4. Title: Mental health policies for State Board for Community Colleges

5. Summary: Requires the Board for Community Colleges to develop a mental health policy directing community colleges to designate at least one person as the school contact with local community services boards or other mental health services provider to address students with emergency mental health needs.

6. Budget Amendment Necessary: No.

7. No Fiscal Impact: Final, see item 8.

8. Fiscal Implications: According to the Virginia Community College System (VCCS), threat assessment teams have been implemented at each campus to provide educational awareness of mental health issues to students, faculty and staff and to prepare for and assess potential emergency situations to include requesting an assessment to determine whether a student, faculty, or staff member poses a threat of violence to self or others. Each institution has designated a point of contact for the local mental health community services board (CSB) to prepare for and respond to potential emergency situations, to include requesting an assessment to determine whether a student, faculty, or staff member poses a threat of violence to self or others, per state board policy.

9. Specific Agency or Political Subdivisions Affected: The Virginia Community College System, all Virginia Community Colleges and local community service boards.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
