An Act to amend and reenact §§ 19.2-123 and 19.2-390 of the Code of Virginia, relating to release on bond; fingerprints and photographs of accused.

[S 847]

Approved

Be it enacted by the General Assembly of Virginia:

1. That §§ 19.2-123 and 19.2-390 of the Code of Virginia are amended and reenacted as follows:

§ 19.2-123. Release of accused on secured or unsecured bond or promise to appear; conditions of release.

A. Any person arrested for a felony who has previously been convicted of a felony, or who is presently on bond for an unrelated arrest in any jurisdiction, or who is on probation or parole, may be released only upon a secure bond. This provision may be waived with the approval of the judicial officer and with the concurrence of the attorney for the Commonwealth or the attorney for the county, city or town. Subject to the foregoing, when a person is arrested for either a felony or a misdemeanor, any judicial officer may impose any one or any combination of the following conditions of release:

1. Place the person in the custody and supervision of a designated person, organization or pretrial services agency which, for the purposes of this section, shall not include a court services unit established pursuant to § 16.1-233;

2. Place restrictions on the travel, association or place of abode of the person during the period of release and restrict contacts with household members for a period not to exceed 72 hours;

2a. Require the execution of an unsecured bond;

3. Require the execution of a secure bond which at the option of the accused shall be satisfied with sufficient solvent sureties, or the deposit of cash in lieu thereof. Only the actual value of any interest in real estate or personal property owned by the proposed surety shall be considered in determining solvency and solvency shall be found if the value of the proposed surety's equity in the real estate or personal property equals or exceeds the amount of the bond;

3a. Require that the person do any or all of the following: (i) maintain employment or, if unemployed, actively seek employment; (ii) maintain or commence an educational program; (iii) avoid all contact with an alleged victim of the crime and with any potential witness who may testify concerning the offense; (iv) comply with a specified curfew; (v) refrain from possessing a firearm, destructive device, or other dangerous weapon; (vi) refrain from excessive use of alcohol, or use of any illegal drug or any controlled substance not prescribed by a health care provider; and (vii) submit to testing for drugs and alcohol until the final disposition of his case;

3b. Place a prohibition on a person who holds an elected constitutional office and who is accused of a felony arising from the performance of his duties from physically returning to his constitutional office;

3c. Require the accused to accompany the arresting officer to the jurisdiction's fingerprinting facility and submit to having his photograph and fingerprints taken prior to release; or

4. Impose any other condition deemed reasonably necessary to assure appearance as required, and to assure his good behavior pending trial, including a condition requiring that the person return to custody after specified hours or be placed on home electronic incarceration pursuant to § 53.1-131.2 or, when the person is required to execute a secured bond, be subject to monitoring by a GPS (Global Positioning System) tracking device, or other similar device. The defendant may be ordered by the court to pay the cost of the device.

Upon satisfaction of the terms of recognizance, the accused shall be released forthwith.

In addition, where the accused is an individual receiving services in a state training center for individuals with intellectual disability, the judicial officer may place the individual in the custody of the director of the training center, if the director agrees to accept custody. The director is hereby authorized to take custody of the individual and to maintain him at the training center prior to a trial or hearing under such circumstances as will reasonably assure the appearance of the accused for the trial or hearing.

B. In any jurisdiction served by a pretrial services agency which offers a drug or alcohol screening or testing program approved for the purposes of this subsection by the chief general district court judge, any such person charged with a crime may be requested by such agency to give voluntarily a urine sample, submit to a drug or alcohol screening, or take a breath test for presence of alcohol. A sample may be analyzed for the presence of phencyclidine (PCP), barbiturates, cocaine, opiates or such other drugs as the agency may deem appropriate prior to any hearing to establish bail. The judicial officer and

agency shall inform the accused or juvenile being screened or tested that test results shall be used by a judicial officer only at a bail hearing and only to determine appropriate conditions of release or to reconsider the conditions of bail at a subsequent hearing. All screening or test results, and any pretrial investigation report containing the screening or test results, shall be confidential with access thereto limited to judicial officers, the attorney for the Commonwealth, defense counsel, other pretrial service agencies, any criminal justice agency as defined in § 9.1-101 and, in cases where a juvenile is screened or tested, the parents or legal guardian or custodian of such juvenile. However, in no event shall the judicial officer have access to any screening or test result prior to making a bail release determination or to determining the amount of bond, if any. Following this determination, the judicial officer shall consider the screening or test results and the screening or testing agency's report and accompanying recommendations, if any, in setting appropriate conditions of release. In no event shall a decision regarding a release determination be subject to reversal on the sole basis of such screening or test results. Any accused or juvenile whose urine sample has tested positive for such drugs and who is admitted to bail may, as a condition of release, be ordered to refrain from use of alcohol or illegal drugs and may be required to be tested on a periodic basis until final disposition of his case to ensure his compliance with the order. Sanctions for a violation of any condition of release, which violations shall include subsequent positive drug or alcohol test results or failure to report as ordered for testing, may be imposed in the discretion of the judicial officer and may include imposition of more stringent conditions of release, contempt of court proceedings or revocation of release. Any test given under the provisions of this subsection which yields a positive drug or alcohol test result shall be reconfirmed by a second test if the person tested denies or contests the initial drug or alcohol test positive result. The results of any drug or alcohol test conducted pursuant to this subsection shall not be admissible in any judicial proceeding other than for the imposition of sanctions for a violation of a condition of release.

