5. Summary: Provides that it shall be unlawful for any person to place before the public through any medium an advertisement for services in the Commonwealth requiring a license, certification, or registration unless the individual providing the services possesses the necessary license, certification, or registration at the time of the posting. Any person convicted of a violation of such advertisement is guilty of a Class 1 misdemeanor.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary; See Item 8 below.

8. Fiscal Implications: Although insufficient data exists to determine the fiscal impact due to this proposal, the proposed legislation could result in an increase in the jail population since Class 1 misdemeanor outcomes result in sentences of up to 12 months in jail (and a fine up to \$2,500). Any increase in jail population will increase costs to the state. The Commonwealth presently pays the localities \$4.00 a day for each misdemeanant or otherwise local responsible prisoner held in a jail. It also funds most of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's FY2012 Jail Cost Report (November 1, 2013), the estimated total state support for local and regional jails averaged \$30.06 per state inmate, per day in FY 2012.

9. Specific Agency or Political Subdivisions Affected: Local and regional jails, State Compensation Board.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
