2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health; however, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child;

4. Whose parents or other person responsible for his care commits or allows to be committed any sexual act upon a child in violation of the law;

5. Who is without parental care or guardianship caused by the unreasonable absence or the mental or physical incapacity of the child's parent, guardian, legal custodian, or other person standing in loco parentis; or

6. Whose parents or other person responsible for his care creates a substantial risk of physical or mental injury by knowingly leaving the child alone in the same dwelling, including an apartment as defined in § 55-79.2, with a person to whom the child is not related by blood or marriage and who the parent or other person responsible for his care knows has been convicted of an offense against a minor for which registration is required as a violent sexual offender pursuant to § 9.1-902.

If a civil proceeding under this chapter is based solely on the parent having left the child at a hospital or emergency medical services agency, it shall be an affirmative defense that such parent safely delivered the child to a hospital that provides 24-hour emergency services or to an attended emergency medical services agency that employs emergency medical services personnel, within 14 days of the child's birth. § 16.1-281. Foster care plan.

A. In any case in which (i) a local board of social services places a child through an agreement with the parents or guardians where legal custody remains with the parents or guardian, or (ii) legal custody of a child is given to a local board of social services or a child welfare agency, the local department of social services or child welfare agency shall prepare a foster care plan for such child, as described hereinafter. The individual family service plan developed by the family assessment and planning team pursuant to § 2.2-5208 may be accepted by the court as the foster care plan if it meets the requirements of this section.

The representatives of such department or agency shall involve the child's parent(s) in the development of the plan, except when parental rights have been terminated or the local department of social services or child welfare agency has made diligent efforts to locate the parent(s) and such parent(s) cannot be located, and any other person or persons standing in loco parentis at the time the board or child welfare agency obtained custody or the board placed the child. The representatives of such department or agency shall involve ~~the~~ *a child who is 14 years of age or older* in the development of the plan; *and, at the option of such child, up to two members of the case planning team who are chosen by the child and who are not a foster parent of, or caseworker for, the child. A child under 14 years of age may be involved in the development of the plan* if such involvement is consistent with the best interests of the child. In cases where either the parent(s) or child is not involved in the development of the plan, the department or agency shall include in the plan a full description of the reasons therefor.

The department or child welfare agency shall file the plan with the juvenile and domestic relations district court within 45 days following the transfer of custody or the board's placement of the child unless the court, for good cause shown, allows an extension of time, which shall not exceed an additional 60 days. However, a foster care plan shall be filed in accordance with the provisions of § 16.1-277.01 with a petition for approval of an entrustment agreement. A foster care plan need not be prepared if the child is returned to his prior family or placed in an adoptive home within 45 days following transfer of custody to the board or agency or the board's placement of the child.

B. The foster care plan shall describe in writing (i) the programs, care, services and other support which will be offered to the child and his parents and other prior custodians; (ii) the participation and conduct which will be sought from the child's parents and other prior custodians; (iii) the visitation and other contacts which will be permitted between the child and his parents and other prior custodians, and between the child and his siblings; (iv) the nature of the placement or placements which will be provided for the child; (v) for school-age children, the school placement of the child; ~~and~~ (vi) for children 14 years of age and older, the child's needs and goals in the areas of counseling, education, housing, employment, and money management skills development, along with specific independent living services that will be provided to the child to help him reach these goals; *(vii) for children 14 years and older, an explanation of the child's rights with respect to education, health, visitation, court participation, and the right to stay safe and avoid exploitation; and (viii) all documentation specified in 42 U.S.C. § 675(5)(l) and § 63.2-905.3.* In cases in which a foster care plan approved prior to July 1, 2011, identifies independent living as the goal for the child, and in cases involving children admitted to the United States as refugees or asylees who are 16 years of age or older and for whom the goal is independent living, the plan shall also describe the programs and services which will help the child prepare for the transition from foster care to independent living. If consistent with the child's health and safety, the plan shall be designed to support reasonable efforts which lead to the return of the child to his parents or other prior custodians within the shortest practicable time which shall be specified in the plan. The child's health and safety shall be the paramount concern of the court and the agency throughout the placement, case planning, service provision and review process. *For a child 14 years of age and older, the plan shall include a signed acknowledgment by the child that the child has received a copy of the plan and that the rights contained therein have been explained to the child in an age-appropriate manner.*

If the department or child welfare agency concludes that it is not reasonably likely that the child can be returned to his prior family within a practicable time, consistent with the best interests of the child, the department, child welfare agency or team shall (a) include a full description of the reasons for this conclusion; (b) provide information on the opportunities for placing the child with a relative or in an adoptive home; (c) design the plan to lead to the child's successful placement with a relative if a subsequent transfer of custody to the relative is planned, or in an adoptive home within the shortest practicable time, and if neither of such placements is feasible; (d) explain why permanent foster care is the plan for the child or independent living is the plan for the child in cases involving children admitted to the United States as refugees or asylees who are 16 years of age or older and for whom the goal is independent living.

