2 *An Act to amend and reenact § 46.2-1177 of the Code of Virginia, relating to the motor vehicle*
3 *emissions inspection program.*

4 [S 1218]

5 Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 46.2-1177 of the Code of Virginia is amended and reenacted as follows:**8 **§ 46.2-1177. Emissions inspection program.**

9 The Director shall administer an emissions inspection program. Such program shall require biennial
10 inspections of motor vehicles at official emissions inspection stations in accordance with this article and
11 may require additional inspections of motor vehicles that have been shown by on-road testing to exceed
12 emissions standards established by the Board.

13 The emissions inspections required in § 46.2-1178 shall not apply to any:

14 1. Vehicle powered by a clean special fuel as defined in § 46.2-749.3, provided provisions of the
15 federal Clean Air Act permit such exemption for vehicles powered by a clean special fuel;

16 2. Motorcycle or auticycle, unless such auticycle has been emissions certified with an on-board
17 diagnostic system by the U.S. Environmental Protection Agency;

18 3. Vehicle which, at the time of its manufacture was not designed to meet emissions standards set or
19 approved by the federal government;

20 4. Antique motor vehicle as defined in § 46.2-100 and licensed pursuant to § 46.2-730;

21 5. Vehicle for which no testing standards have been adopted by the Board; or

22 6. (Contingent effective date) Vehicle manufactured for the current model year or any of the three
23 immediately preceding model years unless identified by the remote sensing program as violating the
24 emissions standards established for that program.
