**§ 59.1-575. Supplier's permits; penalty.**

A. The Commission may issue a supplier's permit to persons upon application therefor and the payment of a nonrefundable application fee set by the Commission, upon a determination by the Commission that the applicant is eligible for a supplier's permit and upon payment of a \$5,000 initial permit fee. A supplier's permit must be renewed annually at a fee to be determined by the Commission, not to exceed \$5,000, and is not transferable.

After a hearing, with 15 days' notice, the Commission may suspend or revoke any license or supplier's permit, or assess a civil penalty against the holder thereof in a sum not to exceed \$100,000, in any case where it has reason to believe that any provision of this chapter, or any regulation or condition of the Commission, has not been complied with or has been violated. The Commission may revoke or suspend such license or permit if it finds that facts not known by it at the time it considered the application indicate that such license or permit should not have been issued. Deliberations of the Commission hereunder shall be conducted pursuant to the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.). If any such license or permit is suspended or revoked, the Commission shall state its reasons for doing so, which shall be entered of record. Such action shall be final unless appealed in accordance with § 59.1-565. Suspension or revocation of a license or permit by the Commission for any violation shall not preclude criminal liability for such violation.

**§ 59.1-578. Acquisition of interest in licensee or permit holder.**

The Commission shall require any person desiring to become a principal of, or other investor in, any licensee or holder of a supplier's permit to apply to the Commission for approval and may demand such information of the applicant as it finds necessary. The Commission shall consider such application within 60 days of its receipt and if in its judgment the acquisition by the applicant would be detrimental to the public interest, to the honesty and integrity of gaming operations, or to its reputation, the application shall be denied.

**Article 5.**

**Service Permits.**

**§ 59.1-579. Service permit required.**

No person shall participate in any gaming operation as a casino gaming employee, concessionaire, or employee thereof or other occupation the Commission considers necessary to regulate in order to ensure the integrity of casino gaming in the Commonwealth unless such person possesses a service permit to perform such occupation issued by the Commission and complies with the provisions of this chapter and all Commission regulations. No service permit issued under the provisions of this chapter shall be transferable.

**§ 59.1-580. Application for permit.**

A. Any person desiring to obtain a service permit as required by this chapter shall apply on a form prescribed by the Commission. The application shall be accompanied by a fee prescribed by the Commission.

B. Any application filed hereunder shall be verified by the oath or affirmation of the applicant.

**§ 59.1-581. Consideration of application.**

A. The Commission shall promptly consider any application for a service permit and issue or deny such service permit based on the information in the application and all other information before it, including any investigation it considers appropriate. If an application for a service permit is approved, the Commission shall issue a service permit, containing such information as the Commission considers appropriate. Such service permit shall be valid for one year. The Commission shall establish criteria and procedures for service permit renewal.

B. The Commission shall deny the application and refuse to issue the service permit, which denial shall be final unless an appeal is taken under § 59.1-565, if it finds that the issuance of such service permit to such applicant would not be in the best interests of the Commonwealth or would reflect on the honesty and integrity of casino gaming in the Commonwealth or that the applicant:

1658 1. Has knowingly made a false statement of a material fact in the application or has deliberately  
1659 failed to disclose any information requested by the Commission;

1660 2. Is or has been guilty of any corrupt or fraudulent practice or conduct in connection with gaming

1663 Commission;

1664 4. Has had a service permit to engage in activity related to casino gaming denied for cause,  
1665 suspended, or revoked in this or any other state, and such denial, suspension, or revocation is still in  
1666 effect;

1667 5. Is unqualified to perform the duties required for the service permit sought; or

1668 6. Has been convicted of a misdemeanor or felony involving unlawful conduct of wagering,  
1669 fraudulent use of a gaming credential, unlawful transmission of information, touting, bribery,  
1670 embezzlement, administration or possession of drugs, or any crime considered by the Commission to be  
1671 detrimental to casino gaming in the Commonwealth.

1672 C. The Commission may refuse to issue a service permit if for any reason it feels the granting of  
1673 such service permit is not consistent with the provisions of this chapter or its responsibilities or any  
1674 regulations promulgated by any other agency of the Commonwealth.

1675 **§ 59.1-582. Suspension or revocation of service permit; civil penalty.**

1676 The Commission may suspend or revoke a service permit issued under this chapter or assess a civil  
1677 penalty against the holder of such permit in a sum not to exceed \$10,000, after a hearing for which  
1678 proper notice has been given to the permit holder, in any case where it has reason to believe that any  
1679 provision of this chapter or any regulation, order, or condition of the Commission has not been  
1680 complied with or has been violated. The Commission may revoke or suspend such service permit, after  
1681 such hearing, if it finds that facts not known by it at the time it was considering the application indicate  
1682 that such permit should not have been issued. If any service permit is suspended or revoked, the  
1683 Commission shall state its reasons for doing so, which shall be entered of record. Such action shall be  
1684 final unless an appeal is taken in accordance with § 59.1-565. Suspension or revocation of a service  
1685 permit by the Commission for any violation shall not preclude criminal liability for such violation.
