

Department of Planning and Budget
2013 Fiscal Impact Statement

1. Bill Number: SB820

House of Origin	<input type="checkbox"/>	Introduced	<input type="checkbox"/>	Substitute	<input type="checkbox"/>	Engrossed
Second House	<input type="checkbox"/>	In Committee	<input type="checkbox"/>	Substitute	<input checked="" type="checkbox"/>	Enrolled

2. Patron: Puckett

3. Committee: Passed both houses

4. Title: Billboards.

5. Summary: The proposed legislation would establish conditions under which certain billboard signs may be relocated if land on which the billboard sign is located is acquired by eminent domain in connection with a highway project. Currently, the Department of Transportation (VDOT) pays relocation costs for billboard signs which conform to state law to be relocated when property is acquired for construction activities.

If the sign conforms to state law, but does not conform to a local ordinance, the sign owner shall have the option to relocate the sign to another location, at the sign owner's sole expense, as long as the relocated sign meets state requirements and regulations. Unless the relocated sign is conformed to local ordinances, it shall continue to be nonconforming in its new location.

6. Budget Amendment Necessary: None.

7. Fiscal Impact Estimates: Final. See Item 8.

8. Fiscal Implications: The provisions of the bill could potentially reduce VDOT expenditures when a sign that is nonconforming under a local ordinance but conforming under state law resides on property being acquired for a transportation improvement. The owner could, at his own expense, have the sign relocated on the same property rather than VDOT having to pay relocation costs.

9. Specific Agency or Political Subdivisions Affected: Department of Transportation

10. Technical Amendment Necessary: None.

11. Other Comments: None.
