Be it enacted by the General Assembly of Virginia:

1. § 16.1-241. Jurisdiction; consent for abortion.

The judges of the juvenile and domestic relations district court elected or appointed under this law shall be conservators of the peace within the corporate limits of the cities and the boundaries of the counties for which they are respectively chosen and within one mile beyond the limits of such cities and counties. Except as hereinafter provided, each juvenile and domestic relations district court shall have, within the limits of the territory for which it is created, exclusive original jurisdiction, and within one mile beyond the limits of said city or county, concurrent jurisdiction with the juvenile court or courts of the adjoining city or county, over all cases, matters and proceedings involving:

A. The custody, visitation, support, control or disposition of a child:

1. Who is alleged to be abused, neglected, in need of services, in need of supervision, a status offender, or delinquent except where the jurisdiction of the juvenile court has been terminated or divested;

2. Who is abandoned by his parent or other custodian or who by reason of the absence or physical or mental incapacity of his parents is without parental care and guardianship;

2a. Who is at risk of being abused or neglected by a parent or custodian who has been adjudicated as having abused or neglected another child in the care of the parent or custodian;

3. Whose custody, visitation or support is a subject of controversy or requires determination. In such cases jurisdiction shall be concurrent with and not exclusive of courts having equity jurisdiction, except as provided in § 16.1-244;

4. Who is the subject of an entrustment agreement entered into pursuant to § 63.2-903 or 63.2-1817 or whose parent or parents for good cause desire to be relieved of his care and custody;

5. Where the termination of residual parental rights and responsibilities is sought. In such cases jurisdiction shall be concurrent with and not exclusive of courts having equity jurisdiction, as provided in § 16.1-244; and

6. Who is charged with a traffic infraction as defined in § 46.2-100.

In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection B of § 16.1-269.1, and for any charges ancillary thereto, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was 14 years of age or older at the time of the commission of the alleged offense, and any matters related thereto. In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection C of § 16.1-269.1, and for all charges ancillary thereto, if the attorney for the Commonwealth has given notice as provided in subsection C of § 16.1-269.1, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was 14 years of age or older at the time of the commission of the alleged offense, and any matters related thereto. A determination by the juvenile court following a preliminary hearing pursuant to subsection B or C of § 16.1-269.1 to certify a charge to the grand jury shall divest the juvenile court of jurisdiction over the charge and any ancillary charge. In any case in which a transfer hearing is held pursuant to subsection A of § 16.1-269.1, if the juvenile court determines to transfer the case, jurisdiction of the juvenile court over the case shall be divested as provided in § 16.1-269.6.

INTRODUCED

HB935

59 In all other cases involving delinquent acts, and in cases in which an ancillary charge remains after a
60 violent juvenile felony charge has been dismissed or a violent juvenile felony has been reduced to a
61 lesser offense not constituting a violent juvenile felony, the jurisdiction of the juvenile court shall not be
62 divested unless there is a transfer pursuant to subsection A of § 16.1-269.1.

63 The authority of the juvenile court to adjudicate matters involving the custody, visitation, support,
64 control or disposition of a child shall not be limited to the consideration of petitions filed by a mother,
65 father or legal guardian but shall include petitions filed at any time by any party with a legitimate
66 interest therein. A party with a legitimate interest shall be broadly construed and shall include, but not
67 be limited to, grandparents, step-grandparents, stepparents, former stepparents, blood relatives and family
68 members. A party with a legitimate interest shall not include any person (i) whose parental rights have
69 been terminated by court order, either voluntarily or involuntarily, (ii) whose interest in the child derives
70 from or through a person whose parental rights have been terminated by court order, either voluntarily
71 or involuntarily, including, but not limited to, grandparents, stepparents, former stepparents, blood
72 relatives and family members, if the child subsequently has been legally adopted, except where a final
73 order of adoption is entered pursuant to § 63.2-1241, or (iii) who has been convicted of a violation of
74 subsection A of § 18.2-61, § 18.2-63, subsection B of § 18.2-366, or an equivalent offense of another
75 state, the United States, or any foreign jurisdiction, when the child who is the subject of the petition was
76 conceived as a result of such violation. The authority of the juvenile court to consider a petition
77 involving the custody of a child shall not be proscribed or limited where the child has previously been
78 awarded to the custody of a local board of social services.

