HOUSE BILL NO. 933

Offered January 8, 2014

Prefiled January 8, 2014

A BILL to amend and reenact § 20-108.2 of the Code of Virginia, relating to child support guidelines.

Patrons—Watts, Loupassi and Ward

Referred to Committee for Courts of Justice

Be it enacted by the General Assembly of Virginia:**1. That § 20-108.2 of the Code of Virginia is amended and reenacted as follows:****§ 20-108.2. Guideline for determination of child support; quadrennial review by Child Support Guidelines Review Panel; executive summary.**

A. There shall be a rebuttable presumption in any judicial or administrative proceeding for child support under this title or Title 16.1 or 63.2, including cases involving split custody or shared custody, that the amount of the award which would result from the application of the guidelines set forth in this section is the correct amount of child support to be awarded. In order to rebut the presumption, the court shall make written findings in the order as set out in § 20-108.1, which findings may be incorporated by reference, that the application of the guidelines would be unjust or inappropriate in a particular case as determined by relevant evidence pertaining to the factors set out in § 20-108.1. The Department of Social Services shall set child support at the amount resulting from computations using the guidelines set out in this section pursuant to the authority granted to it in Chapter 19 (§ 63.2-1900 et seq.) of Title 63.2 and subject to the provisions of § 63.2-1918.

B. For purposes of application of the guideline, a basic child support obligation shall be computed using the schedule set out below. For combined monthly gross income amounts falling between amounts shown in the schedule, basic child support obligation amounts shall be extrapolated. However, unless one of the following exemptions applies where the sole custody child support obligation as computed pursuant to subdivision G 1 is less than \$65 the statutory minimum per month, there shall be a presumptive minimum child support obligation of \$65 the statutory minimum per month payable by the payor parent. *If the gross income of the obligor is equal to or less than 150 percent of the federal poverty level promulgated by the U.S. Department of Health and Human Services from time to time, then the court, upon hearing evidence that there is no ability to pay the presumptive statutory minimum, may set an obligation below the presumptive statutory minimum provided doing so does not create or reduce a support obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal adequate housing and provide other basic necessities for the child.* Exemptions from this presumptive minimum monthly child support obligation shall include: parents unable to pay child support because they lack sufficient assets from which to pay child support and who, in addition, are institutionalized in a psychiatric facility; are imprisoned for life with no chance of parole; are medically verified to be totally and permanently disabled with no evidence of potential for paying child support, including recipients of Supplemental Security Income (SSI); or are otherwise involuntarily unable to produce income. "Number of children" means the number of children for whom the parents share joint legal responsibility and for whom support is being sought.

993 C. For purposes of this section, "gross income" means all income from all sources, and shall include,
 994 but not be limited to, income from salaries, wages, commissions, royalties, bonuses, dividends, severance
 995 pay, pensions, interest, trust income, annuities, capital gains, social security benefits except as listed
 996 below, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits,
 997 veterans' benefits, spousal support, rental income, gifts, prizes or awards.

998 If a parent's gross income includes disability insurance benefits, it shall also include any amounts
 999 paid to or for the child who is the subject of the order and derived by the child from the parent's
 1000 entitlement to disability insurance benefits. To the extent that such derivative benefits are included in a
 1001 parent's gross income, that parent shall be entitled to a credit against his or her ongoing basic child
 1002 support obligation for any such amounts, and, if the amount of the credit exceeds the parent's basic child
 1003 support obligations, the credit may be used to reduce arrearages.

1004 Gross income shall be subject to deduction of reasonable business expenses for persons with income
 1005 from self-employment, a partnership, or a closely held business. "Gross income" shall not include:

- 1006 1. Benefits from public assistance and social services programs as defined in § 63.2-100;
- 1007 2. Federal supplemental security income benefits;
- 1008 3. Child support received; or

1009 4. Income received by the payor from secondary employment income not previously included in
 1010 "gross income," where the payor obtained the income to discharge a child support arrearage established
 1011 by a court or administrative order and the payor is paying the arrearage pursuant to the order.
 1012 "Secondary employment income" includes but is not limited to income from an additional job, from
 1013 self-employment, or from overtime employment. The cessation of such secondary income upon the
 1014 payment of the arrearage shall not be the basis for a material change in circumstances upon which a
 1015 modification of child support may be based.

1016 For purposes of this subsection: (i) spousal support received shall be included in gross income and
 1017 spousal support paid shall be deducted from gross income when paid pursuant to an order or written
 1018 agreement and (ii) one-half of any self-employment tax paid shall be deducted from gross income.

