23 security numbers. In any case in which a student is ineligible, pursuant to these guidelines, to obtain a
24 social security number or the parent is unwilling to present such number, the superintendent or his
25 designee may assign another identifying number to the student or waive this requirement.

26 **§ 22.1-287.02. Unique student identification numbers.**

27 A. Neither the Department of Education nor any local school board shall require any student

30 B. The Department of Education shall develop a system of unique student identification numbers.
31 Each local school board shall assign such a number to each student enrolled in a public elementary or
32 secondary school. No student identification number shall include or be derived from the student's federal
33 social security number. Each student shall retain his student identification number for as long as he is
34 enrolled in a public elementary or secondary school in the Commonwealth.

35 **2. That the provisions of this act shall become effective on August 1, 2015.**
