B. As used in this article, unless the context requires a different meaning:

"Authority" means the Virginia Alcoholic Beverage Control Authority.

"Board" means the board of directors of the Authority.

"Principal stockholder" means any person who individually or in concert with his spouse and immediate family members beneficially owns or controls, directly or indirectly, five percent or more of the stock of any person that is a licensee of the Authority, or who in concert with his spouse and immediate family members has the power to vote or cause the vote of five percent or more of any such stock. "Principal stockholder" does not include a broker-dealer registered under the Securities Exchange Act of 1934, as amended, which holds in inventory shares for sale on the financial markets for a publicly traded corporation holding, directly or indirectly, a license from the Authority.

C. The General Assembly has determined that there exists in the Commonwealth a need to control the possession, sale, transportation, distribution, and delivery of alcoholic beverages in the Commonwealth. Further, the General Assembly determines that the creation of an authority for this purpose is in the public interest, serves a public purpose, and will promote the health, safety, welfare, convenience, and prosperity of the people of the Commonwealth.

D. To achieve the objective of subsection C, there is hereby created a political subdivision of the Commonwealth to be known as the Virginia Alcoholic Beverage Control Authority. The Authority's exercise of powers and duties conferred by this article and Title 4.1 shall be deemed the performance of an essential governmental function and a matter of public necessity for which public moneys may be spent. The Authority is vested with control of the possession, sale, transportation, distribution, and delivery of alcoholic beverages in the Commonwealth, with plenary power to prescribe regulations and conditions under which alcoholic beverages are possessed, sold, transported, distributed, and delivered, so as to prevent any corrupt, incompetent, dishonest, or unprincipled practices and to promote the health, safety, welfare, convenience, and prosperity of the people of the Commonwealth.

**§ 2.2-2818. Health and related insurance for state employees.**

A. The Department of Human Resource Management shall establish a plan, subject to the approval of the Governor, for providing health insurance coverage, including chiropractic treatment, hospitalization, medical, surgical and major medical coverage, for state employees and retired state employees with the Commonwealth paying the cost thereof to the extent of the coverage included in such plan. The same plan shall be offered to all part-time state employees, but the total cost shall be paid by such part-time employees. The Department of Human Resource Management shall administer this section. The plan chosen shall provide means whereby coverage for the families or dependents of state employees may be purchased. Except for part-time employees, the Commonwealth may pay all or a portion of the cost thereof, and for such portion as the Commonwealth does not pay, the employee, including a part-time employee, may purchase the coverage by paying the additional cost over the cost of coverage for an employee.

Such contribution shall be financed through appropriations provided by law.

B. The plan shall:

1. Include coverage for low-dose screening mammograms for determining the presence of occult breast cancer. Such coverage shall make available one screening mammogram to persons age 35 through

39, one such mammogram biennially to persons age 40 through 49, and one such mammogram annually to persons age 50 and over and may be limited to a benefit of \$50 per mammogram subject to such dollar limits, deductibles, and coinsurance factors as are no less favorable than for physical illness generally.

The term "mammogram" shall mean an X-ray examination of the breast using equipment dedicated specifically for mammography, including but not limited to the X-ray tube, filter, compression device, screens, film, and cassettes, with an average radiation exposure of less than one rad mid-breast, two views of each breast.

In order to be considered a screening mammogram for which coverage shall be made available under this section:

a. The mammogram shall be (i) ordered by a health care practitioner acting within the scope of his licensure and, in the case of an enrollee of a health maintenance organization, by the health maintenance organization provider; (ii) performed by a registered technologist; (iii) interpreted by a qualified radiologist; and (iv) performed under the direction of a person licensed to practice medicine and surgery and certified by the American Board of Radiology or an equivalent examining body. A copy of the mammogram report shall be sent or delivered to the health care practitioner who ordered it;

b. The equipment used to perform the mammogram shall meet the standards set forth by the Virginia Department of Health in its radiation protection regulations; and

c. The mammography film shall be retained by the radiologic facility performing the examination in accordance with the American College of Radiology guidelines or state law.

2. Include coverage for postpartum services providing inpatient care and a home visit or visits that shall be in accordance with the medical criteria, outlined in the most current version of or an official update to the "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists or the "Standards for Obstetric-Gynecologic Services" prepared by the American College of Obstetricians and Gynecologists. Such coverage shall be provided incorporating any changes in such Guidelines or Standards within six months of the publication of such Guidelines or Standards or any official amendment thereto.

3. Include an appeals process for resolution of complaints that shall provide reasonable procedures for the resolution of such complaints and shall be published and disseminated to all covered state employees. The appeals process shall be compliant with federal rules and regulations governing nonfederal, self-insured governmental health plans. The appeals process shall include a separate expedited emergency appeals procedure that shall provide resolution within time frames established by federal law. For appeals involving adverse decisions as defined in § 32.1-137.7, the Department shall contract with one or more independent review organizations to review such decisions. Independent review organizations are entities that conduct independent external review of adverse benefit determinations. The Department shall adopt regulations to assure that the independent review organization conducting the reviews has adequate standards, credentials and experience for such review. The independent review organization shall examine the final denial of claims to determine whether the decision is objective, clinically valid, and compatible with established principles of health care. The decision of the independent review organization shall (i) be in writing, (ii) contain findings of fact as to the material issues in the case and the basis for those findings, and (iii) be final and binding if consistent with law and policy.

