House of Origin	☒	Introduced	☐	Substitute	☐ Engrossed
Second House	☐	In Committee	☐	Substitute	☐ Enrolled

2. **Patron:** Torian

3. **Committee:** Education

4. **Title:** School divisions; concussion policies and procedures; management plan.

5. **Summary:** The proposed legislation would require each local school division to establish a management plan for implementation of and compliance with its policies and procedures regarding the identification and handling of suspected concussions in student-athletes. Currently, the Code of Virginia requires each local school division to develop policies and procedures regarding the identification and handling of suspected concussions in student-athletes but does not require a management plan for implementation of and compliance with these policies and procedures.

6. **Budget Amendment Necessary**: None.

7. **Fiscal Impact Estimates:** Preliminary. See Item 8.

8. **Fiscal Implications:** The bill does not require any state involvement in the management plans and has no state fiscal impact. There may be a local fiscal impact to school divisions to implement the management plans; however, these costs will vary by school division and cannot be determined at this time.

9. **Specific Agency or Political Subdivisions Affected:** Local school divisions

10. **Technical Amendment Necessary:** None.

11. **Other Comments:** Identical to SB998.
