equal to 5.5 percent of the statewide average wholesale price of a gallon of self-serve
1189 unleaded regular gasoline for the applicable base period, excluding federal and state excise taxes, as
