[H 856]

6 **Be it enacted by the General Assembly of Virginia:**

7 **1. That § 10.1-1426 of the Code of Virginia is amended and reenacted as follows:**

8 **§ 10.1-1426. Permits required; waiver of requirements; reports; conditional permits.**

9 A. No person shall ~~transport~~, store, provide treatment for, or dispose of a hazardous waste without a
10 permit from the Director.

11 B. Any person generating, transporting, storing, providing treatment for, or disposing of a hazardous
12 waste shall report to the Director, by such date as the Board specifies by regulation, the following: (i)
13 his name and address, (ii) the name and nature of the hazardous waste, and (iii) the fact that he is
14 generating, transporting, storing, providing treatment for or disposing of a hazardous waste. A person
15 who is an exempt small quantity generator of hazardous wastes, as defined by the administrator of the
16 Environmental Protection Agency, shall be exempt from the requirements of this subsection.

17 C. Any permit shall contain the conditions or requirements required by the Board's regulations and
18 the federal acts.

19 D. Upon the issuance of an emergency permit for the storage of hazardous waste, the Director shall
20 notify the chief administrative officer of the local government for the jurisdiction in which the permit
21 has been issued.

22 E. The Director may deny an application under this article on any grounds for which a permit may
23 be amended, suspended or revoked listed under subsection A of § 10.1-1427.

24 F. Any locality or state agency may collect hazardous waste from exempt small quantity generators
25 for shipment to a permitted treatment or disposal facility if done in accordance with (i) a permit to store,
26 treat, or dispose of hazardous waste issued pursuant to this chapter or (ii) a permit to transport
27 hazardous waste, and the wastes collected are stored for no more than 10 days prior to shipment to a
28 permitted treatment or disposal facility. If household hazardous waste is collected and managed with
29 hazardous wastes collected from exempt small quantity generators, all waste shall be managed in
30 accordance with the provisions of this subsection.