Prior to assigning an appeal to an independent review organization, the Department shall verify that the independent review organization conducting the review of a denial of claims has no relationship or association with (i) the covered person or the covered person's authorized representative; (ii) the treating health care provider, or any of its employees or affiliates; (iii) the medical care facility at which the covered service would be provided, or any of its employees or affiliates; or (iv) the development or manufacture of the drug, device, procedure or other therapy that is the subject of the final denial of a claim. The independent review organization shall not be a subsidiary of, nor owned or controlled by, a health plan, a trade association of health plans, or a professional association of health care providers. There shall be no liability on the part of and no cause of action shall arise against any officer or employee of an independent review organization for any actions taken or not taken or statements made by such officer or employee in good faith in the performance of his powers and duties.

4. Include coverage for early intervention services. For purposes of this section, "early intervention services" means medically necessary speech and language therapy, occupational therapy, physical therapy and assistive technology services and devices for dependents from birth to age three who are certified by the Department of Behavioral Health and Developmental Services as eligible for services under Part H of the Individuals with Disabilities Education Act (20 U.S.C. § 1471 et seq.). Medically necessary early intervention services for the population certified by the Department of Behavioral Health and Developmental Services shall mean those services designed to help an individual attain or retain the capability to function age-appropriately within his environment, and shall include services that enhance functional ability without effecting a cure.

For persons previously covered under the plan, there shall be no denial of coverage due to the existence of a preexisting condition. The cost of early intervention services shall not be applied to any contractual provision limiting the total amount of coverage paid by the insurer to or on behalf of the insured during the insured's lifetime.

5. Include coverage for prescription drugs and devices approved by the United States Food and Drug Administration for use as contraceptives.

6. Not deny coverage for any drug approved by the United States Food and Drug Administration for use in the treatment of cancer on the basis that the drug has not been approved by the United States Food and Drug Administration for the treatment of the specific type of cancer for which the drug has been prescribed, if the drug has been recognized as safe and effective for treatment of that specific type of cancer in one of the standard reference compendia.

7. Not deny coverage for any drug prescribed to treat a covered indication so long as the drug has been approved by the United States Food and Drug Administration for at least one indication and the drug is recognized for treatment of the covered indication in one of the standard reference compendia or in substantially accepted peer-reviewed medical literature.

8. Include coverage for equipment, supplies and outpatient self-management training and education, including medical nutrition therapy, for the treatment of insulin-dependent diabetes, insulin-using diabetes, gestational diabetes and noninsulin-using diabetes if prescribed by a healthcare professional legally authorized to prescribe such items under law. To qualify for coverage under this subdivision, diabetes outpatient self-management training and education shall be provided by a certified, registered or licensed health care professional.

9. Include coverage for reconstructive breast surgery. For purposes of this section, "reconstructive breast surgery" means surgery performed on and after July 1, 1998, (i) coincident with a mastectomy performed for breast cancer or (ii) following a mastectomy performed for breast cancer to reestablish symmetry between the two breasts. For persons previously covered under the plan, there shall be no denial of coverage due to preexisting conditions.

10. Include coverage for annual pap smears, including coverage, on and after July 1, 1999, for annual testing performed by any FDA-approved gynecologic cytology screening technologies.

11. Include coverage providing a minimum stay in the hospital of not less than 48 hours for a patient following a radical or modified radical mastectomy and 24 hours of inpatient care following a total mastectomy or a partial mastectomy with lymph node dissection for treatment of breast cancer. Nothing in this subdivision shall be construed as requiring the provision of inpatient coverage where the attending physician in consultation with the patient determines that a shorter period of hospital stay is appropriate.

12. Include coverage (i) to persons age 50 and over and (ii) to persons age 40 and over who are at high risk for prostate cancer, according to the most recent published guidelines of the American Cancer Society, for one PSA test in a 12-month period and digital rectal examinations, all in accordance with American Cancer Society guidelines. For the purpose of this subdivision, "PSA testing" means the analysis of a blood sample to determine the level of prostate specific antigen.

13. Permit any individual covered under the plan direct access to the health care services of a participating specialist (i) authorized to provide services under the plan and (ii) selected by the covered individual. The plan shall have a procedure by which an individual who has an ongoing special condition may, after consultation with the primary care physician, receive a referral to a specialist for such condition who shall be responsible for and capable of providing and coordinating the individual's primary and specialty care related to the initial specialty care referral. If such an individual's care would most appropriately be coordinated by such a specialist, the plan shall refer the individual to a specialist. For the purposes of this subdivision, "special condition" means a condition or disease that is (i) life-threatening, degenerative, or disabling and (ii) requires specialized medical care over a prolonged period of time. Within the treatment period authorized by the referral, such specialist shall be permitted to treat the individual without a further referral from the individual's primary care provider and may authorize such referrals, procedures, tests, and other medical services related to the initial referral as the individual's primary care provider would otherwise be permitted to provide or authorize. The plan shall have a procedure by which an individual who has an ongoing special condition that requires ongoing care from a specialist may receive a standing referral to such specialist for the treatment of the special condition. If the primary care provider, in consultation with the plan and the specialist, if any, determines that such a standing referral is appropriate, the plan or issuer shall make such a referral to a specialist. Nothing contained herein shall prohibit the plan from requiring a participating specialist to provide written notification to the covered individual's primary care physician of any visit to such specialist. Such notification may include a description of the health care services rendered at the time of the visit.

