percent of his creditable compensation.

1. A person who becomes a member on or after July 1, 2010, or a member who does not have at least 60 months of creditable service as of January 1, 2013, shall pay an amount equal to a rate approximating the normal cost for the retirement program under which the member is covered, with such rate for each retirement program to be determined by the Board, and reviewed by the Board no less than every six years.
