The Fund shall consist of such moneys appropriated by the General Assembly and any other funds available from donations, grants, in-kind contributions, and other funds as may be received for the purposes stated herein. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund may be used in conjunction with or as matching funds for any eligible federal grants for the same purpose. As used in this section, "incremental cost" means the entire cost of a certified conversion of an existing vehicle to use at least one alternative fuel or the additional cost of purchasing a new vehicle equipped to operate on at least one alternative fuel over the normal cost of a similar vehicle equipped to operate on a conventional fuel such as gasoline or diesel *fuel*.

The Director, in consultation with the Director of the Department of Mines, Minerals and Energy, shall establish guidelines for contributions and reimbursements from the Fund for the purchase or conversion of state-owned [ ~~or local government-owned~~ ] vehicles.