14. Include provisions allowing employees to continue receiving health care services for a period of

up to 90 days from the date of the primary care physician's notice of termination from any of the plan's provider panels. The plan shall notify any provider at least 90 days prior to the date of termination of the provider, except when the provider is terminated for cause.

For a period of at least 90 days from the date of the notice of a provider's termination from any of the plan's provider panels, except when a provider is terminated for cause, a provider shall be permitted by the plan to render health care services to any of the covered employees who (i) were in an active course of treatment from the provider prior to the notice of termination and (ii) request to continue receiving health care services from the provider.

Notwithstanding the provisions of this subdivision, any provider shall be permitted by the plan to continue rendering health services to any covered employee who has entered the second trimester of pregnancy at the time of the provider's termination of participation, except when a provider is terminated for cause. Such treatment shall, at the covered employee's option, continue through the provision of postpartum care directly related to the delivery.

Notwithstanding the provisions of this subdivision, any provider shall be permitted to continue rendering health services to any covered employee who is determined to be terminally ill (as defined under § 1861(dd)(3)(A) of the Social Security Act) at the time of a provider's termination of participation, except when a provider is terminated for cause. Such treatment shall, at the covered employee's option, continue for the remainder of the employee's life for care directly related to the treatment of the terminal illness.

A provider who continues to render health care services pursuant to this subdivision shall be reimbursed in accordance with the carrier's agreement with such provider existing immediately before the provider's termination of participation.

15. Include coverage for patient costs incurred during participation in clinical trials for treatment studies on cancer, including ovarian cancer trials.

The reimbursement for patient costs incurred during participation in clinical trials for treatment studies on cancer shall be determined in the same manner as reimbursement is determined for other medical and surgical procedures. Such coverage shall have durational limits, dollar limits, deductibles, copayments and coinsurance factors that are no less favorable than for physical illness generally.

For purposes of this subdivision:

"Cooperative group" means a formal network of facilities that collaborate on research projects and have an established NIH-approved peer review program operating within the group. "Cooperative group" includes (i) the National Cancer Institute Clinical Cooperative Group and (ii) the National Cancer Institute Community Clinical Oncology Program.

"FDA" means the Federal Food and Drug Administration.

"Multiple project assurance contract" means a contract between an institution and the federal Department of Health and Human Services that defines the relationship of the institution to the federal Department of Health and Human Services and sets out the responsibilities of the institution and the procedures that will be used by the institution to protect human subjects.

Coverage for patient costs incurred during clinical trials for treatment studies on cancer shall be provided if the treatment is being conducted in a Phase II, Phase III, or Phase IV clinical trial. Such treatment may, however, be provided on a case-by-case basis if the treatment is being provided in a Phase I clinical trial.

The treatment described in the previous paragraph shall be provided by a clinical trial approved by:

- a. The National Cancer Institute;
- b. An NCI cooperative group or an NCI center;
- c. The FDA in the form of an investigational new drug application;
- d. The federal Department of Veterans Affairs; or

be at least as effective as the noninvestigational alternative; and

(3) The patient and the physician or health care provider who provides services to the patient under the plan conclude that the patient's participation in the clinical trial would be appropriate, pursuant to procedures established by the plan.

16. Include coverage providing a minimum stay in the hospital of not less than 23 hours for a covered employee following a laparoscopy-assisted vaginal hysterectomy and 48 hours for a covered employee following a vaginal hysterectomy, as outlined in Milliman & Robertson's nationally recognized guidelines. Nothing in this subdivision shall be construed as requiring the provision of the total hours referenced when the attending physician, in consultation with the covered employee, determines that a shorter hospital stay is appropriate.

17. Include coverage for biologically based mental illness.

For purposes of this subdivision, a "biologically based mental illness" is any mental or nervous condition caused by a biological disorder of the brain that results in a clinically significant syndrome that substantially limits the person's functioning; specifically, the following diagnoses are defined as biologically based mental illness as they apply to adults and children: schizophrenia, schizoaffective disorder, bipolar disorder, major depressive disorder, panic disorder, obsessive-compulsive disorder, attention deficit hyperactivity disorder, autism, and drug and alcoholism addiction.

Coverage for biologically based mental illnesses shall neither be different nor separate from coverage for any other illness, condition or disorder for purposes of determining deductibles, benefit year or lifetime durational limits, benefit year or lifetime dollar limits, lifetime episodes or treatment limits, copayment and coinsurance factors, and benefit year maximum for deductibles and copayment and coinsurance factors.