1019 Where there is an existing court or administrative order or written agreement relating to the child or
 1020 children of a party to the proceeding, who are not the child or children who are the subject of the
 1021 present proceeding, then there is a presumption that there shall be deducted from the gross income of

the party subject to such order or written agreement, the amount that the party is actually paying for the support of a child or children pursuant to such order or agreement.

Where a party to the proceeding has a natural or adopted child or children in the party's household or primary physical custody, and the child or children are not the subject of the present proceeding, there is a presumption that there shall be deducted from the gross income of that party the amount as shown on the Schedule of Monthly Basic Child Support Obligations contained in subsection B that represents that party's support obligation based solely on that party's income as being the total income available for the natural or adopted child or children in the party's household or primary physical custody, who are not the subject of the present proceeding. Provided, however, that the existence of a party's financial responsibility for such a child or children shall not of itself constitute a material change in circumstances for modifying a previous order of child support in any modification proceeding. Any adjustment to gross income under this subsection shall not create or reduce a support obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal adequate housing and provide other basic necessities for the child, as determined by the court.

In cases in which retroactive liability for support is being determined, the court or administrative agency may use the gross monthly income of the parties averaged over the period of retroactivity.

D. Except for good cause shown or the agreement of the parties, in addition to any other child support obligations established pursuant to this section, any child support order shall provide that the parents pay in proportion to their gross incomes, as used for calculating the monthly support obligation, any reasonable and necessary unreimbursed medical or dental expenses ~~that are in excess of \$250 for any calendar year for each child who is the subject of the obligation.~~ The method of payment of those expenses shall be contained in the support order. Each parent shall pay his respective share of expenses as those expenses are incurred. Any amount paid under this subsection shall not be adjusted by, nor added to, the child support calculated in accordance with subsection G. For the purposes of this section, medical or dental expenses shall include but not be limited to eyeglasses, prescription medication, prosthetics, orthodontics, and mental health or developmental disabilities services, including but not limited to services provided by a social worker, psychologist, psychiatrist, counselor, or therapist.

E. Any costs for health care coverage as defined in § 63.2-1900 and dental care coverage, when actually being paid by a parent or that parent's spouse, to the extent such costs are directly allocable to the child or children, and which are the extra costs of covering the child or children beyond whatever coverage the parent or that parent's spouse providing the coverage would otherwise have, shall be added to the basic child support obligation.

F. Any child-care costs incurred on behalf of the child or children due to employment of the custodial parent shall be added to the basic child support obligation. Child-care costs shall not exceed the amount required to provide quality care from a licensed source. When requested by the noncustodial parent, the court may require the custodial parent to present documentation to verify the costs incurred for child care under this subsection. Where appropriate, the court shall consider the willingness and availability of the noncustodial parent to provide child care personally in determining whether child-care costs are necessary or excessive. Upon the request of either party, and upon a showing of the tax savings a party derives from child-care cost deductions or credits, the court shall factor actual tax consequences into its calculation of the child-care costs to be added to the basic child support obligation.

G. 1. Sole custody support. The sole custody total monthly child support obligation shall be established by adding (i) the monthly basic child support obligation, as determined from the schedule contained in subsection B, (ii) costs for health care coverage to the extent allowable by subsection E, and (iii) work-related child-care costs and taking into consideration all the factors set forth in subsection B of § 20-108.1. The total monthly child support obligation shall be divided between the parents in the same proportion as their monthly gross incomes bear to their monthly combined gross income. The monthly obligation of each parent shall be computed by multiplying each parent's percentage of the parents' monthly combined gross income by the total monthly child support obligation.

However, the monthly obligation of the noncustodial parent shall be reduced by the cost for health care coverage to the extent allowable by subsection E when paid directly by the noncustodial parent or that parent's spouse. Unreimbursed medical and dental expenses shall be calculated and allocated in accordance with subsection D.

2. Split custody support. In cases involving split custody, the amount of child support to be paid shall be the difference between the amounts owed by each parent as a noncustodial parent, computed in accordance with subdivision 1, with the noncustodial parent owing the larger amount paying the difference to the other parent. Unreimbursed medical and dental expenses shall be calculated and allocated in accordance with subsection D.

For the purpose of this section and § 20-108.1, split custody shall be limited to those situations where each parent has physical custody of a child or children born of the parents, born of either parent and adopted by the other parent or adopted by both parents. For the purposes of calculating a child

1083 support obligation where split custody exists, a separate family unit exists for each parent, and child
1084 support for that family unit shall be calculated upon the number of children in that family unit who are
1085 born of the parents, born of either parent and adopted by the other parent or adopted by both parents.
1086 Where split custody exists, a parent is a custodial parent to the children in that parent's family unit and
1087 is a noncustodial parent to the children in the other parent's family unit.