79 B. The admission of minors for inpatient treatment in a mental health facility in accordance with the
80 provisions of Article 16 (§ 16.1-335 et seq.) and the involuntary admission of a person with mental
81 illness or judicial certification of eligibility for admission to a training center for persons with
82 intellectual disability in accordance with the provisions of Chapter 8 (§ 37.2-800 et seq.) of Title 37.2.
83 Jurisdiction of the involuntary admission and certification of adults shall be concurrent with the general
84 district court.

85 C. Except as provided in subsections D and H, judicial consent to such activities as may require
86 parental consent may be given for a child who has been separated from his parents, guardian, legal
87 custodian or other person standing in loco parentis and is in the custody of the court when such consent
88 is required by law.

89 D. Judicial consent for emergency surgical or medical treatment for a child who is neither married
90 nor has ever been married, when the consent of his parent, guardian, legal custodian or other person
91 standing in loco parentis is unobtainable because such parent, guardian, legal custodian or other person
92 standing in loco parentis (i) is not a resident of the Commonwealth, (ii) has his whereabouts unknown,
93 (iii) cannot be consulted with promptness, reasonable under the circumstances, or (iv) fails to give such
94 consent or provide such treatment when requested by the judge to do so.

95 E. Any person charged with deserting, abandoning or failing to provide support for any person in
96 violation of law.

97 F. Any parent, guardian, legal custodian or other person standing in loco parentis of a child:

98 1. Who has been abused or neglected;

99 2. Who is the subject of an entrustment agreement entered into pursuant to § 63.2-903 or 63.2-1817
100 or is otherwise before the court pursuant to subdivision A 4; or

101 3. Who has been adjudicated in need of services, in need of supervision, or delinquent, if the court
102 finds that such person has by overt act or omission induced, caused, encouraged or contributed to the
103 conduct of the child complained of in the petition.

104 G. Petitions filed by or on behalf of a child or such child's parent, guardian, legal custodian or other
105 person standing in loco parentis for the purpose of obtaining treatment, rehabilitation or other services
106 that are required by law to be provided for that child or such child's parent, guardian, legal custodian or
107 other person standing in loco parentis. Jurisdiction in such cases shall be concurrent with and not
108 exclusive of that of courts having equity jurisdiction as provided in § 16.1-244.

109 H. Judicial consent to apply for a work permit for a child when such child is separated from his
110 parents, legal guardian or other person standing in loco parentis.

111 I. The prosecution and punishment of persons charged with ill-treatment, abuse, abandonment or
112 neglect of children or with any violation of law that causes or tends to cause a child to come within the
113 purview of this law, or with any other offense against the person of a child. In prosecution for felonies
114 over which the court has jurisdiction, jurisdiction shall be limited to determining whether or not there is
115 probable cause.

116 J. All offenses in which one family or household member is charged with an offense in which
117 another family or household member is the victim and all offenses under § 18.2-49.1.

118 In prosecution for felonies over which the court has jurisdiction, jurisdiction shall be limited to
119 determining whether or not there is probable cause. Any objection based on jurisdiction under this
120 subsection shall be made before a jury is impaneled and sworn in a jury trial or, in a nonjury trial,

before the earlier of when the court begins to hear or receive evidence or the first witness is sworn, or it shall be conclusively waived for all purposes. Any such objection shall not affect or be grounds for challenging directly or collaterally the jurisdiction of the court in which the case is tried.

K. Petitions filed by a natural parent, whose parental rights to a child have been voluntarily relinquished pursuant to a court proceeding, to seek a reversal of the court order terminating such parental rights. No such petition shall be accepted, however, after the child has been placed in the home of adoptive parents.

L. Any person who seeks spousal support after having separated from his spouse. A decision under this subdivision shall not be res judicata in any subsequent action for spousal support in a circuit court. A circuit court shall have concurrent original jurisdiction in all causes of action under this subdivision.