Nothing shall preclude the undertaking of usual and customary procedures to determine the appropriateness of, and medical necessity for, treatment of biologically based mental illnesses under this option, provided that all such appropriateness and medical necessity determinations are made in the same manner as those determinations made for the treatment of any other illness, condition or disorder covered by such policy or contract.

18. Offer and make available coverage for the treatment of morbid obesity through gastric bypass surgery or such other methods as may be recognized by the National Institutes of Health as effective for the long-term reversal of morbid obesity. Such coverage shall have durational limits, dollar limits, deductibles, copayments and coinsurance factors that are no less favorable than for physical illness generally. Access to surgery for morbid obesity shall not be restricted based upon dietary or any other criteria not approved by the National Institutes of Health. For purposes of this subdivision, "morbid obesity" means (i) a weight that is at least 100 pounds over or twice the ideal weight for frame, age, height, and gender as specified in the 1983 Metropolitan Life Insurance tables, (ii) a body mass index (BMI) equal to or greater than 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes, or (iii) a BMI of 40 kilograms per meter squared without such comorbidity. As used herein, "BMI" equals weight in kilograms divided by height in meters squared.

19. Include coverage for colorectal cancer screening, specifically screening with an annual fecal occult blood test, flexible sigmoidoscopy or colonoscopy, or in appropriate circumstances radiologic imaging, in accordance with the most recently published recommendations established by the American College of Gastroenterology, in consultation with the American Cancer Society, for the ages, family histories, and frequencies referenced in such recommendations. The coverage for colorectal cancer screening shall not be more restrictive than or separate from coverage provided for any other illness, condition or disorder for purposes of determining deductibles, benefit year or lifetime durational limits, benefit year or lifetime dollar limits, lifetime episodes or treatment limits, copayment and coinsurance factors, and benefit year maximum for deductibles and copayments and coinsurance factors.

20. On and after July 1, 2002, require that a prescription benefit card, health insurance benefit card, or other technology that complies with the requirements set forth in § 38.2-3407.4:2 be issued to each employee provided coverage pursuant to this section, and shall upon any changes in the required data elements set forth in subsection A of § 38.2-3407.4:2, either reissue the card or provide employees covered under the plan such corrective information as may be required to electronically process a prescription claim.

675 accordance with this section shall comply with the provisions of § 2.2-2818.2.

676 C. Claims incurred during a fiscal year but not reported during that fiscal year shall be paid from  
677 such funds as shall be appropriated by law. Appropriations, premiums and other payments shall be  
678 deposited in the employee health insurance fund, from which payments for claims, premiums, cost  
679 containment programs and administrative expenses shall be withdrawn from time to time. The funds of  
680 the health insurance fund shall be deemed separate and independent trust funds, shall be segregated from  
681 all other funds of the Commonwealth, and shall be invested and administered solely in the interests of  
682 the employees and their beneficiaries. Neither the General Assembly nor any public officer, employee,  
683 or agency shall use or authorize the use of such trust funds for any purpose other than as provided in  
684 law for benefits, refunds, and administrative expenses, including but not limited to legislative oversight  
685 of the health insurance fund.

711 Management that utilizes a network of preferred providers shall not exclude any physician solely on the

713 the plan criteria established by the Department.

714 G. The plan shall include, in each planning district, at least two health coverage options, each  
715 sponsored by unrelated entities. No later than July 1, 2006, one of the health coverage options to be  
716 available in each planning district shall be a high deductible health plan that would qualify for a health  
717 savings account pursuant to § 223 of the Internal Revenue Code of 1986, as amended.

718 In each planning district that does not have an available health coverage alternative, the Department  
719 shall voluntarily enter into negotiations at any time with any health coverage provider who seeks to  
720 provide coverage under the plan.

721 This subsection shall not apply to any state agency authorized by the Department to establish and  
722 administer its own health insurance coverage plan separate from the plan established by the Department.

723 H. Any self-insured group health insurance plan established by the Department of Human Resource  
724 Management that includes coverage for prescription drugs on an outpatient basis may apply a formulary  
725 to the prescription drug benefits provided by the plan if the formulary is developed, reviewed at least  
726 annually, and updated as necessary in consultation with and with the approval of a pharmacy and  
727 therapeutics committee, a majority of whose members are actively practicing licensed (i) pharmacists,  
728 (ii) physicians, and (iii) other health care providers.

729 If the plan maintains one or more drug formularies, the plan shall establish a process to allow a  
730 person to obtain, without additional cost-sharing beyond that provided for formulary prescription drugs  
731 in the plan, a specific, medically necessary nonformulary prescription drug if, after reasonable  
732 investigation and consultation with the prescriber, the formulary drug is determined to be an  
733 inappropriate therapy for the medical condition of the person. The plan shall act on such requests within  
734 one business day of receipt of the request.

735 Any plan established in accordance with this section shall be authorized to provide for the selection

As used in this subsection, "mail order pharmacy provider" means a pharmacy permitted to conduct business in the Commonwealth whose primary business is to dispense a prescription drug or device under a prescriptive drug order and to deliver the drug or device to a patient primarily by mail, common carrier, or delivery service.

I. Any plan established in accordance with this section requiring preauthorization prior to rendering medical treatment shall have personnel available to provide authorization at all times when such preauthorization is required.

