

## Department of Planning and Budget 2013 Fiscal Impact Statement

**1. Bill Number:** HB 2312

<b>House of Origin</b>	<input type="checkbox"/> Introduced	<input type="checkbox"/> Substitute	<input type="checkbox"/> Engrossed
<b>Second House</b>	<input type="checkbox"/> In Committee	<input type="checkbox"/> Substitute	<input checked="" type="checkbox"/> Enrolled

**2. Patron:** Jones, S. Chris

**3. Committee:** Passed Both Houses

**4. Title:** Pharmacies; clarifies definition of compounding, etc

**5. Summary:** The enrolled legislation clarifies the definition of “compounding” and adds a requirement for a current inspection report for registration or renewal of a registration for a nonresident pharmacy. In addition, it requires that Board of Pharmacy be notified of any sterile compounded drug that is intended to be dispensed or delivered in the Commonwealth. Upon renewal, a pharmacy must notify the Board of its intention to continue dispensing or otherwise delivering sterile compounded drug products into the Commonwealth. The Board must also maintain this information in a manner that will allow the production of a list identifying all sterile compounding pharmacies.

**6. Budget Amendment Necessary:** No

**7. Minimal Fiscal Impact**

**8. Fiscal Implications:** The proposal would require the Department of Health Professions to review additional inspection reports for compliance and maintain a list of sterile compounding pharmacies; however the workload associated with these additional responsibilities is estimated to be minimal. The bill could also result a small number of additional disciplinary actions. It is assumed that the Board of Pharmacy would be able handle the minimal costs associated with this bill within its current budget.

**9. Specific Agency or Political Subdivisions Affected:** Department of Health Professions

**10. Technical Amendment Necessary:** No

**11. Other Comments:** None
