No qualified student shall be counted in the resident school division's required effort to meet actual need for required matching local funds as prescribed by the Standards of Quality or any other initiative supported by the Commonwealth that requires a local match of funds.

H. The Department shall determine the state share per pupil funding for a qualified student and the retained savings based on the then current general appropriation act.

Each resident school division shall determine, based on the policies established by the Auditor of Public Accounts pursuant to subsection C of § 22.1-222.3, the appropriateness of the submitted receipts and invoices prior to consideration for a subsequent renewal request.

L. No entity that receives moneys from a Savings Account shall refund, rebate, or otherwise remit any such moneys directly to the parent or qualified student, but shall refund, rebate, or otherwise remit any such moneys to the Savings Account.

A. The Department shall establish a process for application, renewal, and appeal pursuant to subsections B and C of § 22.1-222.2.

B. The Department shall contract, either (i) directly or (ii) indirectly through Scholarship Foundations, with one or more qualified financial institutions to establish and require such financial institutions to manage Savings Accounts that comply with the provisions of this article. The costs to the qualified financial institution associated with the ongoing administration of the Savings Account and any compliance with this article may be passed on to the parent.

C. The Auditor of Public Accounts shall establish a process by which local school divisions shall audit Savings Accounts to ensure compliance with this article. Audit costs shall be borne by the resident school division.

D. Upon receiving the results of any audit pursuant to this article and a finding that a parent has intentionally misrepresented any expenditure set forth in subdivision B 5 of § 22.1-222.2, the resident school division may rescind the agreement, reclaim the balance in any such Savings Account, and declare such parent ineligible for renewal of the Savings Account. The parent may appeal such decision as provided in subsection C of § 22.1-222.2.

E. The resident school division may refer to the Department and the Office of the State Inspector General for investigation any case in which it finds evidence of fraudulent use of Savings Account moneys by a parent. If any expenditure is determined to be invalid or not permitted, the parent shall be required to reimburse the resident school division for such expense and the resident school division

183 shall withhold any future disbursement to the Savings Account until such time as the parent has made  
184 such reimbursement.

185 F. The Department shall establish policies for conducting appeals, preventing fraud, and determining  
186 the circumstances under which surety bond shall be required for Savings Account holders. Each local  
187 school board shall adopt policies that are consistent with such policies of the Department.

188 **§ 22.1-222.4. Scope of article.**

189 A. Nothing in this article shall be construed to permit any agency of the Commonwealth to exercise  
190 control or supervision over any private school or program of home instruction.

191 B. No qualified school that receives moneys from a Savings Account pursuant to this article shall be  
192 considered an agent of the state or federal government.

193 C. No qualified school shall be required to alter its creed, practices, admissions policies, or  
194 curriculum in order to receive moneys from a Savings Account pursuant to this article.

195 D. In any legal proceeding challenging the application of this article to a qualified school, the  
196 Commonwealth bears the burden of establishing that the law is necessary and does not impose any  
197 undue burden on the qualified school.

198 E. If any expense of a qualified student set forth in subdivision B 5 of § 22.1-222.2 is held to be  
199 invalid, such holding shall not affect the validity of any other expense of a qualified student set forth in  
200 such subdivision.

201 **2. That the provisions of this act shall not become effective unless reenacted by the 2016 Session of**  
202 **the General Assembly.**