J. Any plan established in accordance with this section shall provide to all covered employees written notice of any benefit reductions during the contract period at least 30 days before such reductions become effective.

Such agents shall sell the spirits in accordance with the provisions of this title, Board regulations, and the terms of the agency agreement between the Board and the licensed distiller.

For the purposes of this subsection, "blended" means the receipt by a licensed distiller of deliveries and shipments of alcoholic beverages, other than wine and beer, in accordance with subdivision 6 § 4.1-201 to be (i) additionally aged by the receiving distillery in order to increase the quality and flavor of such alcoholic beverages and (ii) bottled by the receiving distillery.

The Board may adopt regulations which provide for accepting a credit card or debit card as payment. Such regulations may provide for the collection, where appropriate, of related fees, penalties and service charges for the use of a credit card or debit card by any consumer.

2027 **§ 4.1-121. Referendum on establishment of government stores.**

2028 A. The qualified voters of any county, city, or town having a population of 1,000 or more may file a  
2029 petition with the circuit court of the county or city, or of the county wherein the town or the greater  
2030 part thereof is situated, asking that a referendum be held on the question of whether the sale by the  
2031 Board of Alcoholic Beverages, other than beer and wine not produced by farm wineries, should be  
2032 permitted within that jurisdiction. The petition shall be signed by qualified voters equal in number to at  
2033 least ten percent of the number registered in the jurisdiction on January 1 preceding its filing or by at  
2034 least 100 qualified voters, whichever is greater. Upon the filing of a petition, the court shall order the  
2035 election officials of the county, city, or town, on the date fixed in the order, to conduct a referendum on  
2036 the question. The clerk of the circuit court shall publish notice of the referendum in a newspaper of  
2037 general circulation in the county, city, or town once a week for three consecutive weeks prior to the  
2038 referendum.

2039 The question on the ballot shall be:

2040 "Shall the sale by the *Virginia* Alcoholic Beverage Control ~~Board~~ *Authority* of alcoholic beverages,  
2041 other than beer and wine not produced by farm wineries, be permitted in ..... (name of county,  
2042 city, or town)?"

2043 The referendum shall be ordered and held and the results certified as provided in § 24.2-684.  
2044 Thereupon the court shall enter of record an order certified by the clerk of the court to be transmitted to  
2045 the Board and to the governing body of the county, city, or town.

2046 B. Once a referendum has been held, no other referendum on the same question shall be held in the  
2047 county, city, or town within four years of the date of the prior referendum. However, a town shall not  
2048 be prescribed from holding a referendum within such period although an election has been held in the  
2049 county in which the town or a part thereof is located less than four years prior thereto.

2050 **§ 4.1-124. Referendum on the sale of mixed beverages.**

2051 A. The provisions of this title relating to the sale of mixed beverages shall not become effective in  
2052 any town, county, or supervisor's election district of a county until a majority of the voters voting in a  
2053 referendum vote affirmatively on the question of whether mixed alcoholic beverages should be sold by  
2054 restaurants licensed under this title. The qualified voters of a town, county, or supervisor's election  
2055 district of a county may file a petition with the circuit court of the county asking that a referendum be  
2056 held on the question of whether the sale of mixed beverages by restaurants licensed by the Board should  
2057 be permitted within that jurisdiction. The petition shall be signed by qualified voters equal in number to  
2058 at least 10 percent of the number registered in the town, county, or supervisor's election district on  
2059 January 1 preceding its filing or at least 100 qualified voters, whichever is greater.

2060 Petition requirements for any county shall be based on the number of registered voters in the county,  
2061 including the number of registered voters in any town having a population in excess of 1,000 located  
2062 within such county. Upon the filing of a petition, and under no other circumstances, the court shall order  
2063 the election officials of the county to conduct a referendum on the question.

2064 The clerk of the circuit court of the county shall publish notice of the referendum in a newspaper of  
2065 general circulation in the town, county, or supervisor's election district once a week for three consecutive  
2066 weeks prior to the referendum.

2067 The question on the ballot shall be:

2068 "Shall the sale of mixed alcoholic beverages by restaurants licensed by the *Virginia* Alcoholic  
2069 Beverage Control ~~Board~~ *Authority* be permitted in ..... (name of town, county, or supervisor's election  
2070 district of county)?"

2071 The referendum shall be ordered and held and the results certified as provided in Article 5  
2072 (§ 24.2-681 et seq.) of Chapter 6 of Title 24.2. Thereupon the court shall enter of record an order  
2073 certified by the clerk of the court to be transmitted to the Board and to the governing body of the town  
2074 or county. Mixed beverages permitted to be sold by such referendum may in accordance with this title  
2075 be sold by restaurants licensed by the Board within the town, county, or supervisor's election district of  
2076 a county on or after 30 days following the entry of the order if a majority of the voters voting in the  
2077 referendum have voted "Yes."

2078 The provisions of this section shall be applicable to towns having a population in excess of 1,000 to  
2079 the same extent and subject to the same conditions and limitations as are otherwise applicable to  
2080 counties under this section. Such towns shall be treated as separate local option units, and only residents  
2081 of any such town shall be eligible to vote in any referendum held pursuant to this section for any such  
2082 town. Residents of towns having a population in excess of 1,000, however, shall also be eligible to vote  
2083 in any referendum held pursuant to this section for any county in which the town is located.

