Such form shall include only the written consent; the name, birth date, gender, race, citizenship, and social security number and/or any other identification number; the number of firearms by category intended to be sold, rented, traded, or transferred; and answers by the applicant to the following questions: (i) has the applicant been convicted of a felony offense or found guilty or adjudicated delinquent as a juvenile 14 years of age or older at the time of the offense of a delinquent act that would be a felony if committed by an adult; (ii) is the applicant subject to a court order restraining the applicant from harassing, stalking, or threatening the applicant's child or intimate partner, or a child of such partner, or is the applicant subject to a protective order; and (iii) has the applicant ever been acquitted by reason of insanity and prohibited from purchasing, possessing or transporting a firearm pursuant to § 18.2-308.1:1 or any substantially similar law of any other jurisdiction, been adjudicated legally incompetent, mentally incapacitated or adjudicated an incapacitated person and prohibited from purchasing a firearm pursuant to § 18.2-308.1:2 or any substantially similar law of any other jurisdiction, or been involuntarily admitted to an inpatient facility or involuntarily ordered to outpatient mental health treatment and prohibited from purchasing a firearm pursuant to § 18.2-308.1:3 or any substantially similar law of any other jurisdiction.

B. 1. No dealer shall sell, rent, trade or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense, and other documentation of residence. Except where the photo-identification was issued by the United States Department of Defense, the other documentation of residence shall show an address identical to that shown on the photo-identification form, such as evidence of currently paid personal property tax or real estate tax, or a current (a) lease, (b) utility or telephone bill, (c) voter registration card, (d) bank check, (e) passport, (f) automobile registration, or (g) hunting or fishing license; other current identification allowed as evidence of residency by Part 178.124 of Title 27 of the Code of Federal Regulations and ATF Ruling 2001-5; or

59 other documentation of residence determined to be acceptable by the Department of Criminal Justice
60 Services, that corroborates that the prospective purchaser currently resides in Virginia. Where the
61 photo-identification was issued by the Department of Defense, permanent orders assigning the purchaser
62 to a duty post in Virginia, including the Pentagon, shall be the only other required documentation of
63 residence. For the purposes of this section and establishment of residency for firearm purchase,
64 residency shall be deemed to be the permanent duty post of a member of the armed forces. When the
65 photo-identification presented to a dealer by the prospective purchaser is a driver's license or other
66 photo-identification issued by the Department of Motor Vehicles, and such identification form contains a
67 date of issue, the dealer shall not, except for a renewed driver's license or other photo-identification
68 issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective
69 purchaser until 30 days after the date of issue of an original or duplicate driver's license unless the
70 prospective purchaser also presents a copy of his Virginia Department of Motor Vehicles driver's record
71 showing that the original date of issue of the driver's license was more than 30 days prior to the
72 attempted purchase.

73 In addition, no dealer shall sell, rent, trade or transfer from his inventory any assault firearm to any
74 person who is not a citizen of the United States or who is not a person lawfully admitted for permanent
75 residence. To establish citizenship or lawful admission for a permanent residence for purposes of
76 purchasing an assault firearm, a dealer shall require a prospective purchaser to present a certified birth
77 certificate or a certificate of birth abroad issued by the United States State Department, a certificate of
78 citizenship or a certificate of naturalization issued by the United States Citizenship and Immigration
79 Services, an unexpired U.S. passport, a United States citizen identification card, a current voter
80 registration card, a current selective service registration card, or an immigrant visa or other
81 documentation of status as a person lawfully admitted for permanent residence issued by the United
82 States Citizenship and Immigration Services.

83 Upon receipt of the request for a criminal history record information check, the State Police shall (1)
84 review its criminal history record information to determine if the buyer or transferee is prohibited from
85 possessing or transporting a firearm by state or federal law, (2) inform the dealer if its record indicates
86 that the buyer or transferee is so prohibited, and (3) provide the dealer with a unique reference number
87 for that inquiry.