"Independent living" as used in this section has the meaning set forth in § 63.2-100.

The local board or other child welfare agency having custody of the child shall not be required by the court to make reasonable efforts to reunite the child with a parent if the court finds that (1) the

residual parental rights of the parent regarding a sibling of the child have previously been involuntarily terminated; (2) the parent has been convicted of an offense under the laws of the Commonwealth or a substantially similar law of any other state, the United States or any foreign jurisdiction that constitutes murder or voluntary manslaughter, or a felony attempt, conspiracy or solicitation to commit any such offense, if the victim of the offense was a child of the parent, a child with whom the parent resided at the time such offense occurred or the other parent of the child; (3) the parent has been convicted of an offense under the laws of the Commonwealth or a substantially similar law of any other state, the United States or any foreign jurisdiction that constitutes felony assault resulting in serious bodily injury or felony bodily wounding resulting in serious bodily injury or felony sexual assault, if the victim of the offense was a child of the parent or a child with whom the parent resided at the time of such offense; or (4) based on clear and convincing evidence, the parent has subjected any child to aggravated circumstances, or abandoned a child under circumstances which would justify the termination of residual parental rights pursuant to subsection D of § 16.1-283.

As used in this section:

"Aggravated circumstances" means torture, chronic or severe abuse, or chronic or severe sexual abuse, if the victim of such conduct was a child of the parent or child with whom the parent resided at the time such conduct occurred, including the failure to protect such a child from such conduct, which conduct or failure to protect: (i) evinces a wanton or depraved indifference to human life, or (ii) has resulted in the death of such a child or in serious bodily injury to such a child.

"Chronic abuse" or "chronic sexual abuse" means recurring acts of physical abuse that place the child's health, safety and well-being at risk.

"Serious bodily injury" means bodily injury that involves substantial risk of death, extreme physical pain, protracted and obvious disfigurement, or protracted loss or impairment of the function of a bodily member, organ or mental faculty.

"Severe abuse" or "severe sexual abuse" may include an act or omission that occurred only once, but otherwise meets the definition of "aggravated circumstances."

Within 30 days of making a determination that reasonable efforts to reunite the child with the parents are not required, the court shall hold a permanency planning hearing pursuant to § 16.1-282.1.

C. A copy of the entire foster care plan shall be sent by the court to the child, if he is 12 years of age or older; the guardian ad litem for the child, the attorney for the child's parents or for any other person standing in loco parentis at the time the board or child welfare agency obtained custody or the board placed the child, to the parents or other person standing in loco parentis, and such other persons as appear to the court to have a proper interest in the plan. However, a copy of the plan shall not be sent to a parent whose parental rights regarding the child have been terminated. A copy of the plan shall be sent by the court to the foster parents. A hearing shall be held for the purpose of reviewing and approving the foster care plan. The hearing shall be held within 60 days of (i) the child's initial foster care placement, if the child was placed through an agreement between the parents or guardians and the local department of social services or a child welfare agency; (ii) the original preliminary removal order hearing, if the child was placed in foster care pursuant to § 16.1-252; (iii) the hearing on the petition for relief of custody, if the child was placed in foster care pursuant to § 16.1-277.02; or (iv) the dispositional hearing at which the child was placed in foster care and an order was entered pursuant to § 16.1-278.2, 16.1-278.3, 16.1-278.4, 16.1-278.5, 16.1-278.6, or 16.1-278.8. However, the hearing shall be held in accordance with the provisions of § 16.1-277.01 with a petition for approval of an entrustment agreement. If the judge makes any revision in any part of the foster care plan, a copy of the changes shall be sent by the court to all persons who received a copy of the original of that part of the plan.

C1. Any order transferring custody of the child to a relative other than the child's prior family shall be entered only upon a finding, based upon a preponderance of the evidence, that the relative is one who, after an investigation as directed by the court, (i) is found by the court to be willing and qualified to receive and care for the child; (ii) is willing to have a positive, continuous relationship with the child; (iii) is committed to providing a permanent, suitable home for the child; and (iv) is willing and has the ability to protect the child from abuse and neglect; and the order shall so state. The court's order transferring custody to a relative should further provide for, as appropriate, any terms or conditions which would promote the child's interest and welfare; ongoing provision of social services to the child and the child's custodian; and court review of the child's placement.