2084 The provisions of this section shall not require any town created as a result of a city-to-town  
2085 reversion pursuant to Chapter 41 (§ 15.2-4100 et seq.) of Title 15.2 to hold a referendum on the same  
2086 question if a majority of the voters voting in the former city had previously approved the sale of mixed  
2087 beverages by restaurants licensed by the Board in such city.

2088 B. Once a referendum has been held, no other referendum on the same question shall be held in the

town, county, or supervisor's election district of a county for a period of 23 months.

C. Notwithstanding the provisions of subsection A, the sale of mixed beverages shall be allowed on property dedicated for industrial or commercial development and controlled through the provision of public utilities and covenanting of the land by any multijurisdictional industrial development authority, as set forth under Chapter 49 (§ 15.2-4900 et seq.) of Title 15.2, provided that (i) such authority operates under a partnership agreement between three or more counties, cities, or towns and such jurisdictions participate administratively and financially in the authority and (ii) the sale of mixed beverages is permitted in one of the member counties, cities, towns, or a supervisor's election district of one of the counties and that the governing board of the authority authorizes an establishment located within the confines of such property to apply to the Board for such license. The appropriate license fees shall be paid for this privilege.

D. Notwithstanding the provisions of subsection A of this section and subsection C of § 4.1-122, the sale of mixed beverages by licensees, and the sale of alcoholic beverages other than beer and wine not produced by farm wineries by the Board, shall be allowed in any city in the Commonwealth.

E. Notwithstanding the provisions of subsection A, the Board may grant a mixed beverage restaurant license to a restaurant located on the premises of and operated by a private club exclusively for its members and their guests, subject to the qualifications and restrictions on the issuance of such license imposed by § 4.1-210. However, no license authorized by this subsection shall be granted if the private club restricts its membership on the basis of race, color, creed, national origin or sex.

**§ 4.1-128. Local ordinances or resolutions regulating or taxing alcoholic beverages.**

A. No county, city, or town shall, except as provided in § 4.1-205 or § 4.1-129, adopt any ordinance or resolution which regulates or prohibits the manufacture, bottling, possession, sale, wholesale distribution, handling, transportation, drinking, use, advertising or dispensing of alcoholic beverages in the Commonwealth. Nor shall any county, city, or town adopt an ordinance or resolution that prohibits or regulates the storage, warehousing, and wholesaling of wine in accordance with Title 4.1, regulations of the *Virginia Alcoholic Beverage Control Board Authority*, and federal law at a licensed farm winery.

No provision of law, general or special, shall be construed to authorize any county, city or town to adopt any ordinance or resolution that imposes a sales or excise tax on alcoholic beverages, other than the taxes authorized by §§ 58.1-605, 58.1-3833 or § 58.1-3840. The foregoing limitation shall not affect the authority of any county, city or town to impose a license or privilege tax or fee on a business engaged in whole or in part in the sale of alcoholic beverages if the license or privilege tax or fee (i) is based on an annual or per event flat fee specifically authorized by general law or (ii) is an annual license or privilege tax specifically authorized by general law, which includes alcoholic beverages in its taxable measure and treats alcoholic beverages the same as if they were nonalcoholic beverages.

B. However, the governing body of any county, city, or town may adopt an ordinance which (i) prohibits the acts described in subsection A of § 4.1-308 subject to the provisions of subsection B of § 4.1-308, or the acts described in § 4.1-309 and may provide a penalty for violation thereof and (ii) subject to subsection C of § 4.1-308, regulates or prohibits the possession of opened alcoholic beverage containers in its local public parks, playgrounds, public streets, and any sidewalk adjoining any public street.

C. Except as provided in this section, all local acts, including charter provisions and ordinances of cities and towns, inconsistent with any of the provisions of this title, are repealed to the extent of such inconsistency.

**§ 4.1-209.1. Direct shipment of wine and beer; shipper's license.**

A. Holders of wine shippers' licenses and beer shippers' licenses issued pursuant to this section may sell and ship not more than two cases of wine per month nor more than two cases of beer per month to any person in Virginia to whom alcoholic beverages may be lawfully sold. All such sales and shipments shall be for personal consumption only and not for resale. A case of wine shall mean any combination of packages containing not more than nine liters of wine. A case of beer shall mean any combination of packages containing not more than 288 ounces of beer. Any winery or farm winery located within or outside the Commonwealth may apply to the Board for issuance of a wine shipper's license that shall authorize the shipment of brands of wine and farm wine identified in such application. Any brewery located within or outside the Commonwealth may apply to the Board for issuance of a beer shipper's license that shall authorize the shipment of brands of beer identified in such application. Any person located within or outside the Commonwealth who is authorized to sell wine or beer at retail in their state of domicile and who is not a winery, farm winery, or brewery may nevertheless apply for a wine or beer shipper's license, or both, if such person satisfies the requirements of this section. Any brewery, winery, or farm winery that applies for a shipper's license or authorizes any other person, other than a retail off-premises licensee, to apply for a license to ship such brewery's, winery's or farm winery's brands of wine or beer shall notify any wholesale licensees that have been authorized to distribute such brands that an application has been filed for a shipper's license. The notice shall be in writing and in a

2150 form prescribed by the Board. The Board may adopt such regulations as it reasonably deems necessary  
2151 to implement the provisions of this section, including regulations that permit the holder of a shipper's  
2152 license to amend the same by, among other things, adding or deleting any brands of wine, farm wine, or  
2153 beer identified in such shipper's license.

