6 **Be it enacted by the General Assembly of Virginia:**

7 **1. That § 46.2-1220 of the Code of Virginia is amended and reenacted as follows:**

8 **§ 46.2-1220. Parking, stopping, and standing regulations in counties, cities, or towns; parking**
9 **meters; presumption as to violation of ordinances; penalty.**

10 The governing body of any county, city, or town may by ordinance provide for the regulation of
11 parking, stopping, and standing of vehicles within its limits, including, *but not limited to, the regulation*
12 *of any vehicle blocking access to and preventing use of curb ramps, fire hydrants, and mailboxes on*
13 *public or private property. Such ordinances may also include the installation and maintenance of*
14 parking meters. The ordinance may require the deposit of a coin of a prescribed denomination,
15 determine the length of time a vehicle may be parked, and designate a department, official, or employee
16 of the local government to administer the provisions of the ordinance. The ordinance may delegate to
17 that department, official, or employee the authority to make and enforce any additional regulations
18 concerning parking that may be required, including, but not limited to, penalties for violations, deadlines
19 for the payment of fines, and late payment penalties for fines not paid when due. In a city having a
20 population of at least 100,000, the ordinance may also provide that a summons or parking ticket for the
21 violation of the ordinance or regulations may be issued by law-enforcement officers, other uniformed
22 city employees, or by uniformed personnel serving under contract with the city. Notwithstanding the
23 foregoing provisions of this section, the governing bodies of Augusta, Bath, and Rockingham Counties
24 may by ordinance provide for the regulation of parking, stopping, and standing of vehicles within their
25 limits, but no such ordinance shall authorize or provide for the installation and maintenance of parking
26 meters.

27 No ordinance adopted under the provisions of this section shall prohibit the parking of two
28 motorcycles in single parking spaces designated, marked, and sized for four-wheel vehicles. The
29 governing body of any county, city, or town may, by ordinance, permit the parking of three or more
30 motorcycles in single parking spaces designated, marked, and sized for four-wheel vehicles.

31 If any ordinance regulates parking on an interstate highway or any arterial highway or any extension
32 of an arterial highway, it shall be subject to the approval of the Commissioner of Highways.

33 In any prosecution charging a violation of the ordinance or regulation, proof that the vehicle
34 described in the complaint, summons, parking ticket citation, or warrant was parked in violation of the
35 ordinance or regulation, together with proof that the defendant was at the time the registered owner of
36 the vehicle, as required by Chapter 6 (§ 46.2-600 et seq.) of this title, shall constitute in evidence a
37 prima facie presumption that the registered owner of the vehicle was the person who committed the
38 violation. Violators of local ordinances adopted by Chesterfield County or James City County pursuant
39 to this section shall be subject to a civil penalty not to exceed \$75, the proceeds from which shall be
40 paid into the locality's general fund.

41 **2. That §§ 46.2-1306 and 46.2-1306.1 of the Code of Virginia are repealed.**
