**8. Fiscal Implications:** This bill increases the administrative and regulatory responsibilities of the Department of Professional and Occupational Regulation (DPOR) by requiring the Cemetery Board to adopt regulations to implement the new provisions regarding interment of pets. This will require two additional board meetings at a one-time cost of approximately \$1,400, in FY 2015. This will also require three mailings to all licensed cemetery companies at a onetime cost of approximately \$300, in FY 2015. The Board currently regulates about 104 cemetery companies. No other additional costs are expected as a result of this legislation. The Board's current cash and revenue is sufficient to cover the increased costs associated with this legislation. Also, the additional costs can be absorbed within the agency's existing appropriation.

**9. Specific Agency or Political Subdivisions Affected:** Department of Professional and Occupational Regulation.

**10. Technical Amendment Necessary:** No.

**11. Other Comments:** None.