2154 B. Any applicant for a wine or beer shipper's license that does not own or have the right to control  
2155 the distribution of the brands of wine, farm wine, or beer identified in such person's application may be  
2156 issued a shipper's license for wine or beer or both, if the applicant has obtained and filed with its  
2157 application for a shipper's license, and with any subsequent application for renewal thereof, the written  
2158 consent of either (i) the winery, farm winery, or brewery whose brands of wine, farm wine, or beer are  
2159 identified therein or (ii) any wholesale distributor authorized to distribute the wine or beer produced by  
2160 the winery, farm winery or brewery. Any winery, farm winery, or brewery, or its wholesale distributor,  
2161 that has provided written authorization to a shipper licensed pursuant to this section to sell and ship its  
2162 brand or brands of wine, farm wine, or beer shall not be restricted by any provision of this section from  
2163 withdrawing such authorization at any time. If such authorization is withdrawn, the winery, farm winery,  
2164 or brewery shall promptly notify such shipper licensee and the Board in writing of its decision to  
2165 withdraw from such shipper licensee the authority to sell and ship any of its brands, whereupon such  
2166 shipper licensee shall promptly file with the Board an amendment to its license eliminating any such  
2167 withdrawn brand or brands from the shipper's license.

2168 C. The direct shipment of beer and wine by holders of licenses issued pursuant to this section shall  
2169 be by approved common carrier only. The Board shall develop regulations pursuant to which common  
2170 carriers may apply for approval to provide common carriage of wine or beer, or both, shipped by  
2171 holders of licenses issued pursuant to this section. Such regulations shall include provisions that require  
2172 (i) the recipient to demonstrate, upon delivery, that he is at least 21 years of age; (ii) the recipient to  
2173 sign an electronic or paper form or other acknowledgement of receipt as approved by the Board; and  
2174 (iii) the Board-approved common carrier to submit to the Board such information as the Board may  
2175 prescribe. The Board-approved common carrier shall refuse delivery when the proposed recipient appears  
2176 to be under the age of 21 years and refuses to present valid identification. All licensees shipping wine or  
2177 beer pursuant to this section shall affix a conspicuous notice in 16-point type or larger to the outside of  
2178 each package of wine or beer shipped within or into the Commonwealth, in a conspicuous location  
2179 stating: "CONTAINS ALCOHOLIC BEVERAGES; SIGNATURE OF PERSON AGED 21 YEARS OR  
2180 OLDER REQUIRED FOR DELIVERY." Any delivery of alcoholic beverages to a minor by a common  
2181 carrier shall constitute a violation by the common carrier. The common carrier and the shipper licensee  
2182 shall be liable only for their independent acts.

2183 D. For purposes of §§ 4.1-234 and 4.1-236 and Chapter 6 (§ 58.1-600 et seq.) of Title 58.1, each  
2184 shipment of wine or beer by a wine shipper licensee or a beer shipper licensee shall constitute a sale in  
2185 Virginia. The licensee shall collect the taxes due to the Commonwealth and remit any excise taxes  
2186 monthly to the ~~Department of Virginia~~ Alcoholic Beverage Control Authority and any sales taxes to the  
2187 Department of Taxation.

2188 E. Notwithstanding the provisions of § 4.1-203, the holder of a wine shipper license or beer shipper  
2189 license may solicit and receive applications for subscription to a wine-of-the-month or beer-of-the-month  
2190 club at in-state or out-of-state locations for which a license for on-premises consumption has been  
2191 issued, other than the place where the licensee carries on the business for which the license is granted.  
2192 For the purposes of this subsection, "wine-of-the-month club" or "beer-of-the-month club" shall mean an  
2193 agreement between an in-state or out-of-state holder of a wine shipper license or beer shipper license  
2194 and a consumer in Virginia to whom alcoholic beverages may be lawfully sold that the shipper will sell  
2195 and ship to the consumer and the consumer will purchase a lawful amount of wine or beer each month  
2196 for an agreed term of months.

2197 F. Notwithstanding the provisions of § 4.1-203, a wine or beer shipper licensee may ship wine or  
2198 beer as authorized by this section through the use of the services of an approved fulfillment warehouse.  
2199 For the purposes of this section, a "fulfillment warehouse" means a business operating a warehouse and  
2200 providing storage, packaging, and shipping services to wineries or breweries. The Board shall develop  
2201 regulations pursuant to which fulfillment warehouses may apply for approval to provide storage,  
2202 packaging, and shipping services to holders of licenses issued pursuant to this section. Such regulations  
2203 shall include provisions that require (i) the fulfillment warehouse to demonstrate that it is appropriately  
2204 licensed for the services to be provided by the state in which its place of business is located, (ii) the  
2205 Board-approved fulfillment warehouse to maintain such records and to submit to the Board such  
2206 information as the Board may prescribe, and (iii) the fulfillment warehouse and each wine or beer  
2207 shipper licensed under this section to whom services are provided to enter into a contract designating the  
2208 fulfillment warehouse as the agent of the shipper for purposes of complying with the provisions of this  
2209 section.

