14	§ 58.1-439.12:11. Tax credit for employing graduates of public colleges and universities.
15	A. For taxable years beginning on or after January 1, 2014, but prior to January 1, 2016, a small
16 17	business shall be eligible for a credit against the tax levied pursuant to § 58.1-320 or 58.1-400 for each new full-time job created by the small business during the taxable year that has been filled by a
18	Virginia graduate. The amount of the credit shall equal \$2,500 for each such new full-time job created.
19	However, if the new full-time job created is a STEM or STEAM position that is filled by a Virginia
20	graduate with a STEM or STEAM degree then the credit shall equal \$20,000 for such job.

43 44	preceding the date the person was hired into a full-time job and (ii) not an independent contractor of
45	the small business within such three-year period.
46	C. To be eligible for the tax credit provided in subsection A, a small business shall demonstrate that

53 54	with the Department. In no case shall the Department issue more than \$2 million in tax credits under this section during any fiscal year of the Commonwealth. The Department shall develop procedures to
55	issue tax credits in the event that applications for tax credits exceed \$2 million for the fiscal year.
