B. There is created within the Department the comprehensive permitting program (the Program). The Program is established to serve as a single access point to aid entrepreneurs in filling out the various permit applications associated with establishing a small business in Virginia. The Program in no way supersedes or supplants any regulatory authority granted to any state agency with permits covered by this section. As part of the Program, the Department shall coordinate with the regulatory agency, and the regulatory agency shall determine, consistent with applicable law, what types of permits are appropriate for inclusion in the Program as well as the rules governing the submission of and payment for those permits. The website of the Department shall provide access to information regarding the Program. The Department shall have the power and duty to:

1. Create a comprehensive application that will allow an entrepreneur, or an agent thereof, seeking to establish a small business, to create accounts that will allow them to acquire the appropriate permits required in the Commonwealth. The comprehensive application shall:

a. Allow the business owner to choose a business type and to provide common information, such as name, address, and telephone number, on the front page, eliminating the need to repeatedly provide common information on each permit application;

b. Allow the business owner to preview and answer questions related to the operation of the business;

c. Provide business owners with a customized to-do agency checklist, which checklist shall provide

68 exchanging permit information while protecting the confidentiality of information submitted to the
69 Department to the extent allowable by law. Information submitted to the Department shall be subject to
70 the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.) as the same would apply
71 were the information submitted directly to the Department or to any permitting agency.

72 3. Issue and renew comprehensive permits in an efficient manner.

77 6. Do all acts necessary or convenient to carry out the purposes of this chapter.

80 minimum, a listing of the statutes and administrative rules requiring the permits and pertaining to the
81 regulatory programs that are directly related to the permit. The Center shall provide information
82 governed by this section to any person requesting it. Materials used by the Center to describe the
83 services provided by the Center shall indicate that this information is available upon request.

91 2. *By June 30, 2017, fully integrate processes and forms into the Center and shall process all forms*

106 program.

107 H. The authority for approving the issuance and renewal of any requested permit that requires
108 investigation, inspection, testing, or other judgmental review by the regulatory agency otherwise legally
109 authorized to issue the permit shall remain with that agency. The Center may issue those permits for
110 which proper fee payment and a completed application form have been received and for which no
111 approval action is required by the regulatory agency.

112 I. Upon receipt of the application, and proper fee payment for any permit for which issuance is
113 subject to regulatory agency action under subsection H, the Department shall immediately notify the
114 State Corporation Commission or the regulatory agency with authority to approve the permit issuance or
115 renewal requested by the applicant. The State Corporation Commission or the regulatory agency shall
116 advise the Department within a reasonable time after receiving the notice of one of the following:

117 1. That the State Corporation Commission or the regulatory agency approves the issuance of the
118 requested permit and will advise the applicant of any specific conditions required for issuing the permit;

119 2. That the State Corporation Commission or the regulatory agency denies the issuance of the permit
120 and gives the applicant reasons for the denial;

121 3. That the application is pending; or
122 4. That the application is incomplete and further information from or action by the applicant is
123 necessary.

124 J. The Department shall issue a comprehensive permit endorsed for all the approved permits to the
125 applicant and advise the applicant of the status of other requested permits. The applicant shall be
126 responsible for contesting any decision regarding conditions imposed or permits denied through the
127 normal process established by statute or by the State Corporation Commission or the regulatory agency
128 with the authority for approving the issuance of the permit.

129 K. Regulatory agencies shall be provided information from the comprehensive application for their
130 permitting and regulatory functions.

135 the books of the Comptroller. The Fund shall consist of all moneys collected from the handling fee
136 established by the Department pursuant to subsection G and such other funds as may be appropriated by
137 the General Assembly. Interest earned on moneys in the Fund shall remain in the Fund and be credited
138 to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall
139 not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely to
140 administer the Program. Expenditures and disbursements from the Fund shall be made by the State
141 Treasurer on warrants issued by the Comptroller upon written request signed by the Director of the
142 Department.