1088 3. Shared custody support.

1089 (a) Where a party has custody or visitation of a child or children for more than 90 days of the year,
1090 as such days are defined in subdivision G 3 (c), a shared custody child support amount based on the
1091 ratio in which the parents share the custody and visitation of any child or children shall be calculated in
1092 accordance with this subdivision. The presumptive support to be paid shall be the shared custody
1093 support amount, unless a party affirmatively shows that the sole custody support amount calculated as
1094 provided in subdivision G 1 is less than the shared custody support amount. If so, the lesser amount
1095 shall be the support to be paid. For the purposes of this subsection, the following shall apply:

1096 (i) Income share. "Income share" means a parent's percentage of the combined monthly gross income
1097 of both parents. The income share of a parent is that parent's gross income divided by the combined
1098 gross incomes of the parties.

1099 (ii) Custody share. "Custody share" means the number of days that a parent has physical custody,
1100 whether by sole custody, joint legal or joint residential custody, or visitation, of a shared child per year
1101 divided by the number of days in the year. The actual or anticipated "custody share" of the parent who
1102 has or will have fewer days of physical custody shall be calculated for a one-year period. The "custody
1103 share" of the other parent shall be presumed to be the number of days in the year less the number of
1104 days calculated as the first parent's "custody share." For purposes of this calculation, the year may begin
1105 on such date as is determined in the discretion of the court, and the day may begin at such time as is
1106 determined in the discretion of the court. For purposes of this calculation, a day shall be as defined in
1107 subdivision G 3 (c).

1108 (iii) Shared support need. "Shared support need" means the presumptive guideline amount of needed
1109 support for the shared child or children calculated pursuant to subsection B of this section, for the
1110 combined gross income of the parties and the number of shared children, multiplied by 1.4.

1111 (iv) Sole custody support. "Sole custody support" means the support amount determined in
1112 accordance with subdivision G 1.

1113 (b) Support to be paid. The shared support need of the shared child or children shall be calculated
1114 pursuant to subdivision G 3 (a) (iii). This amount shall then be multiplied by the other parent's custody
1115 share. To that sum for each parent shall be added the other parent's or that parent's spouse's cost of
1116 health care coverage to the extent allowable by subsection E, plus the other parent's work-related
1117 child-care costs to the extent allowable by subsection F. This total for each parent shall be multiplied by
1118 that parent's income share. The support amounts thereby calculated that each parent owes the other shall
1119 be subtracted one from the other and the difference shall be the shared custody support one parent owes
1120 to the other, with the payor parent being the one whose shared support is the larger. Unreimbursed
1121 medical and dental expenses shall be calculated and allocated in accordance with subsection D.

1122 (c) Definition of a day. For the purposes of this section, "day" means a period of 24 hours; however,
1123 where the parent who has the fewer number of overnight periods during the year has an overnight
1124 period with a child, but has physical custody of the shared child for less than 24 hours during such
1125 overnight period, there is a presumption that each parent shall be allocated one-half of a day of custody
1126 for that period.

1127 (d) Minimum standards. Any calculation under this subdivision shall not create or reduce a support
1128 obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal
1129 adequate housing and provide other basic necessities for the child. If the gross income of either party is
1130 equal to or less than 150 percent of the federal poverty level promulgated by the U.S. Department of
1131 Health and Human Services from time to time, then the shared custody support calculated pursuant to
1132 this subsection shall not be the presumptively correct support and the court may consider whether the
1133 sole custody support or the shared custody support is more just and appropriate.

1134 (e) Support modification. When there has been an award of child support based on the shared
1135 custody formula and one parent consistently fails to exercise custody or visitation in accordance with the
1136 parent's custody share upon which the award was based, there shall be a rebuttable presumption that the
1137 support award should be modified.

1138 (f) In the event that the shared custody support calculation indicates that the net support is to be paid
1139 to the parent who would not be the parent receiving support pursuant to the sole custody calculation,
1140 then the shared support shall be deemed to be the lesser support.

1141 H. The Secretary of Health and Human Resources shall ensure that the guideline set out in this
1142 section is reviewed by October 31, 2001, and every four years thereafter, by the Child Support
1143 Guidelines Review Panel, consisting of 15 members comprised of four legislative members and 11
