

## 1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 *An Act to amend and reenact § 33.2-500 of the Code of Virginia, relating to use of HOT lanes by*  
3 *law-enforcement vehicles.*

4 [H 2235]

5 Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 33.2-500 of the Code of Virginia is amended and reenacted as follows:**8 **§ 33.2-500. Definitions.**

9 As used in this chapter, unless the context requires a different meaning:

10 "High-occupancy requirement" means the number of persons required to be traveling in a vehicle for  
11 the vehicle to use HOT lanes without the payment of a toll. Emergency vehicles, law-enforcement  
12 vehicles ~~using~~ *being used in* HOT lanes in the performance of ~~their~~ *law-enforcement* duties, which shall  
13 not include the use of such vehicles for commuting to and from the workplace *or for any purpose other*  
14 *than responding to an emergency incident, patrolling HOT lanes pursuant to an agreement by a state*  
15 *agency with the HOT lanes operator, or the time-sensitive investigation, active surveillance, or actual*  
16 *pursuit of persons known or suspected to be engaged in or with knowledge of criminal activity,* and  
17 mass transit vehicles and commuter buses shall meet the high-occupancy requirement for HOT lanes,  
18 regardless of the number of occupants in the vehicle.

19 "High-occupancy toll lanes" or "HOT lanes" means a portion of a highway containing one or more  
20 travel lanes separated from other lanes that has an electronic toll collection system, provides for free  
21 passage by vehicles that meet the high-occupancy requirement, and contains a photo-enforcement system  
22 for use in such electronic toll collection. HOT lanes shall not be a "toll facility" or "HOV lanes" for the  
23 purposes of any other provision of law or regulation.

24 "High-occupancy vehicle lanes" or "HOV lanes" means a portion of a highway containing one or  
25 more travel lanes for the travel of high-occupancy vehicles or buses as designated pursuant to  
26 § 33.2-320.

27 "HOT lanes operator" means the operator of the facility containing HOT lanes, which may include  
28 the Department of Transportation or some other entity.

29 "Mass transit vehicles" and "commuter buses" means vehicles providing a scheduled transportation  
30 service to the general public. Such vehicles shall comprise nonprofit, publicly or privately owned or  
31 operated transportation services, programs, or systems that may be funded pursuant to § 58.1-638.

32 "Owner" means the registered owner of a vehicle on record with the Department of Motor Vehicles  
33 or with the equivalent agency in another state. "Owner" does not mean a vehicle rental or vehicle  
34 leasing company.

35 "Photo-enforcement system" means a sensor installed in conjunction with a toll collection device to  
36 detect the presence of a vehicle that automatically produces one or more photographs, one or more  
37 microphotographs, a videotape, or other recorded images of each vehicle's license plate at the time it is  
38 detected by the toll collection device.

39 "Unauthorized vehicle" means a motor vehicle that is restricted from use of the HOT lanes pursuant  
40 to subdivision 4 a of § 33.2-503.
