Second House	<input type="checkbox"/>	In Committee	<input type="checkbox"/>	Substitute	<input checked="" type="checkbox"/>	Enrolled

2. Patron: Sickles

3. Committee: Passed both houses

4. Title: Parole review and denial

5. Summary:

The proposed legislation would require that the Parole Board provide each person eligible for parole a timely and thorough review of his suitability for release on parole. The bill would also require, in the case of a denial of parole, that the Board provide the inmate, in writing, the basis for the denial, including specific reasons for such denial.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Final. See Item 8 below.

8. Fiscal Implications:

The Parole Board generally reviews each inmate eligible for parole on annual basis. The agency currently provides each inmate who is denied parole a written notification of that denial. Including specific reasons for the denial in the written notice should not require any additional resources. Therefore, it is not anticipated that the legislation would have any fiscal impact.

9. Specific Agency or Political Subdivisions Affected: Parole Board

10. Technical Amendment Necessary: None.

11. Other Comments: None.
