6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 2.2-4309 of the Code of Virginia is amended and reenacted as follows:**8 **§ 2.2-4309. Modification of the contract.**

9 A. A public contract may include provisions for modification of the contract during performance, but

15 B. Any public body may extend the term of an existing contract for services to allow completion of  
16 any work undertaken but not completed during the original term of the contract.

17 C. Nothing in this section shall prevent any public body from placing greater restrictions on contract  
18 modifications.

19 D. *The provisions of this section shall not limit the amount a party to a public contract may claim*  
20 *or recover against a public body pursuant to § 2.2-4363 or any other applicable statute or regulation.*  
21 *Modifications made by a political subdivision that fail to comply with this section are voidable at the*
