79 more than one-quarter of the moneys in the Fund are disbursed annually to any eligible institution. The

91 that at the time of enrollment the eligible student pays one-third of the cost of the noncredit workforce
92 training program and signs an agreement to complete the noncredit workforce training program or pay
93 an additional one-third of the program cost in the event of noncompletion. Upon the presentation of
94 satisfactory proof of completion of the noncredit workforce training program by the eligible student, the

101 other source except in cases in which the grant and such other financial aid would result in total
102 assistance in excess of tuition, fees, books, and other costs of completing the noncredit workforce
103 credential program.