2210 G. Notwithstanding the provisions of § 4.1-203, a wine or beer shipper licensee may sell wine or  
2211 beer as authorized by this section through the use of the services of an approved marketing portal. For

the purposes of this section, a "marketing portal" means a business organized as an agricultural cooperative association under the laws of a state, soliciting and receiving orders for wine or beer and accepting and processing payment of such orders as the agent of a licensed wine or beer shipper. The Board shall develop regulations pursuant to which marketing portals may apply for approval to provide marketing services to holders of licenses issued pursuant to this section. Such regulations shall include provisions that require (i) the marketing portal to demonstrate that it is appropriately organized as an agricultural cooperative association and licensed for the services to be provided by the state in which its place of business is located, (ii) the Board-approved marketing portal to maintain such records and to submit to the Board such information as the Board may prescribe, and (iii) the marketing portal and each wine or beer shipper licensed under this section to whom services are provided to enter into a contract designating the marketing portal as the agent of the shipper for purposes of complying with the provisions of this section.

**§ 4.1-212.1. Permits; delivery of wine and beer; regulations of Board.**

A. Any brewery, winery, or farm winery located within or outside the Commonwealth that is authorized to engage in the retail sale of wine or beer for off-premises consumption may apply to the Board for issuance of a delivery permit that shall authorize the delivery of the brands of beer, wine, and farm wine produced by the same brewery, winery, or farm winery in closed containers to consumers within the Commonwealth for personal consumption.

B. Any person located within or outside the Commonwealth who is authorized to sell wine or beer at retail for off-premises consumption in their state of domicile, and who is not a brewery, winery, or farm winery, may apply for a delivery permit that shall authorize the delivery of any brands of beer, wine, and farm wine it is authorized to sell in its state of domicile, in closed containers, to consumers within the Commonwealth for personal consumption.

C. All such deliveries shall be to consumers within the Commonwealth for personal consumption only, and not for resale. All such deliveries of beer, wine, or farm wine shall be performed by the owner or any agent, officer, director, shareholder or employee of the permittee. No more than four cases of wine nor more than four cases of beer may be delivered at one time to any person in Virginia to whom alcoholic beverages may be lawfully sold; except that the permittee may deliver more than four cases of wine or more than four cases of beer if he notifies the Department in writing at least one business day in advance of any such delivery, which notice contains the name and address of the intended recipient. The Board may adopt such regulations as it reasonably deems necessary to implement the provisions of this section. Such regulations shall include provisions that require (i) the recipient to demonstrate, upon delivery, that he is at least 21 years of age; and (ii) the recipient to sign an electronic or paper form or other acknowledgement of receipt as approved by the Board.

D. For purposes of §§ 4.1-234 and 4.1-236 and Chapter 6 (§ 58.1-600 et seq.) of Title 58.1, each delivery of wine or beer by a permittee shall constitute a sale in Virginia. The permittee shall collect the taxes due to the Commonwealth and remit any excise taxes monthly to the Department of Virginia Alcoholic Beverage Control Authority and any sales taxes to the Department of Taxation.

The local governing body shall publish notice of the hearing once in a newspaper of general circulation in the county, city, or town. The public hearing shall not be held until at least five days after the notice is published in the newspaper.

4019 be deemed "documented" if the person covered under this section gave notice, written or otherwise, of  
4020 the occupational exposure to his employer, and an occupational exposure occurring prior to July 1, 2002,

4039 make a claim for medical benefits pursuant to § 65.2-603, including entitlement to an annual medical

4047 undergo the immunization or prophylaxis unless the person's physician determines in writing that the  
4048 immunization or prophylaxis would pose a significant risk to the person's health. Absent such written  
4049 declaration, failure or refusal by a person subject to the provisions of this section to undergo such  
4050 immunization or prophylaxis shall disqualify the person from any presumption established by this  
4051 section.

4052 E. The presumptions described in subsection A shall only apply if persons entitled to invoke them  
4053 have, if requested by the appointing authority or governing body employing them, undergone  
4054 preemployment physical examinations that (i) were conducted prior to the making of any claims under  
4055 this title that rely on such presumptions, (ii) were performed by physicians whose qualifications are as  
4056 prescribed by the appointing authority or governing body employing such persons, (iii) included such

appropriate laboratory and other diagnostic studies as the appointing authorities or governing bodies may have prescribed, and (iv) found such persons free of hepatitis, meningococcal meningitis, tuberculosis or HIV at the time of such examinations. 10. That any accrued sick leave or annual leave of any employee of the Department of Alcoholic Beverage Control who transfers to the Virginia Alcoholic Beverage Control Authority in accordance with the provisions of this act shall transfer with the employee.
