10 A. Except as provided for in subsections B, C, and D, the total allowable landings for menhaden
11 shall be ~~144,272.84~~ 158,700.12 metric tons per year. ~~However, if the Atlantic States Marine Fisheries~~
12 ~~Commission acts between May 1, 2015, and December 31, 2015, to increase the total allowable landings~~
13 ~~for menhaden, the Governor may implement the revised quota by proclamation.~~

14 B. If the total allowable landings specified in subsection A are exceeded in any year, the total
15 allowable landings for the subsequent year will be reduced by the amount of the overage. Such overage

17 § 28.2-400.3.

18 C. The Commissioner may request a transfer of menhaden landings from any other state that is a
19 member of the Atlantic States Marine Fisheries Commission. If the Commonwealth receives a transfer of
20 menhaden in any year from another state, the total allowable landings for only that year shall increase
21 by the amount of transferred landings. The Commissioner may transfer menhaden to another state only
22 if there are unused landings after December 15.

23 D. Any portion of the one percent of the coast-wide total allowable catch set aside by the Atlantic
24 States Marine Fisheries Commission for episodic events that is unused as of September 1 of any year