M. Petitions filed for the purpose of obtaining an order of protection pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1, and all petitions filed for the purpose of obtaining an order of protection pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10 if either the alleged victim or the respondent is a juvenile.

N. Any person who escapes or remains away without proper authority from a residential care facility in which he had been placed by the court or as a result of his commitment to the Virginia Department of Juvenile Justice.

P. Petitions for enforcement of administrative support orders entered pursuant to Chapter 19 (§ 63.2-1900 et seq.) of Title 63.2, or by another state in the same manner as if the orders were entered by a juvenile and domestic relations district court upon the filing of a certified copy of such order in the juvenile and domestic relations district court.

Q. Petitions for a determination of parentage pursuant to Chapter 3.1 (§ 20-49.1 et seq.) of Title 20. A circuit court shall have concurrent original jurisdiction to the extent provided for in § 20-49.2.

R. [Repealed.]

S. Petitions filed by school boards against parents pursuant to §§ 16.1-241.2 and 22.1-279.3.

T. Petitions to enforce any request for information or subpoena that is not complied with or to review any refusal to issue a subpoena in an administrative appeal regarding child abuse and neglect pursuant to § 63.2-1526.

U. Petitions filed in connection with parental placement adoption consent hearings pursuant to § 63.2-1233. Such proceedings shall be advanced on the docket so as to be heard by the court within 10 days of filing of the petition, or as soon thereafter as practicable so as to provide the earliest possible disposition.

V. Petitions filed for the purpose of obtaining the court's assistance with the execution of consent to an adoption when the consent to an adoption is executed pursuant to the laws of another state and the laws of that state provide for the execution of consent to an adoption in the court of the Commonwealth.

W. Petitions filed by a juvenile seeking judicial authorization for a physician to perform an abortion if a minor elects not to seek consent of an authorized person.

After a hearing, a judge shall issue an order authorizing a physician to perform an abortion, without the consent of any authorized person, if he finds that (i) the minor is mature enough and well enough informed to make her abortion decision, in consultation with her physician, independent of the wishes of any authorized person, or (ii) the minor is not mature enough or well enough informed to make such decision, but the desired abortion would be in her best interest.

If the judge authorizes an abortion based on the best interests of the minor, such order shall expressly state that such authorization is subject to the physician or his agent giving notice of intent to perform the abortion; however, no such notice shall be required if the judge finds that such notice would not be in the best interest of the minor. In determining whether notice is in the best interest of the minor, the judge shall consider the totality of the circumstances; however, he shall find that notice is not in the best interest of the minor if he finds that (i) one or more authorized persons with whom the minor regularly and customarily resides is abusive or neglectful, and (ii) every other authorized person, if any, is either abusive or neglectful or has refused to accept responsibility as parent, legal guardian, custodian or person standing in loco parentis.

The minor may participate in the court proceedings on her own behalf, and the court may appoint a guardian ad litem for the minor. The court shall advise the minor that she has a right to counsel and shall, upon her request, appoint counsel for her.

Notwithstanding any other provision of law, the provisions of this subsection shall govern proceedings relating to consent for a minor's abortion. Court proceedings under this subsection and records of such proceedings shall be confidential. Such proceedings shall be given precedence over other pending matters so that the court may reach a decision promptly and without delay in order to serve the best interests of the minor. Court proceedings under this subsection shall be heard and decided as soon

182 as practicable but in no event later than four days after the petition is filed.

183 An expedited confidential appeal to the circuit court shall be available to any minor for whom the
184 court denies an order authorizing an abortion without consent or without notice. Any such appeal shall
185 be heard and decided no later than five days after the appeal is filed. The time periods required by this
186 subsection shall be subject to subsection B of § 1-210. An order authorizing an abortion without consent
187 or without notice shall not be subject to appeal.

188 No filing fees shall be required of the minor at trial or upon appeal.

189 If either the original court or the circuit court fails to act within the time periods required by this
190 subsection, the court before which the proceeding is pending shall immediately authorize a physician to
191 perform the abortion without consent of or notice to an authorized person.

