**2. Patron:** Orrock, Robert D. Sr.

**3. Committee:** Passed Both Houses

**4. Title:** Veterinarians; dispensing compounded drug products

**5. Summary:** The enrolled bill provides that a veterinarian may dispense a 72-hour supply of a compounded drug product for a companion animal that is his patient when the compounded drug product is dispensed to treat an emergency condition and timely access to a compounding pharmacy is not available. The bill also requires pharmacists to label compounded drug products dispensed to veterinarians with the name and strength of the drug product or list of the active ingredients and strengths, the facility's control number, a beyond-use date, the name and address of the pharmacy, and the quantity dispensed. In addition, the bill requires the Board of Pharmacy to convene a workgroup to explore and clarify issues related to the compounding of drugs for human and animal use.

**6. Budget Amendment Necessary:** No

**7. Minimal Fiscal Impact**

**8. Fiscal Implications:** The minimal costs associated with convening the required workgroup could be absorbed by the agency within existing resources.

**9. Specific Agency or Political Subdivisions Affected:** Department of Health Professions