C2. Any order entered at the conclusion of the hearing that has the effect of achieving a permanent goal for the child by terminating residual parental rights pursuant to § 16.1-277.01, 16.1-277.02, 16.1-278.3, or 16.1-283; by placing the child in permanent foster care pursuant to clause (iv) of subsection A of § 16.1-282.1; or, in cases in which independent living was identified as the goal for a child in a foster care plan approved prior to July 1, 2011, or in which a child has been admitted to the United States as a refugee or asylee and is over 16 years of age and independent living has been

identified as the permanency goal for the child, by directing the board or agency to provide the child with services to achieve independent living status, if the child has attained the age of 16 years, pursuant to clause (v) of subsection A of § 16.1-282.1 shall state whether reasonable efforts have been made to place the child in a timely manner in accordance with the foster care plan and to complete the steps necessary to finalize the permanent placement of the child.

D. The court in which the foster care plan is filed shall be notified immediately if the child is returned to his parents or other persons standing in loco parentis at the time the board or agency obtained custody or the board placed the child.

E. At the conclusion of the hearing at which the initial foster care plan is reviewed, the court shall schedule a foster care review hearing to be held within four months in accordance with § 16.1-282. However, if an order is entered pursuant to subsection C2, the court shall schedule a foster care review hearing to be held within 12 months of the entry of such order in accordance with the provisions of § 16.1-282.2. Parties who are present at the hearing at which the initial foster care plan is reviewed shall be given notice of the date set for the foster care review hearing and parties who are not present shall be summoned as provided in § 16.1-263.

F. Nothing in this section shall limit the authority of the juvenile judge or the staff of the juvenile court, upon order of the judge, to review the status of children in the custody of local boards of social services or placed by local boards of social services on its own motion. The court shall appoint an attorney to act as guardian ad litem to represent the child any time a hearing is held to review the foster care plan filed for the child or to review the child's status in foster care.

§ 16.1-282.1. Permanency planning hearing for children in foster care.

A. In the case of a child who was the subject of a foster care plan filed with the court pursuant to § 16.1-281, a permanency planning hearing shall be held within 10 months of the dispositional hearing at which the foster care plan pursuant to § 16.1-281 was reviewed if the child (a) was placed through an agreement between the parents or guardians and the local board of social services where legal custody remains with the parents or guardians and such agreement has not been dissolved by court order; or (b) is under the legal custody of a local board of social services or a child welfare agency and has not had a petition to terminate parental rights filed on the child's behalf, has not been placed in permanent foster care, or is age 16 or over and the plan for the child is not independent living. The board or child welfare agency shall file a petition for a permanency planning hearing 30 days prior to the date of the permanency planning hearing scheduled by the court. The purpose of this hearing is to establish a permanent goal for the child and either to achieve the permanent goal or to defer such action through the approval of an interim plan for the child.

To achieve the permanent goal, the petition for a permanency planning hearing shall seek to (i) transfer the custody of the child to his prior family, or dissolve the board's placement agreement and return the child to his prior family; (ii) transfer custody of the child to a relative other than the child's prior family, subject to the provisions of subsection A1; (iii) terminate residual parental rights pursuant to § 16.1-277.01 or 16.1-283; (iv) place ~~the~~ *a child who is 16 years of age or older* in permanent foster care pursuant to § 63.2-908; (v) if the child has been admitted to the United States as a refugee or asylee and has attained the age of 16 years or ~~over~~ *older* and the plan is independent living, direct the board or agency to provide the child with services to transition from foster care; or (vi) place ~~the~~ *a child who is 16 years of age or older* in another planned permanent living arrangement in accordance with the provisions of subsection A2. In cases in which a foster care plan approved prior to July 1, 2011, includes independent living as the goal for a child who is not admitted to the United States as an asylee or refugee, the petition shall direct the board or agency to provide the child with services to transition from foster care.

For approval of an interim plan, the petition for a permanency planning hearing shall seek to continue custody with the board or agency, or continue placement with the board through a parental agreement; or transfer custody to the board or child welfare agency from the parents or guardian of a child who has been in foster care through an agreement where the parents or guardian retains custody.

Upon receipt of the petition, if a permanency planning hearing has not already been scheduled, the court shall schedule such a hearing to be held within 30 days. The permanency planning hearing shall be held within 10 months of the dispositional hearing at which the foster care plan was reviewed pursuant to § 16.1-281. The provisions of subsection B of § 16.1-282 shall apply to this petition. The procedures of subsection C of § 16.1-282 and the provisions of subsection E of § 16.1-282 shall apply to the scheduling and notice of proceedings under this section.