192 Nothing contained in this subsection shall be construed to authorize a physician to perform an
193 abortion on a minor in circumstances or in a manner that would be unlawful if performed on an adult
194 woman.

195 A physician shall not knowingly perform an abortion upon an unemancipated minor unless consent
196 has been obtained or the minor delivers to the physician a court order entered pursuant to this section
197 and the physician or his agent provides such notice as such order may require. However, neither consent
198 nor judicial authorization nor notice shall be required if the minor declares that she is abused or
199 neglected and the attending physician has reason to suspect that the minor may be an abused or
200 neglected child as defined in § 63.2-100 and reports the suspected abuse or neglect in accordance with
201 § 63.2-1509; or if there is a medical emergency, in which case the attending physician shall certify the
202 facts justifying the exception in the minor's medical record.

203 For purposes of this subsection:

204 "Authorization" means the minor has delivered to the physician a notarized, written statement signed
205 by an authorized person that the authorized person knows of the minor's intent to have an abortion and
206 consents to such abortion being performed on the minor.

207 "Authorized person" means (i) a parent or duly appointed legal guardian or custodian of the minor or
208 (ii) a person standing in loco parentis, including, but not limited to, a grandparent or adult sibling with
209 whom the minor regularly and customarily resides and who has care and control of the minor. Any
210 person who knows he is not an authorized person and who knowingly and willfully signs an
211 authorization statement consenting to an abortion for a minor is guilty of a Class 3 misdemeanor.

212 "Consent" means that (i) the physician has given notice of intent to perform the abortion and has
213 received authorization from an authorized person, or (ii) at least one authorized person is present with
214 the minor seeking the abortion and provides written authorization to the physician, which shall be
215 witnessed by the physician or an agent thereof. In either case, the written authorization shall be
216 incorporated into the minor's medical record and maintained as a part thereof.

217 "Medical emergency" means any condition which, on the basis of the physician's good faith clinical
218 judgment, so complicates the medical condition of the pregnant minor as to necessitate the immediate
219 abortion of her pregnancy to avert her death or for which a delay will create a serious risk of substantial
220 and irreversible impairment of a major bodily function.

221 "Notice of intent to perform the abortion" means that (i) the physician or his agent has given actual
222 notice of his intention to perform such abortion to an authorized person, either in person or by
223 telephone, at least 24 hours previous to the performance of the abortion; or (ii) the physician or his
224 agent, after a reasonable effort to notify an authorized person, has mailed notice to an authorized person
225 by certified mail, addressed to such person at his usual place of abode, with return receipt requested, at
226 least 72 hours prior to the performance of the abortion.

227 "Perform an abortion" means to interrupt or terminate a pregnancy by any surgical or nonsurgical
228 procedure or to induce a miscarriage as provided in § 18.2-72, 18.2-73, or 18.2-74.

229 "Unemancipated minor" means a minor who has not been emancipated by (i) entry into a valid
230 marriage, even though the marriage may have been terminated by dissolution; (ii) active duty with any
231 of the Armed Forces of the United States; (iii) willingly living separate and apart from his or her
232 parents or guardian, with the consent or acquiescence of the parents or guardian; or (iv) entry of an
233 order of emancipation pursuant to Article 15 (§ 16.1-331 et seq.).

234 X. Petitions filed pursuant to Article 17 (§ 16.1-349 et seq.) relating to standby guardians for minor
235 children.

236 *Y. Petitions filed pursuant to § 16.1-283.3 for review of voluntary agreements for extended foster*
237 *care services and support for persons who meet the eligibility criteria set forth in § 63.2-918.*

238 The ages specified in this law refer to the age of the child at the time of the acts complained of in
239 the petition.

240 Notwithstanding any other provision of law, no fees shall be charged by a sheriff for the service of
241 any process in a proceeding pursuant to subdivision A 3, except as provided in subdivision A 6 of
242 § 17.1-272, or subsection B, D, M, or R.

243 Notwithstanding the provisions of § 18.2-71, any physician who performs an abortion in violation of

subsection W shall be guilty of a Class 3 misdemeanor.