C. [Repealed.]

D. Nothing in this section shall be construed to prevent an officer taking a juvenile into custody from releasing that juvenile pursuant to § 16.1-247. If any condition of release imposed under the provisions of this section is violated, a judicial officer may issue a capias or order to show cause why the recognizance should not be revoked.

E. Nothing in this section shall be construed to prevent a court from imposing a recognizance or bond designed to secure a spousal or child support obligation pursuant to § 16.1-278.16, Chapter 5 (§ 20-61 et seq.) of Title 20, or § 20-114 in addition to any recognizance or bond imposed pursuant to this chapter.

§ 19.2-390. Reports to be made by local law-enforcement officers, conservators of the peace, clerks of court, Secretary of the Commonwealth and Corrections officials to State Police; material submitted by other agencies.

A. 1. Every state official or agency having the power to arrest, the sheriffs of counties, the police officials of cities and towns, and any other local law-enforcement officer or conservator of the peace having the power to arrest for a felony shall make a report to the Central Criminal Records Exchange, on forms provided by it, of any arrest, including those arrests involving the taking into custody of, or service of process upon, any person on charges resulting from an indictment, presentment or information, the arrest on capias or warrant for failure to appear, and the service of a warrant for another jurisdiction, on any of the following charges:

a. Treason;

b. Any felony;

c. Any offense punishable as a misdemeanor under Title 54.1; or

d. Any misdemeanor punishable by confinement in jail (i) under Title 18.2 or 19.2, except an arrest for a violation of § 18.2-119, Article 2 (§ 18.2-415 et seq.) of Chapter 9 of Title 18.2, or any similar ordinance of any county, city or town, (ii) under § 20-61, or (iii) under § 16.1-253.2.

The reports shall contain such information as is required by the Exchange and shall be accompanied by fingerprints of the individual arrested. Effective January 1, 2006, the corresponding photograph of the individual arrested shall accompany the report. Fingerprint cards prepared by a law-enforcement agency for inclusion in a national criminal justice file shall be forwarded to the Exchange for transmittal to the appropriate bureau. Nothing in this section shall preclude each local law-enforcement agency from maintaining its own separate photographic database. *Fingerprints and photographs required to be taken pursuant to this subsection or subdivision A 3c of § 19.2-123 may be taken at the facility where the magistrate is located, including a regional jail, even if the accused is not committed to jail.*

2. For persons arrested and released on summonses in accordance with § 19.2-74, such report shall not be required until (i) a conviction is entered and no appeal is noted or if an appeal is noted, the conviction is upheld upon appeal or the person convicted withdraws his appeal; (ii) the court dismisses the proceeding pursuant to § 18.2-251; or (iii) an acquittal by reason of insanity pursuant to § 19.2-182.2 is entered. Upon such conviction or acquittal, the court shall remand the individual to the custody of the

office of the chief law-enforcement officer of the county or city. It shall be the duty of the chief law-enforcement officer, or his designee who may be the arresting officer, to ensure that such report is completed after a determination of guilt or acquittal by reason of insanity. The court shall require the officer to complete the report immediately following the person's conviction or acquittal, and the individual shall be discharged from custody forthwith, unless the court has imposed a jail sentence to be served by him or ordered him committed to the custody of the Commissioner of Behavioral Health and Developmental Services.

B. Within 72 hours following the receipt of (i) a warrant or capias for the arrest of any person on a charge of a felony or (ii) a Governor's warrant of arrest of a person issued pursuant to § 19.2-92, the law-enforcement agency which received the warrant shall enter the person's name and other appropriate information required by the Department of State Police into the "information systems" known as the Virginia Criminal Information Network (VCIN), established and maintained by the Department pursuant to Chapter 2 (§ 52-12 et seq.) of Title 52 and the National Crime Information Center (NCIC), maintained by the Federal Bureau of Investigation. The report shall include the person's name, date of birth, social security number and such other known information which the State Police or Federal Bureau of Investigation may require. Where feasible and practical, the magistrate or court issuing the warrant or capias may transfer information electronically into VCIN. When the information is electronically transferred to VCIN, the court or magistrate shall forthwith forward the warrant or capias to the local police department or sheriff's office. When criminal process has been ordered destroyed pursuant to § 19.2-76.1, the law-enforcement agency destroying such process shall ensure the removal of any information relating to the destroyed criminal process from the VCIN and NCIC.