A1. The following requirements shall apply to the transfer of custody of the child to a relative other than the child's prior family in accordance with the provisions of (ii) of subsection A of this section. Any order transferring custody of the child to a relative other than the child's prior family shall be entered only upon a finding, based upon a preponderance of the evidence, that the relative is one who, after an investigation as directed by the court, (i) is found by the court to be willing and qualified to

receive and care for the child; (ii) is willing to have a positive, continuous relationship with the child; (iii) is committed to providing a permanent, suitable home for the child; and (iv) is willing and has the ability to protect the child from abuse and neglect; and the order shall so state. The court's order transferring custody to a relative should further provide, as appropriate, for any terms or conditions which would promote the child's interest and welfare.

A2. The following requirements shall apply to the selection and approval of placement in another planned permanent living arrangement as the permanent goal for the child in accordance with clause (vi) of subsection A of this section.

1. The board or child welfare agency shall petition for alternative (vi) of subsection A only if the child has a severe and chronic emotional, physical or neurological disabling condition for which the child requires long-term residential treatment; and the board or child welfare agency has thoroughly investigated the feasibility of the alternatives listed in clauses (i) through (v) of subsection A and determined that none of those alternatives is in the best interests of the child. In a foster care plan filed with the petition pursuant to this section, the board or agency shall document the following: (i) the investigation conducted of the placement alternatives listed in clauses (i) through (v) of subsection A and why each of these is not currently in the best interest of the child; (ii) at least one compelling reason why none of the alternatives listed in clauses (i) through (v) is achievable for the child at the time placement in another planned permanent living arrangement is selected as the permanent goal for the child; (iii) the identity of the long-term residential treatment service provider; (iv) the nature of the child's disability; (v) the anticipated length of time required for the child's treatment; and (vi) the status of the child's eligibility for admission and long-term treatment. *The court shall ensure that the local department has documentation of the intensive, ongoing, and, as of the date of the hearing, unsuccessful efforts made to return the child home or secure a placement for the child with a fit and willing relative, including adult siblings, or an adoptive parent, including through efforts that utilize search technology, including social media, to find the child's biological family members. The court shall ask the child about the child's desired permanency outcome and make a judicial determination, accompanied by an explanation of the reasons that the alternatives listed in clauses (i) through (iii) of subsection A continue to not be in the best interest of the child.*

2. Before approving alternative (vi) of subsection A ~~of this section~~ as the plan for the child, the court shall find (i) that the child has a severe and chronic emotional, physical or neurological disabling condition; (ii) that the child requires long-term residential treatment for the disabling condition; and (iii) that none of the alternatives listed in clauses (i) through (v) of subsection A is achievable for the child at the time placement in another planned permanent living arrangement is approved as the permanent goal for the child. If the board or agency petitions for alternative (vi), alternative (vi) may be approved by the court for a period of six months at a time.

3. At the conclusion of the permanency planning hearing, if alternative (vi) of subsection A ~~of this section~~ is the permanent plan, the court shall schedule a hearing to be held within six months to review the child's placement in another planned permanent living arrangement in accordance with subdivision 4 of subsection A2. All parties present at the hearing at which clause (vi) of subsection A is approved as the permanent plan for the child shall be given notice of the date scheduled for the foster care review hearing. Parties not present shall be summoned to appear as provided in § 16.1-263. Otherwise, this subsection A2 shall govern the scheduling and notice for such hearings.

4. The court shall review a foster care plan for any child who is placed in another planned permanent living arrangement every six months from the date of the permanency planning hearing held pursuant to this subsection, so long as the child remains in the legal custody of the board or child welfare agency. The board or child welfare agency shall file such petitions for review pursuant to the provisions of § 16.1-282 and shall, in addition, include in the petition the information required by subdivision 1 of subsection A2 of this section. The petition for foster care review shall be filed no later than 30 days prior to the hearing scheduled in accordance with subdivision 3 of subsection A2. At the conclusion of the foster care review hearing, if alternative (vi) of subsection A ~~of this section~~ remains the permanent plan, the court shall enter an order that states whether reasonable efforts have been made to place the child in a timely manner in accordance with the permanency plan and to monitor the child's status in another planned permanent living arrangement.

