**8. Fiscal Implications:** The State Board of Elections (SBE) indicates that this legislation would increase the number of voters eligible to vote absentee, resulting in a fiscal impact to the agency. It is estimated that the cost to SBE include a one-time change to the voter registration system (\$10,000) and printing additional forms (\$6,000).

In addition, the cost of processing the ballots at the local registrar's office would increase. Currently, the cost to send an absentee ballot is \$1.75 for mailed ballots plus the staff time needed to review ballot requests. Also, staff time requirements would increase due to processing in-person absentee voting. The impact to the local registrar's office is indeterminate.
