

Fiscal Impact Statement for Proposed Legislation

Virginia Criminal Sentencing Commission

House Bill No. 535 (Patron – Plum)

LD#: 14100894

Date: 11/26/2013

Topic: Criminal history checks at firearm shows

Fiscal Impact Summary:

- **State Adult Correctional Facilities:**
\$50,000 *
- **Local Adult Correctional Facilities:**
Cannot be determined
- **Adult Community Corrections Programs:**
Cannot be determined

- **Juvenile Correctional Centers:**
None (\$0)
- **Juvenile Detention Facilities:**

* The estimated amount of the necessary appropriation cannot be determined for periods of imprisonment in state adult correctional facilities; therefore, Chapter 806 of the 2013 Acts of Assembly requires the Virginia Criminal Sentencing Commission to assign a minimum fiscal impact of \$50,000.

Summary of Proposed Legislation:

The proposal amends §§ 54.1-4200 and 54.1-4201.1 of the *Code of Virginia* and adds provisions relating to purchases at firearms shows. Under the proposed § 18.2-308.2:4, gun show vendors would be required to obtain verification from a licensed firearm dealer that a prospective purchaser is not prohibited from possessing a firearm under state or federal law.

The penalties proposed for firearms show vendors and their prospective buyers parallel existing penalties for licensed dealers and their prospective buyers. Making a materially false statement on a consent form required to purchase a firearm (as specified in § 18.2-308.2:2) is a Class 5 felony. Any person who willfully and intentionally sells, rents, trades, or transfers a firearm in violation of these provisions is guilty of a Class 6 felony. Willfully and intentionally requesting or obtaining criminal history information under false pretenses or unlawfully disseminating criminal history record information is a Class 2 misdemeanor.

In addition, the proposal modifies the definition of “firearms show,” under § 54.1-4200, to include the entire premises, including parking areas. The proposed amendment to § 54.1-4200 also defines the terms “firearms show vendor” and “promoter.” The proposed § 54.1-4201.2 outlines the duties of the promoter in verifying the identities of the vendors and providing each vendor with a notice of statutory obligations, as well as posting a notice at the firearms show that describes the requirement for a criminal history record check. This part of the proposal would also require promoters to make one or more licensed dealers available to firearms show vendors for the purpose of conducting criminal history checks on prospective buyers.

Analysis:

According to fiscal year (FY) 2012 and FY2013 Sentencing Guidelines Database data, there were 103 felony convictions under § 18.2-308.2:2(K) for providing false statements on a consent form. This offense was the primary, or most serious, offense in 99 of the cases. The majority (75.8%) of these offenders did not receive an active term of incarceration to serve after sentencing and 18.2% of the offenders were sentenced to a local-responsible (jail) term, for which the median sentence was five months. The remaining 6.1% were sentenced to a state-responsible (prison) term. For offenders committed to prison, the median sentence length was 1 year and 6 months.

The Circuit Court Case Management System (CMS)¹ for FY2012 and FY2013 indicates that no offenders were convicted of a Class 6 felony under § 18.2-308.2:2(L) relating to dealers selling or transferring firearms in violation of § 18.2-308.2:2.

According to the General District CMS data for FY2012 and FY2013, three individuals were convicted of a misdemeanor under § 18.2-308.2:2(F) for unlawfully disseminating criminal history information or obtaining criminal history information under false pretenses. None of these offenders received an active term of incarceration to serve after sentencing.

Impact of Proposed Legislation:

State adult correctional facilities. Because it creates new felony offenses, the proposal may increase the future state-responsible (prison) bed space needs of the Commonwealth. Existing databases do not provide sufficient detail to estimate the number of new felony convictions likely to result from enactment of the proposal. As a result, the magnitude of the impact on prison beds cannot be quantified.

Local adult correctional facilities. The proposal may increase local-responsible (jail) bed space needs; however, the magnitude of the impact cannot be determined.

Adult community corrections resources. Because the proposal could result in additional felony convictions and subsequent supervision requirements for an additional number of offenders, the proposal may increase the need for adult community corrections resources. Since the number of cases that may be affected cannot be determined, the potential impact on community corrections resources cannot be quantified.

Virginia's sentencing guidelines. Because the proposal defines new felony offenses, convictions under the proposed section of the *Code* would not be covered by the sentencing guidelines as the primary, or most serious, offense. Such a conviction, however, could augment the guidelines recommendation if the most serious offense at sentencing is covered by the guidelines. No adjustment to the guidelines is necessary under the proposal.

Juvenile correctional centers. The Department of Juvenile Justice reports that this proposal would have no impact on bed space needs for juvenile correctional centers.

Juvenile detention facilities. The Department of Juvenile Justice reports that this proposal would have no impact on juvenile detention center bed space needs.

Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation cannot be determined for periods of imprisonment in state adult correctional facilities; therefore, Chapter 806 of the 2013 Acts of Assembly requires the Virginia Criminal Sentencing Commission to assign a minimum fiscal impact of \$50,000.

Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation is \$0 for periods of commitment to the custody of the Department of Juvenile Justice.