However, if at any time during the six-month approval periods permitted by this subsection, a determination is made by treatment providers that the child's need for long-term residential treatment for the child's disabling condition is eliminated, the board or agency shall immediately begin to plan for post-discharge services and shall, within 30 days of making such a determination, file a petition for a permanency planning hearing pursuant to subsection A of this section. Upon receipt of the petition, the court shall schedule a permanency planning hearing to be held within 30 days. The provisions of subsection B of § 16.1-282 shall apply to this petition. The procedures of subsection C of § 16.1-282 and the provisions of subsection E of § 16.1-282 shall apply to proceedings under this section.

423 A3. *The following requirements shall apply to the selection and approval of permanent foster care*
 424 *pursuant to clause (iv) of subsection A:*

425 1. *The court shall ensure that the local department has documentation of the intensive, ongoing, and,*
 426 *as of the date of the hearing, unsuccessful efforts made to return the child home or secure a placement*
 427 *for the child with a fit and willing relative, including adult siblings, or an adoptive parent, including*
 428 *through efforts that utilize search technology, including social media, to find the child's biological family*
 429 *members.*

430 2. *The court shall ask the child about the child's desired permanency outcome and make a judicial*
 431 *determination, accompanied by an explanation of the reasons that the alternatives listed in clauses (i)*
 432 *through (iii) of subsection A continue to not be in the best interest of the child.*

433 B. The following requirements shall apply to the selection and approval of an interim plan for the
 434 child in accordance with subsection A.

435 1. The board or child welfare agency shall petition for approval of an interim plan only if the board
 436 or child welfare agency has thoroughly investigated the feasibility of the alternatives listed in clauses (i)
 437 through (v) of subsection A and determined that none of those alternatives is in the best interest of the
 438 child. If the board or agency petitions for approval of an interim plan, such plan may be approved by
 439 the court for a maximum period of six months. The board or agency shall also file a foster care plan
 440 that (i) identifies a permanent goal for the child that corresponds with one of the alternatives specified in
 441 clauses (i) through (v) of subsection A; (ii) includes provisions for accomplishing the permanent goal
 442 within six months; and (iii) summarizes the investigation conducted of the alternatives listed in clauses
 443 (i) through (v) of subsection A and why achieving each of these is not in the best interest of the child at
 444 this time.

445 2. Before approving an interim plan for the child, the court shall find:

446 a. When returning home remains the plan for the child, that the parent has made marked progress
 447 toward reunification with the child, the parent has maintained a close and positive relationship with the
 448 child, and the child is likely to return home within the near future, although it is premature to set an
 449 exact date for return at the time of this hearing; or

450 b. When returning home is not the plan for the child, that marked progress is being made to achieve
 451 the permanent goal identified by the board or child welfare agency and that it is premature to set an
 452 exact date for accomplishing the goal at the time of this hearing.

453 3. Upon approval of an interim plan, the court shall schedule a hearing to be held within six months
 454 to determine that the permanent goal is accomplished and to enter an order consistent with alternative
 455 (i), (ii), (iii), (iv), or (v) of subsection A. All parties present at the initial permanency planning hearing
 456 shall be given notice of the date scheduled for the second permanency planning hearing. Parties not
 457 present shall be summoned to appear as provided in § 16.1-263. Otherwise, subsection A shall govern
 458 the scheduling and notice for such hearings.

459 C. At the conclusion of the permanency planning hearing held pursuant to this section, whether
 460 action is taken or deferred to achieve the permanent goal for the child, the court shall enter an order that
 461 states whether reasonable efforts have been made to reunite the child with the child's prior family, if
 462 returning home is the permanent goal for the child; or whether reasonable efforts have been made to
 463 achieve the permanent goal identified by the board or agency, if the goal is other than returning the
 464 child home.

465 In making this determination, the court shall give consideration to whether the board or agency has
 466 placed the child in a timely manner in accordance with the foster care plan and completed the steps
 467 necessary to finalize the permanent placement of the child.

 473 accidental means, or creates a substantial risk of death, disfigurement, or impairment of bodily or mental
 474 functions, including, but not limited to, a child who is with his parent or other person responsible for his
 475 care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled
 476 substance, or (ii) during the unlawful sale of such substance by that child's parents or other person

 478 constitute a felony violation of § 18.2-248;

 483 decision by parents who have legal authority for the child or, in the absence of parents with legal

authority for the child, any person with legal authority for the child, who refuses a particular medical treatment for a child with a life-threatening condition shall not be deemed a refusal to provide necessary care if (i) such decision is made jointly by the parents or other person with legal authority and the child; (ii) the child has reached 14 years of age and is sufficiently mature to have an informed opinion on the subject of his medical treatment; (iii) the parents or other person with legal authority and the child have considered alternative treatment options; and (iv) the parents or other person with legal authority and the child believe in good faith that such decision is in the child's best interest.
