**8. Fiscal Implications:** State of Board of Elections (SBE) states that this bill could have some fiscal impact on SBE related to the staff time (and overtime) associated with the extension of the polling hours as staff would need to be available to assist voters and registrars until the polls closed and election results were reported. Local election officials will incur costs associated with additional hours for officers of election and office staff. Likewise, there may be some costs to the court system.