§ 16.1-283.3. Review of voluntary agreements for extended foster care services and support.

A. A local department shall file a petition for review of a voluntary agreement for extended foster care services and support entered into pursuant to § 63.2-920 with the juvenile and domestic relations district court for the county or city served by the local board that had custody of the program participant prior to his reaching 18 years of age within 30 days of the date on which the local board and the program participant entered into the signed, written agreement. The petition shall include documentation of the program participant's last foster care placement and the local department that had custody of the program participant at the time of such placement, a copy of the signed voluntary agreement for extended foster care services and support and the case plan established pursuant to § 63.2-919, and any other information that the local department or program participant may wish the court to consider.

B. Upon receiving the petition filed by the local department, the court shall schedule a hearing to be held as soon as possible, but in no case more than 45 days after the filing of the petition, to determine whether the terms of such agreement are in the best interests of the program participant. The court shall appoint legal counsel for the program participant, who may be the guardian ad litem who represented the program participant when the program participant was a minor in the custody of the local board and who shall be compensated in accordance with § 16.1-267. The program participant may waive the appointment of counsel for the purposes of the hearing. The court may, with the consent of the program participant, reappoint or continue the appointment of the court-appointed special advocate who served the program participant when the program participant was a minor, or appoint another court-appointed special advocate if the previous court-appointed special advocate is unavailable.

The court shall provide notice of the hearing and a copy of the signed voluntary agreement for extended foster care services and support, the case plan, and any other information included with the petition to the program participant, the program participant's legal counsel, the petitioning local department of social services, and such other person having a legitimate interest in the hearing.

C. At the conclusion of the hearing, and following presentation of evidence by the local department of social services, the program participant, and the program participant's legal counsel or court-appointed special advocate, if appointed, the court may:

1. Approve the voluntary agreement for extended foster care services and support and the case plan as presented;

2. Approve the voluntary agreement for extended foster care services and support and the case plan with revisions, provided such revisions are agreed to by both parties; or

3. Refuse to approve the voluntary agreement for extended foster care services and support or the case plan and require the local department to submit a revised voluntary agreement for extended foster care services and support or a revised case plan within 30 days. The court may require the local department to provide additional services or support, as authorized by law, in the revised plan.

D. The court may schedule a subsequent review hearing not later than six months after the initial hearing at which the initial voluntary agreement for extended foster care services and support and case plan were approved to review the program participant's progress and the provision of services and support by the local department. If judicial review is continued, review hearings shall be held every six months unless otherwise ordered by the court.

§ 63.2-100. (Effective until July 1, 2016) Definitions.

As used in this title, unless the context requires a different meaning:

"Abused or neglected child" means any child less than 18 years of age:

1. Whose parents or other person responsible for his care creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement, or impairment of bodily or mental functions, including, but not limited to, a child who is with his parent or other person responsible for his care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled substance, or (ii) during the unlawful sale of such substance by that child's parents or other person responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would constitute a felony violation of § 18.2-248;

2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health. However, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child. Further, a decision by parents who have legal authority for the child or, in the absence of parents with legal authority for the child, any person with legal authority for the child, who refuses a particular medical treatment for a child with a life-threatening condition shall not be deemed a refusal to provide necessary care if (i) such decision is made jointly by the parents or other person with legal authority and the child;

305 (ii) the child has reached 14 years of age and is sufficiently mature to have an informed opinion on the
306 subject of his medical treatment; (iii) the parents or other person with legal authority and the child have
307 considered alternative treatment options; and (iv) the parents or other person with legal authority and the
308 child believe in good faith that such decision is in the child's best interest. Nothing in this subdivision
309 shall be construed to limit the provisions of § 16.1-278.4;

310 3. Whose parents or other person responsible for his care abandons such child;

311 4. Whose parents or other person responsible for his care commits or allows to be committed any act
312 of sexual exploitation or any sexual act upon a child in violation of the law;

313 5. Who is without parental care or guardianship caused by the unreasonable absence or the mental or
314 physical incapacity of the child's parent, guardian, legal custodian or other person standing in loco
315 parentis; or

316 6. Whose parents or other person responsible for his care creates a substantial risk of physical or
317 mental injury by knowingly leaving the child alone in the same dwelling, including an apartment as
318 defined in § 55-79.2, with a person to whom the child is not related by blood or marriage and who the
319 parent or other person responsible for his care knows has been convicted of an offense against a minor
320 for which registration is required as a violent sexual offender pursuant to § 9.1-902.