B1. Within 72 hours following the receipt of a written statement issued by a parole officer pursuant to § 53.1-149 or 53.1-162 authorizing the arrest of a person who has violated the provisions of his post-release supervision or probation, the law-enforcement agency that received the written statement shall enter, or cause to be entered, the person's name and other appropriate information required by the Department of State Police into the "information systems" known as the Virginia Criminal Information Network (VCIN), established and maintained by the Department pursuant to Chapter 2 (§ 52-12 et seq.) of Title 52.

C. The clerk of each circuit court and district court shall make an electronic report to the Central Criminal Records Exchange of (i) any dismissal, indefinite postponement or continuance, charge still pending due to mental incompetency or incapacity, nolle prosequi, acquittal, or conviction of, including any sentence imposed, or failure of a grand jury to return a true bill as to, any person charged with an offense listed in subsection A, including any action which may have resulted from an indictment, presentment or information, and (ii) any adjudication of delinquency based upon an act which, if committed by an adult, would require fingerprints to be filed pursuant to subsection A. In the case of offenses not required to be reported to the Exchange by subsection A, the reports of any of the foregoing dispositions shall be filed by the law-enforcement agency making the arrest with the arrest record required to be maintained by § 15.2-1722. Upon conviction of any person, including juveniles tried and convicted in the circuit courts pursuant to § 16.1-269.1, whether sentenced as adults or juveniles, for an offense for which registration is required as defined in § 9.1-902, the clerk shall within seven days of sentencing submit a report to the Sex Offender and Crimes Against Minors Registry. The report to the Registry shall include the name of the person convicted and all aliases which he is known to have used, the date and locality of the conviction for which registration is required, his date of birth, social security number, last known address, and specific reference to the offense for which he was convicted. No report of conviction or adjudication in a district court shall be filed unless the period allowed for an appeal has elapsed and no appeal has been perfected. In the event that the records in the office of any clerk show that any conviction or adjudication has been nullified in any manner, he shall also make a report of that fact to the Exchange and, if appropriate, to the Registry. In addition, each clerk of a circuit court, upon receipt of certification thereof from the Supreme Court, shall report to the Exchange or the Registry, or to the law-enforcement agency making the arrest in the case of offenses not required to be reported to the Exchange, on forms provided by the Exchange or Registry, as the case may be, any reversal or other amendment to a prior sentence or disposition previously reported. When criminal process is ordered destroyed pursuant to § 19.2-76.1, the clerk shall report such action to the law-enforcement agency that entered the warrant or capias into the VCIN.

D. In addition to those offenses enumerated in subsection A of this section, the Central Criminal Records Exchange may receive, classify and file any other fingerprints, photographs, and records of arrest or confinement submitted to it by any law-enforcement agency or any correctional institution.

E. Corrections officials, sheriffs, and jail superintendents of regional jails, responsible for maintaining correctional status information, as required by the regulations of the Department of Criminal Justice Services, with respect to individuals about whom reports have been made under the provisions of this chapter shall make reports of changes in correctional status information to the Central Criminal Records

Exchange. The reports to the Exchange shall include any commitment to or release or escape from a state or local correctional facility, including commitment to or release from a parole or probation agency.

F. Any pardon, reprieve or executive commutation of sentence by the Governor shall be reported to the Exchange by the office of the Secretary of the Commonwealth.

G. Officials responsible for reporting disposition of charges, and correctional changes of status of individuals under this section, including those reports made to the Registry, shall adopt procedures reasonably designed at a minimum (i) to ensure that such reports are accurately made as soon as feasible by the most expeditious means and in no instance later than 30 days after occurrence of the disposition or correctional change of status and (ii) to report promptly any correction, deletion, or revision of the information.

H. Upon receiving a correction, deletion, or revision of information, the Central Criminal Records Exchange shall notify all criminal justice agencies known to have previously received the information.

As used in this section:

"Chief law-enforcement officer" means the chief of police of cities and towns and sheriffs of counties, unless a political subdivision has otherwise designated its chief law-enforcement officer by appropriate resolution or ordinance, in which case the local designation shall be controlling.

"Electronic report" means a report transmitted to, or otherwise forwarded to, the Central Criminal Records Exchange in an electronic format approved by the Exchange. The report shall contain the name of the person convicted and all aliases which he is known to have used, the date and locality of the conviction, his date of birth, social security number, last known address, and specific reference to the offense including the Virginia Code section and any subsection, the Virginia crime code for the offense, and the offense tracking number for the offense for which he was convicted.
