Second House	<input checked="" type="checkbox"/> In Committee	<input checked="" type="checkbox"/> Substitute	<input type="checkbox"/> Enrolled

2. Patron: McEachin

3. Committee: Transportation

4. Title: Driver's license and special identification card designations

5. Summary: This bill permits the Department of Motor Vehicles (DMV), upon the request of the applicant and presentation of a signed statement by a licensed physician confirming the applicant's condition, to designate an intellectual disability or autism spectrum disorder on the applicant's driver's license and to designate hearing or speech impairment, insulin-dependent diabetes, or an intellectual disability or autism spectrum disorder on the applicant's special identification card. Current law allows the designation of a hearing or speech impairment or a condition of insulin-dependent diabetes on a person's driver's license.

6. Budget Amendment Necessary: No.

7. No fiscal impact. Preliminary. See Item #8.

8. Fiscal Implications: No implications.

9. Specific Agency or Political Subdivisions Affected: Department of Motor Vehicles, law enforcement agencies.

10. Technical Amendment Necessary: No.

11. Other Comments: The substitute bill removes the provision for DMV to establish an emergency contact program that would have allowed customers to provide an emergency contact person and information to be kept in their customer record and made available to law-enforcement officers in emergency situations.