321 If a civil proceeding under this title is based solely on the parent having left the child at a hospital
322 or emergency medical services agency, it shall be an affirmative defense that such parent safely
323 delivered the child to a hospital that provides 24-hour emergency services or to an attended emergency
324 medical services agency that employs emergency medical services providers, within 14 days of the
325 child's birth. For purposes of terminating parental rights pursuant to § 16.1-283 and placement for
326 adoption, the court may find such a child is a neglected child upon the ground of abandonment.

327 "Adoptive home" means any family home selected and approved by a parent, local board or a
328 licensed child-placing agency for the placement of a child with the intent of adoption.

329 "Adoptive placement" means arranging for the care of a child who is in the custody of a
330 child-placing agency in an approved home for the purpose of adoption.

331 "Adult abuse" means the willful infliction of physical pain, injury or mental anguish or unreasonable
332 confinement of an adult.

333 "Adult day care center" means any facility that is either operated for profit or that desires licensure
334 and that provides supplementary care and protection during only a part of the day to four or more aged,
335 infirm or disabled adults who reside elsewhere, except (i) a facility or portion of a facility licensed by
336 the State Board of Health or the Department of Behavioral Health and Developmental Services, and (ii)
337 the home or residence of an individual who cares for only persons related to him by blood or marriage.
338 Included in this definition are any two or more places, establishments or institutions owned, operated or
339 controlled by a single entity and providing such supplementary care and protection to a combined total
340 of four or more aged, infirm or disabled adults.

341 "Adult exploitation" means the illegal use of an incapacitated adult or his resources for another's
342 profit or advantage.

343 "Adult foster care" means room and board, supervision, and special services to an adult who has a
344 physical or mental condition. Adult foster care may be provided by a single provider for up to three
345 adults.

346 "Adult neglect" means that an adult is living under such circumstances that he is not able to provide
347 for himself or is not being provided services necessary to maintain his physical and mental health and
348 that the failure to receive such necessary services impairs or threatens to impair his well-being.
349 However, no adult shall be considered neglected solely on the basis that such adult is receiving religious
350 nonmedical treatment or religious nonmedical nursing care in lieu of medical care, provided that such
351 treatment or care is performed in good faith and in accordance with the religious practices of the adult
352 and there is a written or oral expression of consent by that adult.

353 "Adult protective services" means services provided by the local department that are necessary to
354 protect an adult from abuse, neglect or exploitation.

355 "Assisted living care" means a level of service provided by an assisted living facility for adults who
356 may have physical or mental impairments and require at least a moderate level of assistance with
357 activities of daily living.

358 "Assisted living facility" means any congregate residential setting that provides or coordinates
359 personal and health care services, 24-hour supervision, and assistance (scheduled and unscheduled) for
360 the maintenance or care of four or more adults who are aged, infirm or disabled and who are cared for
361 in a primarily residential setting, except (i) a facility or portion of a facility licensed by the State Board
362 of Health or the Department of Behavioral Health and Developmental Services, but including any
363 portion of such facility not so licensed; (ii) the home or residence of an individual who cares for or
364 maintains only persons related to him by blood or marriage; (iii) a facility or portion of a facility
365 serving infirm or disabled persons between the ages of 18 and 21, or 22 if enrolled in an educational
366 program for the handicapped pursuant to § 22.1-214, when such facility is licensed by the Department as

a children's residential facility under Chapter 17 (§ 63.2-1700 et seq.), but including any portion of the facility not so licensed; and (iv) any housing project for persons 62 years of age or older or the disabled that provides no more than basic coordination of care services and is funded by the U.S. Department of Housing and Urban Development, by the U.S. Department of Agriculture, or by the Virginia Housing Development Authority. 2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health.