88 2. The State Police shall provide its response to the requesting dealer during the dealer's request, or
89 by return call without delay. If the criminal history record information check indicates the prospective
90 purchaser or transferee has a disqualifying criminal record or has been acquitted by reason of insanity
91 and committed to the custody of the Commissioner of Behavioral Health and Developmental Services,
92 the State Police shall have until the end of the dealer's next business day to advise the dealer if its
93 records indicate the buyer or transferee is prohibited from possessing or transporting a firearm by state
94 or federal law. If not so advised by the end of the dealer's next business day, a dealer who has fulfilled
95 the requirements of subdivision 1 may immediately complete the sale or transfer and shall not be
96 deemed in violation of this section with respect to such sale or transfer. In case of electronic failure or
97 other circumstances beyond the control of the State Police, the dealer shall be advised immediately of
98 the reason for such delay and be given an estimate of the length of such delay. After such notification,
99 the State Police shall, as soon as possible but in no event later than the end of the dealer's next business
100 day, inform the requesting dealer if its records indicate the buyer or transferee is prohibited from
101 possessing or transporting a firearm by state or federal law. A dealer who fulfills the requirements of
102 subdivision 1 and is told by the State Police that a response will not be available by the end of the
103 dealer's next business day may immediately complete the sale or transfer and shall not be deemed in
104 violation of this section with respect to such sale or transfer.

105 3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer
106 than 30 days, except for multiple handgun transactions for which records shall be maintained for 12
107 months, from any dealer's request for a criminal history record information check pertaining to a buyer
108 or transferee who is not found to be prohibited from possessing and transporting a firearm under state or
109 federal law. However, the log on requests made may be maintained for a period of 12 months, and such
110 log shall consist of the name of the purchaser, the dealer identification number, the unique approval
111 number and the transaction date.

112 4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or
113 deliver the written consent form required by subsection A to the Department of State Police. The State
114 Police shall immediately initiate a search of all available criminal history record information to
115 determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal
116 law. If the search discloses information indicating that the buyer or transferee is so prohibited from
117 possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in
118 the jurisdiction where the sale or transfer occurred and the dealer without delay.

119 5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by
120 persons who are citizens of the United States or persons lawfully admitted for permanent residence but

121 residents of other states under the terms of subsections A and B upon furnishing the dealer with proof
122 of citizenship or status as a person lawfully admitted for permanent residence and one
123 photo-identification form issued by a governmental agency of the person's state of residence and one
124 other form of identification determined to be acceptable by the Department of Criminal Justice Services.

125 6. For the purposes of this subsection, the phrase "dealer's next business day" shall not include
126 December 25.

127 C. No dealer shall sell, rent, trade or transfer from his inventory any firearm, except when the
128 transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of
129 subdivision B 5 to any person who is not a resident of Virginia unless he has first obtained from the
130 Department of State Police a report indicating that a search of all available criminal history record
131 information has not disclosed that the person is prohibited from possessing or transporting a firearm
132 under state or federal law. The dealer shall obtain the required report by mailing or delivering the
133 written consent form required under subsection A to the State Police within 24 hours of its execution. If
134 the dealer has complied with the provisions of this subsection and has not received the required report
135 from the State Police within 10 days from the date the written consent form was mailed to the
136 Department of State Police, he shall not be deemed in violation of this section for thereafter completing
137 the sale or transfer.

138 D. Nothing herein shall prevent a resident of the Commonwealth, at his option, from buying, renting
139 or receiving a firearm from a dealer in Virginia by obtaining a criminal history record information check
140 through the dealer as provided in subsection C.

141 E. If any buyer or transferee is denied the right to purchase a firearm under this section, he may
142 exercise his right of access to and review and correction of criminal history record information under
143 § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within
144 30 days of such denial.

145 F. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history
146 record information under false pretenses, or who willfully and intentionally disseminates or seeks to
