(Patron Prior to Substitute—Delegate Lopez)

*A BILL to amend and reenact § 63.2-608 of the Code of Virginia, relating to Virginia Initiative for Employment Not Welfare; education and training programs.*

**Be it enacted by the General Assembly of Virginia:**

**1. That § 63.2-608 of the Code of Virginia is amended and reenacted as follows:**

**§ 63.2-608. Virginia Initiative for Employment Not Welfare (VIEW).**

A. The Department shall establish and administer the Virginia Initiative for Employment Not Welfare (VIEW) to reduce long-term dependence on welfare, to emphasize personal responsibility, and to enhance opportunities for personal initiative and self-sufficiency by promoting the value of work. The Department shall endeavor to develop placements for VIEW participants that will enable participants to develop job skills that are likely to result in independent employment and that take into consideration the proficiency, experience, skills, and prior training of a participant.

VIEW shall recognize clearly defined responsibilities and obligations on the part of public assistance recipients and shall include a written agreement of personal responsibility requiring parents to participate in work activities while receiving TANF, earned-income disregards to reduce disincentives to work, and a limit on TANF financial assistance.

VIEW shall require all able-bodied recipients of TANF who do not meet an exemption to participate in a work activity. VIEW shall require eligible TANF recipients to participate in unsubsidized, partially subsidized or fully subsidized employment or other allowable TANF work activity as defined by federal law and enter into an agreement of personal responsibility.

B. To the maximum extent permitted by federal law, and notwithstanding other provisions of Virginia law, the Department and local departments may, through applicable procurement laws and regulations, engage the services of public and private organizations to operate VIEW and to provide services incident to such operation.

C. All VIEW participants shall be under the direction and supervision of a case manager.

D. The Department shall ensure that participants are assigned to one of the following work activities within 90 days after the approval of TANF assistance:

1. Unsubsidized private-sector employment;

2. Subsidized employment, as follows:

a. The Department shall conduct a program in accordance with this section that shall be known as the Full Employment Program (FEP). FEP replaces TANF with subsidized employment. Persons not able to find unsubsidized employment who are otherwise eligible for TANF may participate in FEP unless exempted by this chapter. FEP shall assign participants to subsidized wage-paying private-sector jobs designed to increase the participants' self-sufficiency and improve their competitive position in the workforce.

b. Participants in FEP shall be placed in full-time employment when appropriate and shall be paid by the employer at an hourly rate not less than the federal or state minimum wage, whichever is higher. At no point shall a participant's spendable income received from wages and tax credits be less than the value of TANF received prior to the work placement.

c. Every employer subject to the Virginia unemployment insurance tax shall be eligible for assignment of FEP participants, but no employer shall be required to utilize such participants. Employers shall ensure that jobs made available to FEP participants are in conformity with § 3304(a)(5) of the Federal Unemployment Tax Act. FEP participants cannot be used to displace regular workers.

d. FEP employers shall:

(i) Endeavor to make FEP placements positive learning and training experiences;

(ii) Provide on-the-job training to the degree necessary for the participants to perform their duties;

(iii) Pay wages to participants at the same rate that they are paid to other employees performing the same type of work and having similar experience and employment tenure;

(iv) Provide sick leave, holiday and vacation benefits to participants to the same extent and on the same basis that they are provided to other employees performing the same type of work and having similar employment experience and tenure;

(v) Maintain health, safety and working conditions at or above levels generally acceptable in the industry and no less than those in which other employees perform the same type of work;

(vi) Provide workers' compensation coverage for participants;

71 the Social Security Act, as amended. Placements shall be selected to provide skills and serve a public  
72 function. VIEW participants shall not displace regular workers.

73 b. The number of hours per week for participants shall be determined by combining the total dollar  
74 amount of TANF and food stamps and dividing by the minimum wage with a maximum of a work  
75 week of 32 hours, of which up to 12 hours of employment-related education and training may substitute  
76 for work experience employment; or

77 5. Any other allowable TANF work activity as defined by federal law.

93 F. Participants may be reevaluated after a period determined by the local department and reassigned  
94 to another work component. In addition, the number of hours worked may be reduced by the local  
95 department so that a participant may complete additional training or education to further his  
96 employability.

97 G. Local departments shall be authorized to sanction parents up to the full amount of the TANF  
98 grant for noncompliance, unless good cause exists.

99 H. VIEW participants shall not be assigned to projects that require that they travel unreasonable  
100 distances from their homes or remain away from their homes overnight without their consent.

101 Any injury to a VIEW participant arising out of and in the course of community work experience

103 participant is unable to work due to such an accident, his status shall be reviewed to determine whether  
104 he is eligible for an exemption from the limitation on TANF financial assistance.

105 A community work experience participant who becomes incapacitated for 30 days or more shall be  
106 eligible for TANF financial assistance for the duration of the incapacity, if otherwise eligible.

108 mechanism for community work experience participants.
