

Department of Planning and Budget 2013 Fiscal Impact Statement

1. Bill Number: HB1497

House of Origin	<input type="checkbox"/> Introduced	<input type="checkbox"/> Substitute	<input type="checkbox"/> Engrossed
Second House	<input checked="" type="checkbox"/> In Committee	<input type="checkbox"/> Substitute	<input type="checkbox"/> Enrolled

2. Patron: Stolle

3. Committee: Education and Health

4. Title: Participation in public school

5. Summary: Prohibits public elementary or secondary schools from joining an organization governing interscholastic programs that does not deem eligible for participation a student (i) who moved out of the school's attendance area because his parent is a full-time, active duty member of the uniformed services and received orders to relocate and who subsequently moved back into the school's attendance area or (ii) who continues to live in the school's attendance area but whose parent moved out of the school's attendance area because that parent is a full-time, active duty member of the uniformed services and received orders to relocate. The bill does not affect a school board's discretion to admit a student and charge tuition for his attendance at a public school in the local school division if the student is not deemed to reside in the local school division.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary. See item 8.

8. Fiscal Implications: Since divisions already have staff required for interscholastic programs, the passage of this legislation should not have a state fiscal impact. The impact to school divisions should also be minimal given that school divisions would still be permitted to charge tuition for any student impacted by this legislation if such student is not deemed to reside in the division.

9. Specific Agency or Political Subdivisions Affected: Board of Education and local school divisions.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
